Mit Such- und Sortierfunktionen; 50er Jahre in Deutschland: Die Republik wird mobil. 'Leukoplastbomber' und 'Knutschkugeln' bevölkern die Strassen, bald auch die ersten Nobelkarossen. Von der 'Isetta' bis zum luxuriösen Vorstands-Daimler zeigt 'Chromverfahren' einen amüsanten Rückblick auf diese unvergleichliche Epoche, in der die Autos noch 'Gesichter' hatten. 1960 gibt es in Westdeutschland 3,8 Millionen Automobile. 1970 sind es bereits 13 Millionen. Vollmotorisierung ist das Motto der Zeit. Das Wirtschaftswunder ermöglicht vielen Kraftfahrern den Aufstieg vom Kabinenroller zur repräsentativen Familienkutsche. Neue Modelle mussten grösser sein als ihre Vorgänger- und natürlich auch kräftiger: Erinnerungen an eine Zeit auf der Überholspur.

\* limited custom pressing of the original 1969 Epic LP ! Norton Records is thrilled to present the original lustrous, boisterous Epic label longplay monster that launched our beloved Flamin' Groovies and a thousand subsequent flame-burnin' rock 'n' rol combos the world over! This 1969 debut foot features founding members Cyril Jordan, Roy Loney, George Alexander, Danny Mihm and Tim Lynch, all barely out of their teens and ready to rock up nuggets from Eddie Cochran, Little Richard and Huey "Piano" Smith alongside early FG original stompers like 'The First One's Free, Bam Balam and Around The Corner.' If you dig your wax the way it was served up and packaged the first time around, if you appreciate hearing your favorite band's first album in authentic real deal fidelity the way it was intended for your esteemed ears to enjoy, then Love Have Mercy baby.

WILD STRINGS I (180G) LPBR 118 € 18.00

• By day, prolific '60s power-surf guitarist Jerry Cole sprayed his  
reverberated thunder with The Spacemen on killer LPs for Capitol  
Records. By night, however, Cole recorded dozens of albums for  
budget labels under an army of aliases. Wild Stings! combines  
9 power-stokin' tracks from the Spacemen with 7 lethal sides  
from Cole's budget-label recordings-on hefty 180-gram vinyl.
