• The elusive roots guitarist/vocalist makes his Telarc debut with a dozen tracks that defy quick-and-easy categorization. Brown delivers it all - straight-ahead blues, country ballads, western swing and even an occasional foray into hard rock - frequently with his tongue firmly in cheek. There's even something for the Hendrix crowd: a down-and-dirty rendition of 'Foxy Lady.'

• It's been three years since Billy Ray Cyrus released studio album, and the country star surprises fans by breaking his recording fast with an inspirational album. As the recent chart-toppingsuccess of Randy Travis's gospel turn proves, there's certainly a market for country music with a spiritual message. Cyrus's *The Other Side* offers songs with positive, even meaty, lyrics that nevertheless steer clear of being overly religious. Nach drei Jahren das erste Studioalbum - mit Gospels einflüssen! Wie Randy Travis schon bewies, gibt es einen Markt für Countrymusik mit spirituellen Elementen. Keine betroffene religiöse Überproduktion, sondern einfach ein schönes Countryalbum der anderen Art! • It's been four years since Martina McBride released an all-new studio album, and on this eponymous long-player, she sounds energized by the message of female empowerment in her songs. The album's celebratory tone is aptly expressed in the infectious 'This One's for the Girls', an homage to self-reliance and fearlessness in love that's driven by pounding drums and waves of heavy rock guitar. / Das erste Studioalbum seit vier Jahren! Unterstützt durch Trommelfeuer und Heavy-Rockgitarre und behandelt die Schritte mit allen Annehmlichkeiten und Unannehmlichkeiten eines Mädchens zum Erwachsenwerden! (2003/RCA) 12 tracks

DAVE ALVIN

ASHGROVE

• (2004 'Yep Roc') (52:18/10) Wirklich wunderschön
geratenes neues Album des nachdenklichen Dave Alvin. Er ist
einer der wenigen Musiker in den USA, der es versteht, Blues, und
Country, Folk und Rock nebeneinander existieren zu lassen und
das Ganze dennoch wie aus einem Guss zu interpretieren. Teils hat
er's extrem melancholische Töne in seinem Sprechgesang,
Faszinierend und schlichtweg schön! / This really is a beautiful
album. A meditative Dave Alvin. He's one of only a few
American musicians who can equally perfect deliver their own
interpretations of the various musical idioms. An album full of
melancholy, simpel and ... beautiful. DAVE ALVIN - gtrs/voc,
GREG LEISZ - gtrs, BOB GLAUB - bass, DON HEFFINGTON -
drums.

There was a time when Nashville, Tennessee was not the epicentre of country music. During the 1940's country music's attention was focused on the West Coast. Artists like Bob Wills, Spade Cooley, Hank Thompson, Speedy West, Jimmy Bryant and Cliffie Stone contributed mightily to the Hollywood Hillbilly Cowboy era. These and many others can be enjoyed on this box set.

WPAQ: THE VOICE OF BLUE RIDGE MOUNTAIN

CD ROU 0404 € 16.90

• Radio recordings from Mount Airy, NC 1947-50 with 28 page booklet. WPAQ of Mount Airy, North Carolina is a radio station in the classic southern tradition. This album showcases a selection of musical treasures (by such talented but little-known local musicians as the Green Valley Boys with Benton Flippen, the Blue Ridge Mountain Boys, the Mt. Zion Quartet and many others) from the first years of WPAQ, a unique glimpse at an era when live radio and music coincided.

ANTHOLOGY OF AMERICAN

FOLK MUSIK 6-CD/BOOK

CD SF 40090

€ 89.90

• LP sized box with 68 page booklet plus enhanced CD for Windows. Schon in den 50er Jahren hatte Harry Smith mit seiner Vinyl-Auflage grosse Begeisterung hervorgerufen. Künstler wie Bob Dylan und viele andere Grössen aus den 60ern wurden von diesen Roots stark beeinflusst. Jetzt präsentiert Smithsonian Folkways die in Ballads, Social Music und Songs gruppierte und aufwendig gestaltete 6er-CD-Box. Ein monumentales Werk, das umfangreichen Überblick über die amerikanische Folkmusic gibt. (1997/SMITHSONIAN FOLKWAYS) 84 tracks (4 hours, 16 minutes) Perhaps the most influential collection in the history of recorded sound, the Anthology brought virtually unknown parts of America's musical heritage to public attention, and created a cultural wave with lasting impact. Smithsonian Folkways brings the Anthology to a new generation of listeners with digitally remastered sound, Smith's original handbook, and a 68-page book with essays by Greil Marcus and other noted writers, musicians and scholars. Play the enhanced sixth disc on your CD-ROM to access rare photos, historic video footage, artist interviews, and background information.

Their original recording of it is here, along with its almost-as-famous follow up 'Diggie Liggy Lo' and their rockabilly classic 'Hey Mae' (later revived successfully by Shakin' Stevens). Their bass-singing, piano-playing compatriot Barkdull is heard on both the Kershaw's recordings and his own, which include further rockabilly classics like 'Ain't Gonna Waste My Time' and 'Too Many.' None of Barkdull's sides have ever been reissued legally on CD before.

• (2004/ACE) 30 tracks - a Killer release !!! This prime slice of 50s Americana is an important release for all rockabilly fans as well as followers of the late great Gene Vincent. It all took place in a motel in Mineola, where a bunch of good ole boys gathered for a songwriting session convened by the motel's owner, Jack Rhodes. A guitarist in small time country outfits, Rhodes didn't take up songwriting in earnest until the early fifties by which time he was in his forties. His lyrical flair made him something of a hillbilly poet. One or two of his songs got recorded and pretty soon he was on his way. In 1956 Rhodes' 'Woman Love' got a free ride on the back of Gene Vincent's million selling 'Be-Bop-A-Lula'. Another of his songs, 'Missing Persons', appeared on the B-side of 'Gone' By Ferlin Husky a 1957 smash on the Capitol label. Most of the material consists of demos by Rhodes' acolytes There is a common thread in that Gene Vincent recorded five of the songs heard here and tried out at least three others written for him in the wake of 'Be-Bop-A-Lula'. The original demos of 'Red Blues Jeans And A Pony Tail', 'B-I-Bickey-Bi-Bo-Bo-Go' and 'Five Days Five Days' are also heard here for the first time.

This first volume deals with their early years as (predominantly) rhythm and blues songwriters in Los Angeles, starting with their first recorded compositions by Jimmy Witherspoon and the Robbins and ending just prior to the start of their great successes with the Coasters and Elvis Presley. It also includes the first of their earliest national and international successes with the Cheers, Vicki Young and Edith Piaf! Several of the tracks are featured in previously-unreleased alternate versions, while many others are being digitised for the first time here.

Allan's fuzzed-out guitar was an audio compass pointing towards freedom, sex, danger and violence, his trashy fretboard riffs exploding behind flickering celluloid images of cycle runs, biker fights, drug freakouts and rubber-burnin' hot rods. Through exclusive arrangement with Curb Records, Sundazed is thrilled to present this 40-track, 2-CD anthology, rounding up the best of the Arrows' '60s recordings: the 45s, sizzling album cuts, mindcolor 16-pg. booklet with band history, interviews with Davie, producer Mike Curb, the Arrows, plus unseen photos, original album graphics & more!

NICK CURRAN & THE NITELIFES**PLAYER!**

CD BP 5091 € 17.75

• (2004 'Blind Pig') (—:—/—) Im für die Fort Horton Studios in Austin typischen Garagensound produziertes viertes Album des aktuellen Königs des Retro-Sounds. Keiner beherrscht wie er die Sounds der 40er/50er Jahre und schreibt Songs die so klingen, als wären sie schon 1951 in den Jukeboxes an der Westküste gelaufen. Der 'Hammer' jedoch ist seine Version von Iggy Pops 'No Fun'. Auch Pops Popnummer klingt wie früher!

R&B. Klasse / Recorded at the famous Fort Horton Studios in Austin, Texas. Great garage sound. Curran is the reigning king of retro blues & r&b. He's simply the best when it comes to the reproduction of the original '40s/'50s sounds in blues and r&b. And he's writing new songs that sound like being played on a Southern Californian jukebox in 1951. But the biggest surprise is his version of Iggy Pop's 'No Fun'. Even this pop tune sounds like a Roy Brown record. Excellent! NICK CURRAN - gtr/voc, PRESTON HUBBARD - bass, DAMIEN LLANES - drums. Special guests: KIM WILSON - hca (3 tracks), RILEY OSBORN - kbd, etc.

• (2004/SUNDAZED) 40 tracks; Davie Allan & The Arrows recorded the most frenzied instrumentals the world has ever heard! Allan's fuzzed-out guitar was an audio compass pointing towards freedom, sex, danger and violence, his trashy fretboard riffs exploding behind flickering celluloid images of cycle runs, biker fights, drug freakouts and rubber-burnin' hot rods.

Through exclusive arrangement with Curb Records, Sundazed is thrilled to present this 40-track, 2-CD anthology, rounding up the best of the Arrows' '60s recordings: the 45s, sizzling album cuts, mindcolor 16-pg. booklet with band history, interviews with Davie, producer Mike Curb, the Arrows, plus unseen photos, original album graphics & more!

TWIST & SHOUT

- LEE COTTEN: AMERICAN ROCK & ROLL 1960-63 0041 813 € 89.90
 * English, Hardback, 22x28.5 cm, 584 pages, few b/w photos; Lee Cotten's 'Twist & Shout': The Golden Age of American Rock n'Roll, Volume III, closes out a monumental Odyssey which began with his day-by-day coverage of American rock 'n roll during the years 1952- 1955 in Shake, Rattle & Roll, and traversed from 1956 to 1959 in his epic tone, Reelin' & Rockin'. Continuing this close-up look at rock 'n roll, beginning January 1960, Twist & Shout quickly immerses the reader in the daily comings and goings of an army of performers. The book also includes listings for singles each week; a monthly Top 50 chart for only rock 'n roll singles; a lengthy biography of an artist or group at the top of the charts that month for each of the 48 months covered; and more than 250 sidebar biographies of performers, which relate to an activity on that page. 'Twist & Shout' chronicles an exciting time in America, when music was being written in the Brill Building in New York City by teens, for teens. When young entrepreneurs like Phil Spector and Gary Paxton changed the way records were produced. When novelty

records sometimes sold better than more stately efforts. When Roy and Dale and Gene didn't mean the stars of Saturday cowboy movies, but were understood by every teen to mean Roy Orbison, Dale & Grace, and Gene Pitney. As 'Twist & Shout' opens, the music of the 1960s is not markedly different from that of the late 1950s. However, major changes loom. The Twist is about to grab the nation's consciousness like no other dance step in

many years. There are revolutions brewing in the R&B world that will erupt into soul music and the rise of the Motown conglomerate in Detroit and the Stax label in Memphis. Girl groups will be all the rage for a while, and instrumental rock 'n roll bands also capture their share of the sales market. Surf music begins on the West Coast and spreads eastward. And, as American rockers take their music to England and Europe, english bands prepare for a full-scale musical assault on America.

Indorockbands ruderten gegen den Strom der üblichen Normen, sie tanzten, flirten und spielten hart, schnell und rau, und das alles mit viel Gefühl! • (2004/C&E) PAL, Deutsch, 60 Minuten plus Bonusmaterial; Obwohl das Showkünstlerpaar Charles und Erika bei entsprechender Beleuchtung ein recht ansehnliches Bild abgibt, verrät ein genauer Blick: Die beiden haben schon glamourösere Zeiten gesehen. Ständen sie doch noch in den siebziger Jahren auf den Showbühnen von Las Vegas und mit den Grossen der Welt auf Du und Du, als ihnen eine folgenreiche Verwechslung einen ordentlichen Strich durch die Karriererechnung machte. Durch ein Missverständnis in einer chinesischen Reinigung wird Charles' schicker blauer Anzug mit einem pompösen Showkostüm von Elvis vertauscht. Doch zu spät bemerkt das Glamourpaar das Versehen und blamiert sich beim abendlichen Auftritt bis auf's Knochenmark. Nicht genug, dass sie in hohem Bogen auf die Strasse gesetzt werden. Am selben Abend erfahren die beiden dann auch noch vom Tod des King, den sie für den Anzugtausch verantwortlich machen. Charles' tescher Fummel scheint für immer verloren...Doch exakt ein Vierteljahrhundert später wandelt sich das Blatt für die dato zwar geschasten, aber nicht totzukriegenden Unterhaltungsmonster. Denn aus einem persönlichen Schreiben der chinesischen Reinigung erfahren Charles und Erika nun, dass die maximal Aufbewahrungszeit des Anzugs von 25 Jahren erst am nächsten Dienstag ablaufe. Es war also gar nicht Elvis Presley, der die Anzüge vertauscht hatte. Mit allen Mitteln versuchen die beiden, nach Las Vegas zu gelangen und schrecken dabei auch nicht vor Gewaltanwendung zurück... absolut schräger Roadmovie - produziert in Bremen! sehenswert!

*Although legendary now, it's important to remember that Senior
 Soul were extremely popular in their native Los Angeles back in
 1968 and 1969, packing the clubs and even managing a Hot
 100 entry with their debut single, an infectious vibes and
 flute-filled take of Miriam Makeba's 'Pata Pata'. This 20-track
 compilation assembles the Senior's heaviest, most dancefloor
 friendly LP cuts, adding the two 1970 single sides ('Don't Lay
 Your Funky Trip On Me' and 'I Ain't Got No Soul Today') that
 feature the first recorded appearance of the line-up that would
 vault, one of which, 'The Sneak', is as groovy as anything Senior
 Soul ever released.
