TIGER MAN - 30TH ANNIVERSARY EDIT.	CD RCA 67611	€ 20.50

* On July 27, 1968, Elvis walked onto NBC's Burbank soundtrack and faced a live audience for the first time in over

seven years. Elvis' legendary performance, an early prototype of MTV's 'Unplugged' series, became known as the 'Comeback TV special'. The casual setting of the soundtrack serves as a backdrop for a performer at his professional and physical peak. Elvis jams with four of his long-time backup musicians, reminisces, jokes and runs through some of the most important material of his career. 'Tiger Man' features the complete 8PM show releases in its entirety for the first time ever. The entire show is unedited and of the 16 songs performed, seven performances are previously unreleased.

DAVID ADLER: THE LIFE AND CUISINE 0016 133 € 19.90

* 160 pages/Seiten; 23x20 cm; Paperback: This is an odd book: It lists chronologically what the author believes to have been Elvis's favorite food plus recipes for that. Quite interesting what was served in the army in the late 1950s, on the other hand I would rather not live on all this stuff. However, it is interesting to read and it has a lot of rare b&w photographs. Dieses Buch listet chronologisch das auf, von dem der Autor glaubt, es seien Elvis' Lieblingsessen gewesen und gibt auch gleich das Rezept dazu. Es ist zwar interessant zu wissen, womit die GIs in den späten 50er Jahren ernährt wurden, von allem anderen in diesem Buch möchte ich aber nicht leben müssen. Dennoch ist es interessant zu lesen, weil anders, und es enthält viele selten S/W-Fotos.

PETER GURALNICK: LAST TRAIN TO MEMPHIS 0016 139 € 37.50

* 562 pages/Seiten, 23,5x15,5 cm, hardcover/gebunden: So far the very best biography of the early Elvis's life I have read. Extremely well researched, written with loving care and unbelievable diligence. This book represents 10 years of research, collects hundreds of interviews with Elvis's friends and companions. It is astonishing that the author was able to reveal so many unknown facts about the first 24 years in the life of somebody about whom so much has been written. This is highly recommended reading not only for Elvis's fans. Contains some rare b&w photographs. Die eindeutig beste Elvis Biografie, die ich bisher gelesen habe. Ausgezeichnet recherchiert, mit Liebe zum Thema und zum Detail und mit grosser Sorgfalt geschrieben. In 10 Jahren Forschungsarbeit hat der Autor zahlreiche Interviews mit Elvis' Freunden und Weggefährten zusammengetragen. Es behandelt lediglich die 50er Jahre, so dass wir mit einer Fortsetzung rechnen können. Es ist erstaunlich, dass der Autor noch so viele bislang unbekannt Tatsachen über die ersten 24 Jahre eines Lebens herausfinden konnte, über das schon so viel geschrieben wurde. Nicht nur für Elvis Fans uneingeschränkt zu empfehlen. Enthält einige seltene S/W-Fotos. wieder lieferbare gebundene Ausgabe mit Schuzumschlag !

PETER GURALNICK: LAST TRAIN TO MEMPHIS 0016 232 € 19.90

* English, Paperback, 15.5 x 23.5 cm, ca.560 pages last copies - special price ! "Last Train to Memphis" was hailed on publication as the definitive biography of Elvis Presley. Peter Guralnick's acclaimed book is the first to set aside the myths and focus on Elvis' humanity, as it traces Elvis' early years, from humble beginnings to unprecedented success. At the heart of

the story is Elvis himself, a poor boy of great ambition and fiery musical passions, who connected with his audience and the age in a way that has yet to be duplicated. The book also brings to life the world Elvis arrived in, America in the fifties and the people who, together with Elvis, would change that world forever. The first part of a two-volume biography, "Last Train to Memphis" traces the first twenty-three years of Elvis' life, ending somberly in 1958 with his induction into the army and the death of his mother, Gladys. Drawing frequently of Elvis' own words and on the intimate reflections of those who knew him, this is biography at its best and a classic in the chronicling of our culture.

MARY HANCOCK HINDS: INFINITE ELVIS 0016 252 € 35.00

*English, Paperback, 15x23 cm, 512 pages, few b/w illustrations; "With all the emotionalism and hyperbole surrounding Elvis, it is wonderful to see a scholarly, detailed, accurate chronicle of writings about the century's most controversial artist. Infinite Elvis promises to be a major reference work, both for fans and scholars." - Charles Wolfe, author of A Good-Natured Riot: the Birth of the Grand Ole Opry - What figure of the 20th century changed the face of America the most? His fans claim it was Elvis - and in this book, at last, is their proof. Here for the first time anywhere is a precise measurement of a celebrity's impact on American culture. This annotated, highly readable listing-with over 1,700 verified entries, from biographies to discographies, fiction to travel guides, poetry to comic books, major articles to dissertations-shows that Elvis was more than just a popular culture phenomenon. Besides documenting his concerts, the food he ate, and posthumous Elvis sightings, they reveal how Elvis invented rock 'n' roll and spurred on the sexual revolution and the civil rights movement; how his death changed the media's treatment of celebrities; and how a new religion devoted to Elvis has become part of the mainstream.

• Deutsch, Paperback, 13.50x 20 cm, 350 Seiten; 1959 - Elvis Presley leistet seinen Militärdienst in Deutschland. Ein CIA-Kommando erhält den Geheimauftrag, Elvis zu überwachen und zu schützen. KINGTUNED 3-CD CD K 30014 € 19.90

• Doug Church The Voice of Elvis Doug Church began his Elvis career in the U.S. Air Force in 1983 competing against hundreds of other contestants and winning annual talent contests. Starting at the base level and proceeding through to the regional levels, he defeated the best entertainers from many bases in the European and US Air Force Commands. In four years he collected 11 first place trophies for impersonating Elvis and in other categories ranging from Male Vocalist to Comedic Performance. After leaving the Air Force in 1987, Doug continued his act in clubs in and around the Midwest. In 1990, he competed in the Fourth Annual Worldwide Elvis Impersonator contest in Memphis, TN against Elvis impersonators from all over the world and took second place his first time in the competition. The following year, he returned to Memphis to capture the first place crown as the "World's Best" Elvis impersonator. In 1993, after a successful audition with "Legends In Concert" (a musical impersonator revue based in Las Vegas, NV) he started touring the country and the world, performing in such exotic locations as Bangkok, Hong Kong, Aruba, the Bahamas, and Moscow. In 1999, Doug starred in and performed soundtrack vocals for the award-winning documentary film "Almost Elvis".
