ELVIS PRESLEY
RETURN TO SPLENDOUR CAM 2001 VHS € 23.50

• PAL; Color, some sequences b/w / Farbe, einige Szenen S/W; 57 Min.: This is a collection of film-clips shot by amateurs on 8 mm film on various occasions. Unfortunately those clips are silent, and the producers felt it necessary to add a screaming crowd as a sound background that doesn't really fit. The commentary is profound but nerve-racking due to use of

linguistics. Es handelt sich um eine Zusammenstellung von teilweise vorzüglichen Amateur-Filmclips von verschiedenen Konzerten auf 8 mm Schmaffilm geschossen und, wohl aus rechtlichen Gründen, ohne Ton. Leider hielt man es für nötig, einen unpassenden Live-Ton unterzumischen. Zusätzlich schmäht ein zwar profund aber wegen mangelhafter Diktion nur schwer erträglicher Kommentar die Freude an den seltenen Bildern.

• English, Paperback, 15x22.5 cm, 200 pages, b&w illustrations; It may sound crazy, but Elvis Presley - that most Christian icon of

American pop culture - was Jewish. Maverick journalists Max Wallace and Jonathan Goldstein have proven it, and SCHMELVIS: IN SEARCH OF ELVIS PRESLEY'S JEWISH ROOTS is the behind-the-scenes account of their irreverent and offbeat film documentary that offers up the proof. With the help of a Hasidic Jewish Elvis impersonator who performs at seniors' homes under the stage name Schmelvis and an eccentric Orthodox Rabbi, they trace Elvis's Jewish roots all the way to Israel. Then they bring the good news to Graceland, piloting their 'Winnebagel' on a pilgrimage down America's legendary Highway 61 to the home of the King. Along the way they share the startling truth with Elvis' own disciples: rednecks, truckers, white trash, and plain old unsuspecting Americans.

* ...Love Machine (My Secret Life With Elvis, McQueen & James Aubrey) English, Hardback/Gebunden mit Schutzumschlag, 15x22.5 cm, 330 pages, rare b&w photos; From 1970 to 1972, Barbara Leigh and Elvis Presley embarked on a torrid love affair from the moment they locked eyes. At the time, Ligh was a world-class model and actress whose looks and beauty embodied the materialistic, seventies and captured the King's heart at the same time. Add to this mix an affair with the world's number one boy-office attraction. Steve McQueen, and president of MGM studios and the inspiration for Jacqueline Susans' 'The Love Machine,' Jim 'The Smiling Cobra' Aubrey, and you have the decade's steamiest move triangle. Leigh herself has a legion of fans in Hollywood and abroad. She is legendary among Presley fans and, over the years, has developed a cult following as she was the original Vampirella, a comic book character created by Forrest J. Ackerman.

x TEMPLETON** 0016 289 € 49.90

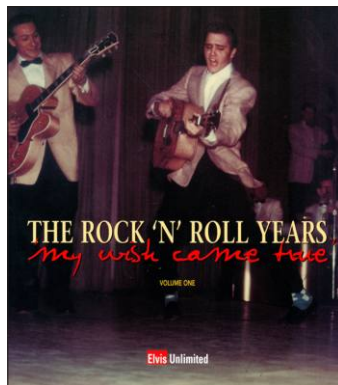

• English, Hardback/Gebunden mit Schutzumschlag, 22x28 cm, 200 pages, complete illustrated with hundreds of rare b&w and color images; On November 15, 1956, a covered forty foot tall cardboard likeness of the hottest star in America hung over the marquee at New York's Paramount Theater. Legions of fans lined the streets to see the unveiling of their dynamic heartthrob. It was the movie debut of a young phenomenon who had already set the country on fire with his controversial music called 'Rock and Roll.' It was also the movie premiere of a civil war melodrama titled 'Love Me Tender.' By the end of the month, 'Love Me Tender' was rivaling the smash hit 'Giant' which starred James Dean, Rock Hudson, and Elizabeth Taylor. As for the movie's bright new star, critic reviews were mixed, and many were downright horrid. So was the beginning of the movie career of Elvis Presley. Steve Tompton has spent years collecting Elvis memorabilia. This book features a collection of movie posters which spans Elvis's film career in brilliant color. Complete with background and rare information about each movie, this book is a must for Elvis collectors and fans alike. Specific information about each poster style and a special pricing section finish off this beautiful collection of movie posters that is the first of its kind.

• English, Hardback/Gebunden mit Schutzumschlag, 16x24 cm, 244 pages, rare b&w photos; Elvis Presley's army years are often considered the 'lost years' because so little is known about them. Tales of Elvis' and Rex's induction on the same day in Memphis, their basic training in Texas, and travel to Germany are recounted. As well, we learn about the genesis of Elvis' addiction to prescription drugs, his initial meeting with Priscilla Beaulieu, and his daily life on base and at home with his family and friends.
