Both albums were originally released in 1963, and both feature Acuff in what, by common consensus among Acuff experts, is possibly the best voice of his long career. These album cover traditional American folk ballads and jubilee-style white gospel, with some of the most famous songs in both genres being featured along the way. Beautiful remastered from original first-generation Hickory Records master tapes, both albums are being reissued here on CD for the first time complete. More than 75% of the tracks have been unavailable for over 39 years.

• *Nachdem er endlich von King Records frei wurde, ging Moon zu Decca und Coral Records, mitten in der Blütezeit des Rock 'n Roll. Diesen Teil von Moon's Story erzählen wir hier. Er nahm einige seiner großen Hits neu auf, wie Pipeliner Blues, Sweeter Than The Flowers und I'll Sail My Ship Alone. Außerdem nahm er eine Menge guter neuer Songs auf, darunter Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda und Cush-Cush, Ky Yay. After finally getting free from King Records, Moon went on to record for Decca and Coral Records during the heart of the rock 'n' roll era, and that's the part of Moon's story we're telling here. He re-cut some of his big hits, like Pipeliner Blues, Sweeter Than The Flowers and I'll Sail My Ship Alone. He also cut a lot of great new songs, including Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda, and Cush-Cush, Ky Yay.*

• (2003 'Northern Blues') (48:59/13) Das in eine der wenigen Tribute-CD, die Sinn machen: den "White Man's Blues" des Johnny Cash zum waschechten Blues zu machen ist wirklich gelungen und hörenswert. Das sind alles Originalaufnahmen; stilistisch vielfältig und wirklich abwechslungsreich. Und wie sagt Harpspieler Paul Reddick so treffend: "Ich trage mich, wie die Dinge sich wohl entwickelt hätten, wenn Johnny Mississippi Fred McDowell als Gitarrist für die Tennessee Three engagiert hätte." Sehr zu empfehlen! Ein Muß für jeden Johnny Cash Fan! / This is one of only a few "Tribute"-CDs that make sense.

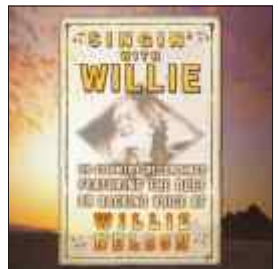

Transforming Johnny Cash's "white man's blues" into the "real" blues is special. The results are fascinating, and entertaining. Original recordings presenting Johnny's tunes in a wide variety of styles. Harpplayer Paul Reddick brings it to the point: "... I have wondered how things might have been if Johnny had hired Mississippi Fred McDowell as the guitar player for The Tennessee Three". Highly recommended! A must for the serious Johnny Cash fan!

• Despite her blending of folk, bluegrass, country and blues styles, American singer-songwriter living in Europe. Mark Cosgrove is probably best-known as one of a select elite membership of virtuoso guitarists who have won the U.S. National Flatpicking Guitar Championship in Winfield, Kansas. The CD doubt of this powerful new duo, was recorded during their first major European tour, in March 99, and features 11 Liz Meyer originals. In addition to wonderfully sensitive guitar backup, Cosgrove contributes 2 vocal numbers and 2 flatpicking instrumentals featuring his dazzling high-speed improvisations. With all the energy and heat of live

performance, this album sizzles with the excitement of two top musicians discovering their musical chemistry together

 • This was an outstanding album when it came out about a dozen  
 years ago. The nine new numbers raise the ante and make this  
 an even more important old-time release. There is not a bad cut  
 in the lot. Further more, these performance rank with the best  
 these musicians have ever cut. This recording is highly  
 recommended to all fiddlers, and banjo players, and lovers of  
 good old time music. (1996/ROUNDER) 24 tracks

• There are two ways to deal with the traditions and history of  
 music. Some band try to copy the old 78s lick for lick, and take  
 the old music as seriously as a Schubert quintet. But a few  
 bands - a very few - make that wild charge down the hill, and  
 respond to the past with aggression, passion, excitement and  
 joy. The best of these bands is a remarkable group from North  
 Carolina the Freight Hoppers... Charles Wolfe (from his liner  
 notes)

**Nico Feuerbach**

**TOOTER BOATMAN**

**Rockin'**

**CD CL 4408**

**EUR 15.50**

This release from the Collectors label is an older one, but still worth to talk about because it includes all 50s Rockabilly and Rock'n'Roll recordings of Tooter Boatman and the Chaparrals. Tooter, who recorded for several labels like Gaylo, Rebel and Twinkle, died way to early in the mid 60s in a car crash. His best known songs are *Thunder And Lightning* and *Big Deal*. *Thunder And Lightning* will change your clean and neat living room into a disaster because your Save-On furniture couldn't stand the rolling beats and thunder crashes and the cheesy pictures on the walls of mommy and daddy are ready for your Dirt Devil vacuum cleaner! But don't worry concerning the furniture, the next thrift store is right around the corner and you finally saved your CD which is more than important because there are 24 more Rockers you have to go through. Tracks you definitely should spin are *Life Begins At 4 O'Clock*, *Who Dat*, *The Will Of Love*, *Susie's House*, *Tennage Hangout* and *Moonshot*. The quality is really good and the story in the booklet is told by his drummer Clay Glover.

Diese Collectors Veröffentlichung ist schon älteren Datums, aber trotzdem erwähnenswert, da sie die kompletten Rock'n'Roll und Rockabilly Aufnahmen von Tooter Boatman and the Chaparrals enthält. Tooter, der u.a. für Labels wie Gaylo, Rebel und Twinkle aufnahm, starb viel zu früh Mitte der 60er Jahre bei einem Autounfall. Die bekanntesten Songs sind wohl *Thunder And Lightning* und *Big Deal*. *Thunder And Lightning* wird in Deinem Wohnzimmer den Effekt einer Abrissbirne haben und Deine Wal-Mart Möbel Schnäppchen bröckelgerecht für die nächste Grillparty zerkleinern, während der Rest mehr oder weniger Staubpartikelgröße erreicht und ein gefundenes Fressen für Deinen Vorwerk Sauger Model Dirt wird. Aber cool bleiben – die CD ist gerettet und der nächste Heils Armeeladen ist direkt um die Ecke – sozusagen zwei Fliegen mit einer Klappe geschlagen. Weitere Anspieltips sind *Life Begins At 4 O'Clock*, *Who Dat*, *The Will Of Love*, *Susie's House*, *Tennage Hangout* und *Moonshot*.

Die Geschichte dazu gibt's von seinem Trommler Clay Glover.

Brothers and sisters, praise the Lord!! The first official and complete Flip output of our brother Richard Berry finally came down to our dark and unfriendly earth including many rare and unissued sides which were produced by Gary Paxton! And the message is: Romance and Rock!! Romance because the fantastic and handsome Los Angeles Doo-Wop ballads like *You Look So Good*, *Tell Me Why* and *Dreams Of An Angel* will fill the hearts of you and your girlfriend who really comes close to an angel with warmth and salvation! And believe me brothers you'll be the ones who will profit from these inspiring and sensitive stardust pearls. Rock because this leader of the U.S. Westcoast Pharaos really knows how to fucking shake the world with psalms like *Louie Louie*, *Besame Mucho*, *Rock, Rock, Rock (This Dance Is Crazy)* or *No Kissin' And A-Huggin'*. Brothers and sisters!! His message is clear!! He wants to wake you up, he wants to show you the light at the end of the dark tunnel, he wants you to stand up, raise your hands, join the Rock'n'Roll Church and feel good! Praise the lord because you're elected to get this holy message which will completely change your life! Amen, Amen, Amen!

Brüder und Schwestern – lobet den Herrn! Die erste offizielle und komplette CD unseres Bruders Richard Berry hat das Dunkle unserer ach so tristen Erde erreicht. Sein komplettes Flip Output plus eine Menge an Bonusmaterial sind dazu da, unsere traurigen Seelen zu erheitern. Und die Botschaft ist: Heartful Ballads und Rock! Heartful Ballads – weil Los Angeles Doo Wop Balladen wie *You Look So Good*, *Tell Me Why* und *Dreams Of An Angel* die Herzen von Dir und Deiner engelsgleichen Angetrauten mit Wärme und Liebe erfüllen werden! Und glaub mir Brüder, ihr werdet diejenigen sein, die davon profitieren!

Rock – da der Anfänger unserer Westcoast Pharaonen es verdammt nochmal versteht, diese Welt wahrzurütteln! Passagen wie *Louie Louie*, *Besame Mucho*, *Rock, Rock, Rock (This Dance Is Crazy)* oder *No Kissin' And A-Huggin'* machen seine Botschaft an uns verlorene Schafe klar! Er will, dass Du aufwachst! Er will Dir das Licht am Ende des dunklen Tunnels zeigen, er will, dass Du Dich erhebst, dass Du Dich gut fühlst und dafür dankst, dass Du einer der wenigen Auserwählten bist, der die Chance hat, diese Rock'n'Roll Botschaft entgegenzunehmen und weiterzuverbreiten. Amen, Amen, Amen!

You better think about moving into another town because the impacts of the Rhythm Bomb company already destroyed your whole neighbourhood and your garden where you tried to raise an idyll to chill out from your stressful working week. Forget it, because if other towns weren't already hit, be sure they will! So you better try to arrange with the situation and learn to love these impacts because they include a high-explosive mixture of hot Rockabilly and Rock'n'Roll music which also can help you to recover from the five disaster days of the week. 15 tracks including six songs which were written by the band. Rockers you definitely should spin are *Hanky Tonk Girl*, *Down Town Mexico*, *Miss December*, *Ghost Surf (Instrumental)*, *Top Chop Boogie* and *Rock'n'Roll Baby*. Highly recommended!!!

Du denkst darüber nach, in eine andere Stadt zu ziehen, da die Einschläge der Rhythm Bomb Company langsam ermüdend werden, nachdem schon die gesamten Nachbarschaftsgebäude und die Chill Out Section in Deinem gutbürgerlichen Vorgarten in Mitleidenschaft gezogen wurden? Vergiss es! Denn dort wo die Beats bisher noch nicht angekommen sind, werden sie 100%ig demnächst einschlagen! Also arrangier dich besser mit der Situation, bleib locker und lerne diese Attacken zu lieben, da sie eine hochexplosive Mischung aus heissen Rhythmen aus Rock'n'Roll und Rockabilly enthalten, die Dir garantieren helfen werden Dich von Deiner deprimierenden Fünf-Tages-Disaster-Woche zu erholen. 15 Titel inkl. sechs eigener Kompositionen. Anspieltipps sind *Hanky Tonk Girl*, *Down Town Mexico*, *Miss December*, *Ghost Surf (Instrumental)*, *Top Chop Boogie* und *Rock'n'Roll Baby!* Absolut hörenswert!!!

**Gulf Coast Grease: The Sandy Story, Vol. 1**  
**CD CHD 595**

This release includes 24 rockin' rarities from the Gulf Coast of Alabama. The Sandy labels were located in the Mobile area and had an immense output of 50s Rock'n'Roll and Rockabilly music. One of the Rockers who might be known to some of you was Jackie Morningstar's dark and gloomy *Rockin' In The Graveyard* from 1959. But the output was much bigger and there were a lot more artists who really knew how to shake things up! Darryl Vincent's *Wild Wild Party*, Happy Wainwright's *Juke Box Queen*, Ray Sawyer's *I'm Gonna Leave*, George Richardson's *Close To You* and many more will make your home musicbox workin' hard!

All tracks were recorded between 1957 and 1962 and are in best quality. If you call yourself a real greaser you better give us a ring and order this thang!

Auf dieser Scheibe findet ihr 24 rockige Raritäten von der Golfküste Alabamas. Die Sandy Labels stammen aus der Gegend von Mobile und hatten einen immensen Output an 50s Rock'n'Roll und Rockabilly Musik. Einer der bekanntesten Interpreten wird wohl Jackie Morningstars düsteres *Rockin' In The Graveyard* von 1959 sein. Daneben gab es aber eine ganze Menge mehr an Rockern wie z.B. Darryl Vincent's *Wild Wild Party*, Happy Wainwright's *Juke Box Queen*, Ray Sawyer's *I'm Gonna Leave*, George Richardson's *Close To You* und viele mehr. Alle Songs wurden in den Jahren 1957-62 aufgenommen und sind hier in bester Qualität zu haben.

• Nachdem er endlich von King Records frei wurde, ging Moon zu Decca und Coral Records, mitten in der Blütezeit des Rock 'n Roll. Diesen Teil von Moon's Story erzählen wir hier. Er nahm einige seiner großen Hits neu auf, wie Pipeliner Blues, Sweeter Than The Flowers und I'll Sail My Ship Alone. Außerdem nahm er eine Menge guter neuer Songs auf, darunter Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda und

Cush-Cush, Ky Yay. After finally getting free from King Records, Moon went on to record for Decca and Coral Records during the heart of the rock 'n' roll era, and that's the part of Moon's story we're telling here. He re-cut some of his big hits, like Pipeliner Blues, Sweeter Than The Flowers and I'll Sail My Ship Alone. He also cut a lot of great new songs, including Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda, and

Cush-Cush, Ky Yay.

• Gene Summers is a true Rock & Roll legend since his recordings of tracks like 'School Of R&Roll', 'Alabama Shake' & 'Nervous' some 40 years ago. We cut 11 tracks here in Enviken in 2002 with him & this cat still has a fantastic voice, it's hard to believe that he is a day older than 30! From pure Rock & Roll to primitive Rockabilly, Gene is backed by members from other Enviken bands like: Sonny Rogers & The Kingpins, Riley McOwen & The Sleazy Rustic Boys & Red Roosters. Another legend is also featured on this album: Joey d'Ambrosio from The Comets plays the sax on two of the tracks. On top of that Gene Summers has supplied us with four tracks of which one of them is an instrumental track recorded at the same session as 'Nervous' in 1958, to wich he added vocals a few years ago. This is a Rock & Roll legend that still got IT!

• (2001/VAARESE) 25 tracks Johnny Tillotson has always been more than just a teen idol. That might not have been easy to discern as he sauntered carefree across the airwaves in late 1960 with 'Poetry in Motion,' or cried into his pillow two years later with 'It Keeps Right On A-Hurtin'.' Looking back, though, it's obvious. This collection, which culls the best of Tillotson's recordings for Cadence and MGM Records between 1958 and 1967, shows just what a keen ear he had for timeless material.

Er behauptete, es geschrieben und dann an die beiden verkauft zu haben; Leiber/Stoller hingegen sagen, das Stück selbst komponiert zu haben ... Die Originalversion von 1952 und eine Overdub-Version von 1959 sind beide hier enthalten. Großartiger R&B / He claimed to have written and later sold 'K.C. • (2003 'Northern Blues') (48:59/13) Das in eine der wenigen Tribute-CD, die Sinn machen: den "White Man's Blues" des Johnny Cash zum waschechten Blues zu machen ist wirklich gelungen und hörenswert. Das sind alles Originalaufnahmen; stilistisch vielfältig und wirklich abwechslungsreich. Und wie sagt Harpspieler Paul Reddick so treffend: "Ich frage mich, wie die Dinge sich wohl entwickelt hätten, wenn Johnny Mississippi Fred McDowell als Gitarrist für die Tennessee Three engagiert hätte." Sehr zu empfehlen! Ein Muß für jeden Johnny Cash Fan! / this is one of only a few "Tribute"-CDs that make sense.

Transforming Johnny Cash's "white man's blues" into the "real" blues is special. The results are fascinating, and entertaining. Original recordings presenting Johnny's tunes in a wide variety of styles. Harpplayer Paul Reddick brings it to the point: "... I have wondered how things might have been if Johnny had hired Mississippi Fred McDowell as the guitar player for The Tennessee Three". Highly recommended! A must for the serious Johnny Cash fan!

UK Sue was the R&B of Island Records, and - for most of its lifetime - the total responsibility of the late Guy Stevens. Almost every record that was released on Sue was personally selected by Stevens, many of them based on the reactions of the audience, when he DJ'd at the legendary London discotheque 'The Scene'.

\*(2003/ACROBAT) 25 tracks Acrobot has now released several packages in The Road To Doo Wop series and here is our first compilation to actually arrive in the Doo Wop era. Featured are 25 titles from the early 50s to the early 60s recorded for several independent labels mostly based on America's East Coast. Rare sounds and hits rub shoulders with legendary acts like The Harptones and The Willows. Amongst the obscurities the first CD release for The Impressions' Swirl 45. This group does not feature Curtis Mayfield and the extensive liner notes explain its origins.

 late '60s producer and publisher Don Kirshner created this  
 'phantom combo' as part of the Archies Saturday morning  
 cartoon. Each show featured one of their songs sandwiched in a  
 skit. Archie Andrews played guitar and sang lead, Reggie  
 Mantle (his friend and rival) played guitar, Jughead was the  
 drummer with Veronica on organ and Betty on tambourine.  
 Hidden behind those artificial 'toons were top New York session  
 singers. Hit writers like Ellie Greenwich and Jeff Barry composed  
 a string of hits for the band including the international smash  
 'Sugar, Sugar.'

**JEFF BECK**

**SHAPE OF THINGS-60S**

**GROUPS & SESSIONS 2-CD**

**CD CMQ 702 € 19.90**

• After joining The Yardbirds in 1965, Jeff Beck carved out a huge  
 reputation for his guitar pyrotechnics, notably his use of  
 feedback and distortion. This is the first compilation of his 60s  
 sessions, kicking off with a trio of rarities from Screaming Lord  
 Sutch, The Fitz & Startz and The Nightshifter. Both The Yardbirds  
 and, of course, The Jeff Beck Group are well-represented,  
 alongside later sessions Jeff either played or produced for  
 John's Children, Paul Jones, The Smoke, Donovan, and  
 perhaps the most infamous groupies of all time, Frank Zappa's  
 outrageous GTOs.

**SINGLES COLLECTION 4-CD CD EMI 39756 € 59.90**

• Auch wenn ihr Name hierzulande nur einem eher kleineren Teil des Publikums bekannt ist und sie in erster Linie mit dem Titel "Fever" identifiziert wird, in der amerikanischen Unterhaltungsmusik steht PEGGY LEE mit ihrer Stimme und ihren ungezählten Aufnahmen zweifelsohne in einer Reihe mit Frank Sinatra (er dirigierte 1957 ein Orchester auf LEE's Album 'The Man I Love!'), Tony Bennett, Duke Ellington oder Benny Goodman. Letzterer entdeckte sie 1941 in Chicago und engagierte die gerade 20-jährige Sängerin als vokales Aushängeschild seiner Big Band. Ende 1945 unterschrieb sie bei Capitol Records und blieb dem Label, abgesehen von einer kurzen Decca-Phase in den 50ern, bis in die 70er Jahre hinein treu. Swing, Jazz, Latin, Kabarett - die stilistischen Einflüsse auf ihren Alben und Singles waren breit gestreut. Selbst Rock und Pop der 60er oder die Kompositionen der Songwriter jener Zeit, z.B. Burt Bacharach, Jimmy Webb, Randy Newman oder Carole King, fanden PEGGY LEE's Zuspruch und Eingang in ihre Arbeit. Die 4 CD's umfassende und schlicht 'Singles Collection' betiteltte Box (im Hochformat mit 72-seitigem Booklet) lässt die

komplette Karriere der Anfang dieses Jahres verstorbenen Sängerin noch einmal Revue passieren - 105 Songs von 1941 bis 1975, gut fünf Stunden pures und bestes Entertainment.

• Die Nazis betrachteten die Mächtigergreifung von 1933 auch als eine 'Kulturrevolution', mit der ein nationalistisch-rassistisches Ideal deutscher Kunst durchgesetzt werden sollte. Nur wenigen war bekannt, dass auf die Münchener Ausstellung 'Entartete Kunst' 1938 in Düsseldorf eine Ausstellung 'Entartete Musik' folgte. Fünfzig Jahre später haben der Berliner Musikwissenschaftler Albrecht Däumling und der Düsseldorfer Intendant Peter Girth mit einer kritisch kommentierten Rekonstruktion an diese fast vergessene Propagandaschau erinnert, um damit exemplarisch die Steuerung des Musiklebens im NS-Staat darzustellen. Aus diesem Anlass entstanden Hörprogramme mit Tondokumenten, die für diese Compact-Disc-Ausgabe um weitere Beispiele ergänzt wurden. Dem Verpönten steht dabei das offiziell Geförderte gegenüber. Der Hörer kann sich so selbst ein Urteil bilden, auf welcher Seite Entartung vorliegt. 1. Säuberungen 2. Missbrauch 3. Deutsche Musik 4. Widerstand

**Temples Of Sound ( Inside The Great Recording Studios ) Jim Cogan and William Clark  
0041 857 – 29,50 Euro**

Die Autoren nehmen uns mit auf eine Zeitreise zurück in die späten 40s bis zu den 70s. Es geht durch die sonst verschlossenen Türen hinein in die legendären und wegweisenden Recording Studios von New York über Memphis und New Orleans bis an die Westküste nach Hollywood. Anhand der Profile von 15 Beispielen, darunter die Motown, Stax, Sun, Columbia und die "State Of The Art" Capitol Studios und umfangreichen Interviews mit Studioeigentümern, Toningenieuren, Produzenten und Künstlern, gewähren sie uns einen reich und hervorragend bebilderten, sehr informativen und interessanten Einblick in die normalerweise verborgene Welt der großen Temples Of Sound. In der magischen Atmosphäre dieser Aufnahmestudios fanden unter anderem Produzenten wie Quincy Jones und Chet Atkins, Toningenieure wie Rudy Van Gelder und Joe Tarsia, und die musikalische Genialität von Brian Wilson, John Coltrane, Elvis Presley und den Doors einen idealen Nährboden für ihr Schaffen. So entstand ein großartiger Sound, welcher die populäre Musik weltweit bis in die Gegenwart prägt wie kein anderer. Somit ist Temples Of Sounds nicht nur ein wunderbar gestaltetes und faszinierendes Buch über ein lang vernachlässigtes und doch so wichtiges Thema in der Musikliteratur. Es zeigt auch deutlich wie

untrennbar und eng diese Studios mit der Entstehung zeitloser Musik und dem Soundempfinden von Generationen von Musikliebhabern der zweiten Hälfte des letzten Jahrhunderts verbunden sind. English, Paperback, 224 Seiten, s/w & color Photos.

The authors of this book take us way back from the late 1940s to the 1970s. You'll get the opportunity to have a look through the doors of Recording Studios like the ones of New York, Memphis, New Orleans and the Westcoast studios in Hollywood, normally closed for the public. With the help of 15 different profiles of studios like Motown, Stax, Columbia, Sun and the State Of Art Capitol studio, the interviews with studio owners, sound-engineers, producers and artists and with the many photographs you'll get some rare views of the studioworld inside. In the magical atmospheres of these studios, producers like Quincy Jones and Chet Atkins, sound engineers like Rudy Van Gelder and Joe Tarsia and artists like John Coltrane, Elvis Presley, the Doors and the musical genius of Brian Wilson found a perfect medium for their work. The result has been some great American music which still influences musicians and artists till this very day. Temple Of Sounds is not only an insight of a long ignored chapter of music literature – it also shows the strong link of the studios and their huge impact on essential timeless music of the 20<sup>th</sup> century. • 19x 23,5 cm, gebunden, 64 Seiten, ca. 30 Duotone-Photos. Es ist das Jahr 1960. Auf St. Pauli geraten drei Kunststudenten, darunter der angehende Photograph Jürgen Vollmer, in einen Rockschuppen namens Kaiserkeller, magisch angezogen von einem Sound, der anders klingt als alles, was sie bisher gehört haben. Vor einer Horde von Halbstarcken produziert sich eine Teenage-Band aus Liverpool - schwarze Lederjacken, schwarze Jeans, spitze Schuhe und Elvis-Tolle : Sie nennen sich "The Beatles", sind blutjung, noch völlig unbekannt und noch zu fünf, ohne Ringo. Der "coole" John, Paul, der Chameur, mit 17 noch minderjährig - er muss um zehn das Lokal verlassen -, Stuart Sutcliffe und Pete Best. Sie spielen Rock 'N' Roll. Keiner hört richtig hin ausser den dreien, die eigentlich nicht hierher gehören. Sie kommen zwei Monate lang jeden Abend und freunden sich mit den Beatles an. Als die 1961, immer noch diesseits des Ruhms, im Hamburger Top Ten Club auftreten, ist Vollmer wieder dabei, diesmal mit einer ausgeliehenen Kamera - und so entstehen, teils unter seiner Regie, die Photos dieses Buches: einzigartig, unwiederholbar, zum Hinschmelzen...In seinem einführenden Text erinnert sich Jürgen Vollmer und die denkwürdige Begegnung vor mehr als 40 Jahren. In 1960, art student Juergen Vollmer and his friends listened to a completely unknown Liverpool teenage band in a dingy Hamburg club: "The Beatles", in leatherjackets, pointed shoes, and Elvis quiff. Fascinated, they came back every night of the two-month gig. When the Beatles retruned in 1961, Vollmer brought a camera to take the pictures published in this nostalgic dream book.

Marlon Brando, geboren 1924, provozierte in den bisher fünfzig Jahren seiner Karriere mit seinen Rollen Abscheu, niemals aber liess er gleichgültig. Seine ebenso faszinierende wie irritierende Ausstrahlung zeigen die 87 Bilder dieses Buches: Stills aus Filmklassikern wie "Endstation Sehnsucht", "Die Faust im Nacken", "Der letzte Tango in Paris", "Der Pate", "Apocalypse Now" bis hin zu seinem jüngsten Film mit Johnny Depp, "Don Juan De Marco", sowie Portraits der grössten Photographen wie Alfred Eisenstaedt, Cecil Beaton, Bob Willoughby, Mary Ellen Mark, William Claxton, John Engstead, Eliot Elisofon u.a. Der amerikanische Photograph Douglas Kirkland, der im jugendlichen Alter von nur 25 Jahren eine der letzten grossen Photosessions mit Marilyn Monroe hatte, enthüllt erstmals seinen erotischen Bilderschatz. Eine Absprache zwischen Marilyn Monroe und der amerikanischen Illustrierten 'Look', den 25. Geburtstag der Zeitung mit einer Serie erotischer Marilyn-Aufnahmen zu feiern, führte in der Nacht des 17. November 1961 zu dem Treffen zwischen Marilyn und dem damals als photographierendes Wunderkind gehandelten Douglas Kirkland. Bei der Photosession hatte Marilyn, angefeuert von ihrem Leib- und Lieblingsgetränk 'Dom Perignon' und Frank Sinatras beschwingter Musik, sofort die Initiative ergriffen und selbst Regie geführt. 'Wir brauchen ein Bett mit weissen Seidenlaken, sonst nichts', und 'Ich denke, ihr solltet mich mit dem Jungen alleine lassen. In der Regel klappt es so besser.' So lauteten einige ihrer kurzen Anweisungen mit denen sie den jungen Photographen auf Hochtouren brachte. #### COMPLETE LAST SITTING - BERT

**X STERN** 0013 033 € 98.00

• 28 x 32 cm, gebunden, 464 Seiten, 2571 Abbildungen, davon 375 in Farbe, mit einem Text von Bert Stern. In Zusammenarbeit mit Annie Gottlieb. Gewicht 4kg. Bert Stern, der berühmte amerikanische Mode- und Werbephoto-grapher der 60er Jahre, war der letzte Photograph, dem Marilyn Monroe - sechs Wochen vor ihrem Tod - einen Phototermin gewährte. In einer dreitägigen Sitzung, die, arrangiert für die amerikanische 'Vogue', in den Junitagen des Jahres 1962 im Bel Air-Hotel in Los Angeles stattfand, entstanden fast 2700 Mode-, Portrait- und Aktaufnahmen, von denen seinerzeit kaum eine Handvoll veröffentlicht wurden. Diese wenigen Bilder haben bereits unsere Erinnerung an Marilyn Monroe in unauslöschlicher Weise geprägt und den Namen des Photographen mit dem Marilyn Monroes für immer verbunden. Während der dreitägigen gemeinsamen Arbeit des Meisterphotographen und der berühmten Schauspielerin, die zugleich das wohl begnadetste Photomodell ihrer Zeit war, entstanden Photographien von unbeschreiblich sinnlicher und menschlicher Ausstrahlung, die einen Höhepunkt in der Weltgeschichte der erotischen, der Mode- und Portraitphotographie darstellen. Der persönliche Text, in dem Bert Stern das Entstehen der Idee zu dieser Sitzung sowie die Umstände seiner Arbeit mit Marilyn Monroe beschreibt, ist ein ebenso spannendes wie einmaliges Bekenntnis zur erotischen Dimension der Photographie und der Erotik des Photographierens. Der monumentale Band, der die erhaltenen 2571 Photographien komplett abbildet, ist nach wie vor die schönste und grösste Huldigung an Marilyn Monroe auf den Buchmärkten dieser Welt. Bert Stern, the famous American ad and fashion photographer of the sixties, was the last to have been granted a lengthy sitting with her star, six weeks before her death.

• Bilder aus den Pariser Jahren von Giancarlo Botti, Sonderausgabe von Michel Piccoli und einem Essay von Jean-Francois Josselin 23 x 27 cm, gebunden, 152 Seiten, 95 Tafeln in Farbe und Duotone. Fünfzehn Jahre nach dem Tod von Romy Schneider (1938-1982) wirkt das Faszinosum ihrer Schönheit, ihrer Persönlichkeit und ihres tragischen Lebens ungebrochen. Unser Band ist eine Hommage in Bildern, die all die glanzvollen, intimen, auch leidvollen Momente ihrer beruflichen und privaten Metamorphose vom 'süssen Mädel' zur selbstbewussten Frau, zur gefeierten Schauspielerin und Diva festhalten. Er enthält die gesammelten Photographien, die der italienisch-französische Photograph Giancarlo Botti in Romy Schneiders Pariser Jahren zwischen 1961 und ihrem Tod 1982 aufgenommen hat. Der vertraute Umgang, der sich zwischen ihnen entwickelte, führte neben den vielen Aufnahmen bei Dreharbeiten auch zu ganz privaten Bildern dieser ungewöhnlichen Frau bis hin zu einer Aktserie in ihrer Pariser Wohnung, die sie selbst anregte. Preiswerte Neuauflage im Originalformat. Fifteen years after Romy Schneider's death (1938-1982) her beauty, her personality and her tragic life have lost none of their fascination. Our book is a tribute to Romy in photographs that capture all the glamorous, intimate and distressing moments in her professional and private metamorphosis from a 'sweet lass' to a self-confident woman, a celebrated actress and film diva. It contains the collection of photographs the Italian-French photographer Giancarlo Botti took during Romy Schneider's years in Paris between 1961 and her death in 1982. Besides the many stills taken on the film set, the familiar rapport between them also led to very private photographs of this very special woman, culminating in her own proposal of a series of nude photographs in her Paris apartment. • Photographien aus dem amerikanischen Westen, 26,5 x 25,5 cm, 100 Seiten, 62 Farbabbildungen Auf der Suche nach Drehorten für seinen Film 'Paris, Texas' durchstreifte Wim Wenders 1983 mehrere Monate lang den Westen der USA, von Texas bis Arizona, Kalifornien bis New Mexico. 'Ich hatte in dieser Landschaft noch nie geredet und hoffe, durch das Photographieren mein Verständnis und mein Einfühlungsvermögen für dieses Licht und diese Landschaft zu schärfen'. Seine Bilder, die er mit einer Makina Plaubel 6 x 7 aufnahm, beweisen, in welcher persönliche Beziehung Wenders zu diesem Land trat. Sie strahlen bei aller offenkundigen Professionalität die Ruhe des einsamen Reisenden aus, das

Staunen des Europäers angesichts der Weite und der Schönheit einer Landschaft, die auch im 20. Jahrhundert nichts von ihrer fast mythischen Suggestivkraft eingebüßt hat und die stärker ist als die Zivilisation, die mit ihren flüchtigen, grellen Spuren in den Bildern präsent ist. Man sieht, 'dass diese Landschaft sich kaum hat beeindrucken lassen von dem Asphalt, den Autos und den Neonreklamen, obwohl gerade die letzteren sehr gut zu den Farben und dem Abendlicht des Westens passen.' In 1983, filmmaker Wim Wenders travelled through the American West in search of locations for the shooting of 'Paris, Texas'. In the process, he produced an impressive sequence of photos of the country, glimpsed with the professional - and at the same time personal - eye of one of the greatest German directors of our time.

€ 14.80

• 19x 23,5 cm, gebunden, 64 Seiten, ca. 30 Duotone-Photos. Es ist das Jahr 1960. Auf St. Pauli geraten drei Kunststudenten, darunter der angehende Photograph Jürgen Vollmer, in einen Rocksclub namens Kaiser Keller, magisch angezogen von einem Sound, der anders klingt als alles, was sie bisher gehört haben. Vor einer Horde von Halbstarren produziert sich eine Teenage-Band aus Liverpool - schwarze Lederjacken, schwarze Jeans, spitze Schuhe und Elvis-Tolle - Sie nennen sich 'The Beatles', sind blutjung, noch völlig unbekannt und noch zu fünf, ohne Ringo. Der 'coole' John, Paul, der Charming, mit 17 noch minderjährig - er muss um zehn das Lokal verlassen -, Stuart Sutcliffe und Pete Best. Sie spielen Rock 'N' Roll. Keiner hört richtig hin ausser den dreien, die eigentlich nicht hierher gehören. Sie kommen zwei Monate lang jeden Abend und freunden sich mit den Beatles an. Als die 1961, immer noch diesseits des Ruhms, im Hamburger Top Ten Club auftreten, ist Vollmer wieder dabei, diesmal mit einer ausgeliehenen Kamera - und so entstehen, teils unter seiner Regie, die Photos dieses

Buches: einzigartig, unwiederholbar, zum Hinschmelzen... In seinem einführenden Text erinnert sich Jürgen Vollmer und die denkwürdige Begegnung vor mehr als 40 Jahren. In 1960, art student Juergen Vollmer and his friends listened to a completely unknown Liverpool teenage band in a dingy Hamburg club: 'The Beatles,' in leather jackets, pointed shoes, and Elvis quiff. Fascinated, they came back every night of the two-month gig. When the Beatles returned in 1961, Vollmer brought a camera to take the pictures published in this nostalgic dream book.

Der rote Korsar erzählt von der Magie der bewegten Bilder. Er erweckt längst vergangene Erlebnisse und Träume jener Kinovergangenheit zum Leben, als Gestalten wie Ben Hur, Django und das Schwarzwaldmädel die Leinwand bevölkerten. Als Rasiersitze und Kino-Kontrollreue gefürchtet, Breitwandfilme das neueste Wunder und Nachtszenen noch Tagesgespräch waren.

erfolgreiches Intermezzo als Musikproduzent von Nina Hagen, Nena und vielen anderen Repräsentanten der 'Neuen Deutschen Welle'. Zwar pflasterten goldene Schallplatten buchstäblich seinen Weg, letztendlich hat er jedoch das stumme visuelle Medium den Tonträgern vorgezogen. Seine Photosammlung, die wir jetzt in einer broschiierten Sonderausgabe wieder aufliegen, ist einzigartig. Sie umfasst von Jimi Hendrix, Samuel Beckett, Sean Connery über Peter Stein, Mario Adorf, Heinz Bennent, Katharina und Anna Thalbach und John Malkovich bis zu Spliff, Fury In The Slaughterhouse, Gianna Nannini und Wolfgang Niedecken so ziemlich alle Gassen und Grössenordnungen, die auf den deutschen Theater- und Musikbühnen in der vergangenen dreissig Jahren gastiert haben. Jim Raket, a young man with a magical name - 'Rakete' meaning 'rocket' in German - was born in Berlin in 1951 and began at the early age of sixteen to photograph the nocturnal rock scene in Berlin. His passion for rock 'n' roll and stage life in the city never waned. It also survived Jim Rakete's highly successful intermezzo as the musical producer of Nina Hagen, Nena and many other exponents of the 'Neue Deutsche Welle'. His road to success was literally paved with gold records, but in the end he preferred the silent visual medium to the music media. His collection of photographs, which we now present to the public in a softcover reprint, is unique. Its wide range stretches from Jimi Hendrix to Samuel Beckett and Wigald Boning, including virtually all the celebrities that have performed on the theatrical and musical stage in Germany during the past thirty years. € 78,00

• Fotobuch, Gebunden, 256 Seiten, mit 100 Tafeln in Farbe und Duotone. Englishsprachige Originalausgabe mit deutscher Textbeilage. Mit Texten von Pattie Smith, Rosanne Cash, Lou Reed, Beck und Mos Def sowie Kurzbiographien aller portraitierten Musiker. Musiker haben schon immer eine zentrale Rolle in ihrer langen und erfolgreichen Karriere gespielt. Annie Leibovitz war neunzehn Jahre jung und Studentin am San Francisco Art Institute, als sie für die 'Rolling Stones' zu arbeiten begann. Drei Jahre später, 1973, wurde sie die Hausphotographin des Magazins und prägte ein Jahrzehnt lang dessen Erscheinungsbild mit ihrem atmosphärisch dichten, oft ungewöhnlich arrangierten Musikerportraits. 'American Music' ist eine hochkarätige Sammlung von Aufnahmen - Portraits und Bilder von den Kultstärken des Pop und Rock-, die teils aus dem Leibovitz-Archiv stammen: beispielsweise Portraits von Ray Charles, Aretha Franklin, Elvis Presley und Tina Turner.

Der weitaus grössere Teil entstand jedoch speziell für dieses Projekt: Annie Leibovitz reiste kreuz und quer durchs Land, fotografierte B.B. King in seinem Geburtsort im Mississippi Delta, Johnny Cash auf seinem Stammsitz in Virginia, Willie Nelson in seinem Studio in Texas. Und sie portraitierte Bruce Springsteen, Beck, Bob Dylan, John Bon Jovi, Eminem, Joni Mitchell, Philip Glass, Anita O'Day, Quincy Jones, Chuck Berry und viele andere mehr. Mit Essays von fünf Stars der Szene - Patti Smith, Rosanne Cash, Lou Reed, Beck und Mos Def - und Kurzbiographien aller in diesem Band versammelten Musiker. Musicians have always been central to Annie Leibovitz, former staff photographer of 'Rolling Stone' magazine. 'American Music' is a high-profile collection of her legendary pictures of concert sites and rock musicians: B.B. King, Eminem, Johnny Cash, John Bon Jovi, Joni Mitchell, Dr. Der, and many, many more. With essays by Patti Smith, Rosanne Cash, Lou Reed, Beck, and Mos Def, and short bios of all musicians portrayed in this book.

• 14 x 22 cm, gebunden, ca. 160 Seiten, ca. 40 Duotone-Tafeln. Fortsetzung folgt...Und in der Tat, hier ist sie: 'Dancing Queen', die Fortsetzung unseres fulminanten Schlagerbüchchens Tambourine Man. Sie ist den ewigen Hits der 70er Jahre gewidmet. Es ist das Jahrzehnt, an dessen Anfang die Beatles

mit 'Let It Be' ihren letzten grossen Welthit landen, bevor sie für immer auseinander gehen, um fortan als Solomusikanten Funken und Leuchtpuren am Firmament des Pops zu verströhen. Die Gruppe, die dem neuen Jahrzehnt ihren unverwechselbaren musikalischen Stil aufdrücken sollte, hiess ABBA und kam aus Schweden. Einer ihrer grössten Welthits 'Dancing Queen' hat unserer Sammlung den Titel gegeben. Disco hiess nun das Zauberwort, und Tanzen war plötzlich wieder angesagt. 'Dancing Queen' versammelt mehr als fünfzig der schönsten Hits zwischen 1969 und 1981, 'Waterloo', 'My Sweet Lord' bis zu 'Bette Davis' Eyes, und ruft so die unvergesslichen Stimme der alten und der neuen Stars ins Gedächtnis zurück - Neil Diamond, Rod Stewart, Olivia Newton-John, John Travolta, den jungen Jackson und all die anderen. 'Dancing Queen', our sequel to 'Tambourine Man', presents the lyrics of the most popular 70s hits, when disco was on the rise and dancing was in again. With songs from 'Let It Be' to 'Waterloo' and 'Bette Davis' Eyes, and stars such as ABBA, Rod Stewart, Olivia Newton-John, John Travolta, and young Michael Jackson, to name but a few. **0041 878 € 24.80**

• 19,2 x 28,5 cm, gebunden, ca. 160 Seiten, 60 Photographien in Farbe, Songtexte der 60er und 70er Jahre. Vorwort von Elke Heidenreich. 'Those were the days' damals, 'in the Age of Aquarius', when we were 'born to be wild' and 'on the road again', after 'a hard day's night' in the 'house of the rising sun'. Jeder kann die Melodien mitsummen, aber were kennt schon den vollständigen text? Unsere Sammlung von Songtexten aus den 60er und 70er Jahren macht Schluss mit diesem Dilemma. Hier sind sie alle Schwarz auf Weiss, im englischen Original und einer deutschen Linearübersetzung; die legendären Songs von Fleetwood Mac, den Supremes, Bob Dylan, den Mamas and Papas, Procol Harum, Otis Redding, Janis Joplin, Jim Morrison, den Beach Boys, Mary Hopkins, Jimi Hendrix, Steppenwolf, den Kinks - und natürlich die greatest hits der Beatles und Rolling Stones. Erkennbar wird auch die poetische Qualität, die die Songtexte in diesem Goldenen Zeitalter der Popkultur auszeichnete und die oft genug im lautstarren Beat der Musik oder der politischen Ereignisse unterging. Nostalgie? Ja sicher, aber neben der vielleicht etwas wehmütigen Erinnerung an Yesterday auch ein Lesevergnügen und Augenschmaus: die schönsten Portraits und Schnappschüsse unserer Idole begleiten ihre schönsten Songs. 'Those were the days...' back then, in the 'Age of Aquarius', when we were 'born to be wild' and 'on the road again', after 'a hard days's night' in the 'house of the rising sun', We're all humming the tunes, but we never know the words. Here they are: the complete lyrics to the most famous 60s and 70s pop songs. Enhanced by the most beautiful portraits and snapshots of our idols, 'Tambourine Man' is a visual and nostalgic feast. Texte und Photographien verbinden sich in diesem Buch, das wir jetzt als broschierte Sonderausgabe zu einem sensationell günstigen Preis anbieten, zu einem suggestiven Zeitdokument: So hat es sich angefühlt, damals in Amerika der 60er Jahre. Vietnamkriegs und der Bürgerrechtsbewegung, der Hippies und Yuppies, der Massendemonstrationen und Open-air-Konzerte, heftiger Rassenunruhen und politischer Morde. Die Identität einer Weltmacht stand zur Disposition. Vor 30 Jahren hatten Avedon und Arbus gemeinsam an diesem Projekt gearbeitet; jetzt legen sie das gesammelte und gesicherte Material erstmals vor. Ihre 'Kronzeugen' der Ereignisse reichen von Mitgliedern der Young Lords Party bis hin zu Bob Dylan und der katholischen Pazifistin Dorothy Day; ein Streetworker in Saigon spricht über den Zusammenbruch des Wertesystems im Krieg, Janis Joplin über Einsamkeit und Sex. The Sixties chronicles the political and moral crises of an entire nation: the United States. Events like the Vietnam war and the human rights movement are set against the era's open-air-concerts and racial unrest in a series of striking pictures. German text.

They were rewarded with a unique portrait of an artist who, by the time the documentary was screened, was arguably as famous and as popular as any singer in America. The film - first shown in Britain on cinema screens, rather than TV - was shot over slightly less than a year. The shooting covered the period between the mixing sessions for 'Land Od Israel', a track from Cash's spiritual LP 'The Holy Land', in the final weeks of 1968 to the Country Music Association awards ceremony in the early autumn of 1969.

Zunächst als Dr. Hook and the Medicine Show (später nur noch Dr. Hook) erzielten sie eine Reihe von Charterfolgen meist mit Balladen im Country-Rock-Stil. Berühmtheit erlangte die Band aber durch ihre chaotisch-improvisierten Live-Auftritte, wovon man sich bei diesem Konzertmitschnitt ein wunderbares Bild machen kann.

Als die Gruppe sich 1989, nach 20 Jahren, mit einer grossen Tournee von der Bühne verabschiedete, drängten ihre Fans sie schon drei Jahre später dazu weiterzumachen, und so gewissermassen die Wiedervereinigung als Band nachzuvollziehen. Unkomplizierte Rockmusik ohne Schnörkel und ehrliche Texte zu Themen, die die Lebenswirklichkeit der Leute treffen, machen die Puhdys zu einer der populärsten Bands in Deutschland.

Ihre Platten erlangten nie die gleiche Popularität wie ihre Live-Auftritte. Der Grund dafür ist schnell gefunden: Erst die mitreissende Bühnenshow und Choreographie machen die musikalische Performance der Gruppe komplett. Den Durchbruch erlebten Sha Na Na 1969 beim Woodstock-Festival, als sie zum ersten Mal ein größeres Publikum mit ihrer Tanzakrobatik und witzigen Interpretationen der Rock & Roll-Hits der 50er Jahre begeisterten angeblich für ein Honorar von 300 Dollar. Auf ihrem Höhepunkt Ende der 70er Jahre bekam die Band, die auch im Film "Grease" mitspielte, sogar ihre eigene Fernsehshow.

LEGACY OF SUN REC.(0) DVD U 0109 € 21.90

• PAL, English 5.1, 16:9, Color, 112 Min; TV Special über das SUN Label mit vielen Musik Einlagen - Klassik Historians may agree about where and when rock 'n' roll was born. But all historians do agree that an entrepreneur in the world of music named Sam Phillips began a revolution and spawned a legacy when he created Sun Records - the place where Elvis Presley, Carl Perkins, Johnny Cash, Jerry Lee Lewis and so many others got their start. If the story of Sun Records was merely the story of discovery and emergence of a single performer - Elvis - it would be astonishing enough. But it is not. It defines some of the most appealing roots of American popular tastem and it all happened in Memphis. The work of many original Sun artists is reprised in this two-hour American Masters film by such performers as Paul McCartney, Jimmy Page, Robert Plant and LIVE, several accompanied by Elvis' original sidemen, Scotty Moore and D.J. Fontana. It also includes rare footage of rock's founding fathers and chronicles their impact on modern artists. This 100% prof, fully charged dive, into the true passion of rock 'n' roll offers us rare moments of pure pleasure.

**X WERBEBELTEN (2)** DVD NPF 20030 € 25.90

• Ob erotische Verführerin oder perfekte Hausfrau, eleganter Angeber oder biederer Büromuffel - Werbefilme spielen schon immer geschickt mit Rollenklischees. Die amüsante Werbespot-Collage zeigt bisher nicht auf Video veröffentlichte deutsche Werbefilme von den 30er bis 80er Jahren in 10 erquicklichen Kapiteln wie 'Männer, Machos, Mürbekes', 'Liebe, Lust und Lollipop' oder 'Frauen, Fummel, Feinwaschmittel'. Extras: Werbe-Trickfilme der 50er Jahre und 'Tiere in der Werbung' aus den 60er Jahren!

**X ALTE REKLAME (2)** DVD NPF 20031 € 25.90

• Jahrzehntelang bestimmten sie überall das Strassenbild: Leuchtend bunte Werbeschilder aus Email. Putzige Mohrenkinder in bunten Pumphosen, herzlich lächelnde Mädels und unschlagbare Traumänner strahlten um die Wette, wenn sie ihre Produkte anpriesen. Ob Schokolade, Bier, Limo, Zigaretten oder Waschmittel - erst Emailplakate machten Markennamen populär. Vom Grosstadt-Kiosk bis zur Almhütte prangten die fröhlichen Werbebotschaften mit ihrem wetterbeständigem Optimismus. Heute sind die Werbeträger von gestern zu begehrten Sammelobjekte geworden. 'Alte Reklame' zeigt die schönsten Emailschilder und Werbefiguren, die in den letzten Jahren auf Auktionen und Börsen zu sehen waren, unter ihnen sehr gesuchte Raritäten! Ein Blick in die Produktionshallen eines Emailwerks zeigt, wieviel Können und Arbeit hinter jedem Emailschild steckt. Eine bunte Zeitreise durch die alte Reklamewelt, begleitet von faszinierenden Ragtime-Musik Scott Joplins.
