Nico Feuerbach**VARIOUS ARTISTS:****Birth Of Soul, Vol.1, 2 & 3****CD KEND 123, CD KEND 147, CD KEND 189 EUR 17,75**

With these three volumes of early Soul and 60s R'n'B goodies you'll be able to turn every boring party into an easy swingin' Soul Nighter and the chicks will beg you on their knees to have the next dance with you. With all three CDs you'll have 84 songs in total and you can listen to them again and again and again! These silverplates are definitely the best on the market and the staff at Ace/Kent did an amazing job on compiling them. You'll find familiar names like Garnet Mimms, Ray Charles, Gene Chandler, The Cookies, Johnny Nash and Sam Cooke as well as less knowns like Jimmy Holiday, Bertha Tillman, The Serenaders, The Freeman Brothers or Prince La La. Included with every CD comes a nice and well illustrated booklet with tons of useful biographical and discographical information. Be sure that these comps aren't only recommended for the typical Soul Sisters And Soul Brothers of you, they'll get everyone of you for sure – no matter if you like or hate Soul! So move your butt and give us a ring! You'll know what you have to do! By the way all three volumes may also be a brilliant christmas present for your beloved ones.

Mit diesen drei Scheiben, voll gepackt mit früher Soul- und 60s R'n'B Musik, wird jede Möchtegern Party zu einem wahren Fegefeuer. Die Dinger sind dermaßen gut, dass dich jede Braut auf Knien bitten wird, den nächsten Schieber mit dir tanzen zu können. Mit allen drei CDs hast du insgesamt 84 Titel, die Du wieder und wieder hören kannst, da sie wirklich das Beste auf dem Markt dieser Art sind. Neben bekannteren Interpreten wie z.B. Garnet Mimms, Ray Charles, Gene Chandler, The Cookies, Johnny Nash und Sam Cooke, gib'ts auch die weniger bekannten wie z.B. Jimmy Holiday, Bertha Tillman, The Serenaders, The Freeman Brothers oder Prince La La. Jede CD hat ein

ausführliches Booklet mit tollen Bildern und biographischen und discographischen Informationen. Ein absolut Muss, nicht nur für Soulfreunde und vielleicht für den ein oder anderen das richtige Weihnachtsgeschenk.

Charlie Gracie
Just Hangin' Around
CD RBR 5632

EUR 15,34

This release is one of the best today's recordings I've ever heard from a 1950s artist. I think Charlie Gracie is familiar to most of you, because of his 1957 *Butterfly* song which reached high positions in the U.S. – and British charts and because of his mid-50s R'n'B recordings like *Head Home Honey*, *Wildwood Boogie* and his stunning *Frankie And Johnnie* version. These 14 recordings are in best 1950s Rock'n'Roll tradition and if you already own his 1980s recordings, you better feed your trashcan with them, because his newest output will really blow your brains out and make you jump and yell for more! Gracie really proves with these recordings that he still is a 100% Rocker and believe us, besides of his 50s recordings – this is the stuff you need!! And if you look for a good 1950s compilation, get the Stomper Time release CD CTJ 2 which includes his 1950s and early 60s output also available at Bear Family Records.

Diese Scheibe ist eine der besten, die ich bis jetzt von einem so genannten 50er Jahre Altstar gehört habe. Ich glaube mal, dass Charlie Gracie jedem mehr oder weniger bekannt

ist – nicht zuletzt wegen seines 1957er Hits *Butterfly*, mit dem er die amerikanische und britische Hitparade stürmte. Die 14 Aufnahmen auf dieser CD sind in bester Rock'n'Roll Tradition und ihr könnt seine 80er Jahre Alben getrost in die Tonne kloppen, nachdem ihr diese Scheibe gehört habt. Gracie beweist hier, dass er noch ein hundertprozentiger Rocker ist und mit dieser CD liefert er das beste seit den 50ern ab. Wer noch keine vernünftige Gracie Platte mit seinen frühen Aufnahmen besitzt, dem sei die Stomper Time CD CTJ 2 empfohlen, ebenfalls hier bei Bear Family zu bestellen!

Eugene Church
The Very Best Of ...
CD CHD 1067

EUR 17,75

Eugene Church is wellknown to all 1950s Rock'n'Roll experts because of his *Pretty Girls Everywhere* success he had in 1958 for the Class label. Besides that track this album includes 25 fantastic West Coast R&B and Doo Wop examples! The output ranges from 1956 – 1963 and during this time Church recorded for Rendezvous, Class, Syd Nathan's King label, Specialty and Modern. We really recommend this release because it's a fantastic mixture of jumpin' R'n'B tunes, early 60s Rockers and moody Doo Wop ballads. If you like this kind of 1950s and early 60s R'n'B you may check out Bobby Day on CD CHD 834 and the Class & Rendezvous Vocal Groups on CD CHD 892.

Eugene Church ist wohl jedem Rock'n'Roll Experten wegen seines *Pretty Girls Everywhere* Hits ein Begriff, den er 1958 für das Class Label verbuchen konnte. Neben diesem Titel enthält dieses Album 25 weitere, die alle dem typischen West Coast R'n'B und dem West Coast Doo Wop zuzuordnen sind. Die hier behandelten Jahre sind 1956-1963, in denen er für Labels wie Rendezvous, Class, Syd Nathan's King Label, Specialty and Modern aufnahm. Die CD ist eben aufgrund ihrer tollen Mischung aus R'n'B Rockern und stimmungsvollen Doo Wop Balladen jedem Freund der 50er Musik zu empfehlen. Wer auf diesen Stoff steht, der sollte vielleicht auch mal in die Bobby Day CD CHD 834 und in den Class & Rendezvous Vocal Group Sampler CD CHD 892 reinhören, die ebenfalls bei Bear Family erhältlich sind.

This historic CD release up-dates that long-deleted album, which features nineteen additional tracks, including two more stereo versions, together with an assortment of rare and previously unissued cuts, amongst them 'Think Of Me', 'Nervous Breakdown' and out-takes of 'Teenage Cutie'. CHARLIE FEATHERS & MAC CURTIS

ROCKABILLY KINGS...PLUS 10 BONUS TRACKS CD CHD 1053 € 17.75
 □ Rockabilly legends do not come much bigger than Mac Curtis and the late Charlie Feathers. Here is the best of their combined King Records output, presented in their best-ever sound from newly-made transfers of the original King master and session tapes. The original 'Rockabilly Kings' album was released on vinyl over 30 years ago. A landmark release by collector consensus, its reputation has never tarnished and never will. This

CD adds a further 10 masters and alternates to the vinyl's 16 - which, in the interests of authenticity, are presented here in the same running order as the original album. Ace has also retained any relevant between-song session chat and false starts, putting the listener on the studio floor with the musicians at these epochal 1950s sessions. All rockabilly collectors have known and revered this material for years, and will welcome the chance to acquire it on CD. (2005/ACE) 26 tracks with 14 page booklet

Band-Gitarrist Robbie Robertson war es auch, der dem Wahl-Kanadier 1979 einen Plattendeeal mit United Artists besorgte. Für die Aufnahmen zum 'The Hawk' betitelten Album ging RONNIE HAWKINS zurück in seine alte Heimat Arkansas in den Staaten und scharte bald ein ansehnliches Arsenal von Musikern um sich herum, u.a. Elvis' Gitarrist James Burton, Saiten-Aas Waddy Wachte!, Band-Keyboards Garth Hudson, die hier für feinstes Rock-Repertoire mit Rockabilly- und Country-Anklängen sorgen.

BARKDULL 2-CD CD CH2 992 € 23.25
 □ (2004/ACE) 53 tracks - 20 page booklet R&D's composition 'Louisiana Man' has been recorded several hundred times in the wake of their own 1961 hit version. Their original recording of it is here, along with its almost-as-famous follow up 'Diggy Liggy Lo' and their rockabilly classic 'Hey Mae' (later revived successfully by Shakin' Stevens). Their bass-singing, piano-playing compatriot Barkdull is heard on both the Kershaw's recordings and his own, which include further rockabilly classics like 'Ain't Gonna Waste My Time' and 'Too Many.' None of Barkdull's sides have ever been reissued legally on CD before.

 □ (2005/ROCKSTAR) 30 tracks (Hollywood & London sessions) In 1989 'Rockstar' released the vinyl LP 'Important Words' by Gene Vincent, which contained various studio out-takes, including false stars and dialogue. This important CD release contains all the songs from that album in this format for the first time, plus thirteen previously unissued versions. The additional tracks were recorded by Gene at the 'Capitol Tower' in Hollywood and Abbey Road Studios in London, and showcase a variety of styles which were recorded during the period 1958-61. These tracks were supervised by the legendary producers Ken Nelson (USA) and Norrie Paramour (UK). The recordings highlight Gene's versatility, performing anything from Rock 'N' Roll standars, such as 'Maybelline' and 'Rip It Up', as well as ballads like 'You Are The One For Me' and 'Where Have You Been All My Life'. 'Spaceship To Mars' was featured by Gene in the UK movie 'It's Trad, Dad' released in 1962.

SONGS - PRIMITIVE TEXAS

CD CHD 1018 € 17.75

□ (2004/ACE) 30 tracks - a Killer release !!! This prime slice of 50s Americana is an important release for all rockabilly fans as well as followers of the late great Gene Vincent. It all took place in a motel in Mineola, where a bunch of good ole boys gathered for a songwriting session convened by the motel's owner, Jack Rhodes. A guitarist in small time country outfits, Rhodes didn't take up songwriting in earnest until the early fifties by which time he was in his forties. His lyrical flair made him something of a hillbilly poet. One or two of his songs got recorded and pretty

soon he was on his way. In 1956 Rhodes' "Woman Love" got a free ride on the back of Gene Vincent's million selling "Be-Bop-A-Lula". Another of his songs, "Missing Persons", appeared on the B-side of "Gone" By Ferlin Husky a 1957 smash on the Capitol label. Most of the material consists of demos by Rhodes' acolytes There is a common thread in that Gene Vincent recorded five of the songs heard here and tried out at least three others written for him in the wake of "Be-Bop-A-Lula". The original denos of "Red Blues Jeans And A Pony Tail", "B-I-Bickey-Bi-Bo-Bo-Go" and "Five Days Five Days" are also heard here for the first time.
