Straight To Watts – The Central Avenue Scene
1951-54, Vol.1

CD CHD 868 EUR 17.75

Straight To Watts is a stunnish compilation of jumpin' hot West Coast R'n'B music, recorded in Los Angeles for Jake Porter's Combo label. Featured are well known artists like Chuck 'Motorhead Baby' Higgins – here with a previously unreleased take of his *Motorhead Baby* Rocker, Johnny Moore & his Three Blazers together with

Floyd Dixon doin' the vocals and Ernie Fields, who later became pretty popular with his Imperial recordings and rockin' instrumental interpretations of older tunes, mostly from the jazzy section, like Glenn Miller's *In The Mood* which bombed Fields right up to Billboard's Top Ten in 1959! One of the less knowns on this disc is Jake Porter the Combo label owner who also had his own band and backed up many of the Combo recording artists. He also had some single releases under his name and three pieces of his musical output are included here on this splatter platter plus tons of other unknowns like Brother Woodman doin' *Hi Ho Silver*, Frustrated Betty Hall Jones, an artist called Palmer with an unbelievable version of *Hot Dog! That Made Him Mad!*, which later got some popularity after Wanda Jackson recorded it as a Rockabilly song in 1956. This groovy jumpin' and houseshakin' silverplate is a unavoidable thang for all black Rock 'n' Roll lovers and R'n'B collectors who look for something special!

Straight To Watts ist eine hammerharte musikalische Zusammenstellung von heisser Jump R'n'B Musik, aufgenommen in Los Angeles für Jake Porter's Combo Label. Vertreten sind einige bekanntere Interpreten, wie z.B. Chuck 'Motorhead Baby' Higgins – hier mit einem Outtake seines groovenden *Motorhead Baby* Rockers, Johnny Moore & his Three Blazers zusammen mit Floyd Dixon am Gesang und Ernie Fields, der Ende der 50er Jahre für das Imperial Label rockige Instrumental Interpretationen von meist älteren Jazz Songs machte und es u.a. mit Glenn Miller's *In The Mood* bis in die Top Ten der Billboard Charts schaffte. Einer der unbekannteren Interpreten ist Jake Porter, dem das Combo Label gehörte, der aber auch unter seinem Namen Platten aufnahm und ansonsten auch andere Interpreten mit seiner Band bei ihren Aufnahmen unterstützte. Drei seiner Songs sind auf der Scheibe enthalte, plus einer Menge anderer „Unknowns“, wie Brother Woodman mit *Hi Ho Silver*, Betty Hall mit *Frustration*, *Frustration*, und eine Sängerin mit dem Namen Palmer, über diese nichts bekannt ist, die hier aber eine klasse Version von *Hot Dog! That Made Him Mad!* hinlegt, das den Rock'n'Rollern gerade durch Wanda Jacksons Rockabilly Version ein Begriff sein müsste. Diese silberne Teil ist unumgänglich für alle Black Rock'n'Roll Liebhaber und

Rhythm 'n' Blues Sammler, die nach etwas wirklich Besonderem Ausschau halten.

Central Rocks! The Central Avenue Scene
1951-58, Vol.2

CD CHD 1037 EUR 17.75

This is the fuckin' second volume of these hipshakin, housebreakin' and neckbrackin' Combo Rockers! Also fully packed with tons of hot 1950s R'n'B stew which will make your fresh boiled hot coffee tasting like a glass of cold flat water! Man, this stuff will definitely kill you and if you should forget to throw in your high blood pressure pills into your blabbering mouth BEFORE you turn up the volume I guarantee that your wife will think that she's married to an out of control come jackhammer and the next time you'll meet her will be at the divorce court, man! Is it that what you want? Is the straightjacket the latest style you'd like to wear? Do you wanna lose all your records, your music, your heartblood? Think about the maintenance payments!!! Man, I understand that you'd like to get out of control while you're listenin' to these tunes! But please let the furniture be where it is, and stop doin' the Limbo dance with the walking stick of your mother-in-law! She will hate you and you can forget the legacy! No need acting like that, ok? Again 24 tracks, artists like Ernie Fields, The Great Gates, Jack McVea, Brother Woodman, Rozelle Gayle and Mamie Ree together with the Young Wolf!! You can find the unemotional information in the review of *Straight To Watts* but if you call yourself a wildcat you'll understand what I mean! And see that you get BOTH volumes, because we don't dig imperfect stuff! Got me?

Das ist die zweite Scheibe vollgepackt mit weiteren Rockern, aufgenommen für das Combo Label in Los Angeles. Ja vollgepackt! Vollgepackt mit 24 weiteren heißen 50s Rhythm'n'Blues Knallern die deinen gerade frisch gebrühten Tengelmann Kaffee wie ein kaltes schales Glas Wasser schmecken lassen werden! Und vergiss' nicht deine Blutdruckpillen einzuschmeißen, BEVOR du den Lautstärkereger hochreiss! Ansonsten wird deine Göttergattin denken, sie sei mit einem außer Kontrolle geratenen Presslufthammer verheiratet und das nächste Mal, wo ihr euch sehen werdet, wird das Scheidungsgericht sein. Ist es das was Du Willst? Soll die Zwangsjacke der letzte Modeschrei in deinem Leben sein? Willst du deine ganzen Scheiben verlieren, deine Musik, dein Herzblut? Mann, denk über die Unterhaltszahlungen nach!!! Und all das nur,

BEAR TIPS / STAFF SELECTIONS

weil du die Möbel nicht an ihrem Platz hast stehen lassen und die Gehilfe deiner Schwiegermutter zum Limbotanzen benutzt hast und sie dadurch den Musikantenstadl verpasst hat? Sie wird dich berechtigt hassen – und das Erbe kannst du dir, neben deiner Pomade, in die letzten drei Haare schmieren! Also nicht übertreiben und runterkommen, auch wenn wir deine Reaktionen verstehen können! Alle die diese emotionale Besprechung nicht verstehen, können den emotionslosen Part in der *Straight To Watts* Besprechung lesen. Die Dinger werden euch so oder so von den Hockern fegen und denkt dran es gibt zwei Volumes (CD CHD 868 und CD CHD 1036)! Wir mögen keine halben Sachen und ihr braucht den ganzen Stoff! Peace, Bruder!

RAYBURN ANTHONY
My Baby's Car Crazy
CD RBR 5626 EUR 15.34

This is one of the latest Rhythm Bomb Records releases and it features one of today's best 1950s recording artists – the Sun label Rocker Rayburn Anthony. Rayburn recorded three 45rpm records for Sam Phillips' legendary Sun label between 1959 and 1962 and his most known songs are *Alice Blue Gown* and his version of the *St. Louis Blues*. This man still has a very strong and very

clear voice which reminds me a lot to the great Johnny Cash. Rayburn wrote all songs on this album and really proves that he's also a brilliant songwriter. Some of the real cool songwriting examples are *Invisible Man*, *Somebody Hurt Her Bad*, *Absolutely Positively Gone* and *Yesterdays Blues!* Anthony really is the only rocking storyteller I know! Grown-up music, perfectly recorded, fantastic Back-up Band, great songwriting and an AAAA+ voice – it's a pleasure to listen to him! All lyrics are included in the CD booklet – just for the case if you want to sing along with him but if your voice sounds like rusty watering can, you better let him takin' the song part! We are sure that you'll enjoy this Rhythm Bomb release and are proud to present this musical high quality output!

Diese Scheibe ist eine der aktuellsten Rhythm Bomb Veröffentlichungen und mit dem Sun Rocker Rayburn Anthony wieder einmal ein 100%iger Treffer. Rayburn nahm zwischen 1959 und 1962 der 45rpm Singles für Sam Phillips' legendäres Sun Label auf und seine bekanntesten Songs sind wohl *Alice Blue Gown* und seine Version vom *St. Louis Blues*. Unglaublich was für eine klare und feste Stimme dieser Mann noch hat, welche sehr an den großen Johnny Cash erinnert. Rayburn hat ausschließlich alle Songs auf diesem Album selbst geschrieben und beweist damit, dass er auch ein sehr guter Songwriter ist, wie z.B. Songs wie *Invisible Man*, *Absolutely Positively Gone*, *Somebody Hurt Her Bad* und *Yesterdays Blues* beweisen! Für mich der beste rockige Storyteller dieses Planeten! Erwachsene Rock'n'Roll

Mucke, perfekt aufgenommen, fantastische Band, super Songwriting und eine 1A Stimme – es macht Spaß ihm zuzuhören! Alle Texte sind im Booklet abgedruckt, falls ihr mitsingen wollt, aber sollten eure Stimmen wie Katzen klingen, denen man auf den Schwanz getreten ist, überlasst den Part, dem der es kann! Wir sind sicher, dass ihr diese Rhythm Bomb Scheibe mögen werdet und sind stolz darauf euch dieses musikalische Kleinod präsentieren zu dürfen.

THE REVENANTS
Artists And Whores – 14 Fabulous Hits
CD EP 1019 EUR 16.90

The Revenants are an impressive example of best Americana music, recorded in 1998 in Tempe, the heart of Arizona. The reasons why we feature this great musical work is, because nobody here in Europe knew about the band which definitely was one of the firsts who started the Americana boom which got more and more

popular with bands like Uncle Tupelo and Lucinda Williams. 13 of the 14 songs on this album are written by Bruce Cannole, who also does the vocals and who also is an extremely good songwriter, which really is necessary for the Americana music. A mixture of hot and groovy desert sounds like *Dead And Gone*, *That Girl Is Insane* and *Every Single Minute* and melancholy sounds like *Prodigal Son*, Jody Reynold's *Endless Sleep* and *Flower On My Grave*. Guest musicians on this silverplate are some of the Cream of Arizona music like Al Casey, Ken Skaggs and Clarke Rigsby. If you like Lucinda Williams, Loretta Lynn's Van Lear Rose, Calexico, Los Lobos, Uncle Tupelo or the Seatsniffers, this is something you definitely need. Highly recommended!

Die Revenants sind ein beeindruckendes Beispiel bester Americana Musik, aufgenommen 1998 in Tempe, dem Herzen Arizonas. Der Grund warum wir diese CD jetzt erst besprechen, ist ganz einfach: niemand hier in Europa hat das je getan, weil niemand um diese Band wusste, die eine der ersten Americana Bands waren und in einem Zuge zusammen mit Lucinda Williams und Uncle Tupelo genannt werden müssten. 13 der 14 Songs sind von Bruce Cannole geschrieben, der auch der Frontmann der Band ist. Das Songwriting ist gerade bei der Americana elementar und Cannole beweist durch die Bank weg, daß er es drauf hat. Groovige uttempo Desert Sounds wie *Dead And Gone*, *That Girl's Insane* und *Every Single Minute* sind neben den melancholischen stimmungsvollen Balladen wie *Flower On my Grave*, Jody Reynold's *Endless Sleep* oder *Prodigal Son* vertreten. Als Gastmusiker finden wir einige der Creme de la Creme der Arizona Musik Szene wie Al Casey, Ken Skaggs und Clarke Rigsby. Wenn ihr auf Lucinda Williams, Uncle Tupelo, die Seatsniffers, Calexico, Loretta Lynn's Van Lear Rose und Los Lobos steht, sind die Revenants unumgänglich.

FEAT. JAMES BURTON)

CD CAP 35993 €10.90

□ (2005/CAPITOL) 10 tracks 1979 (UA-LA 968) - digital remastered Eine echte Perle, die da aus den Untiefen des Katalog-Repertoires ausgegraben wurde: RONNIE HAWKINS war nicht nur ein höchst dynamischer Rock 'N' Roller der späten 50er und 60er Jahre (Bob Dylan nannte ihn 'my idol', für John Lennon war er 'Sir Ronnie'), er leistete indirekt auch einen wichtigen Beitrag zur Entwicklung der nordamerikanischen Rockmusik - aus seiner Begleitcombo THE HAWKS erwuchs zuerst die Backing Band von Bob Dylan und daraus dann die Rock-Legende THE BAND (parallel erscheint gerade die 5 CD/1 DVD-Box 'A Musical History'). Band-Gitarist Robbie Robertson war es auch, der dem Wahl-Kanadier 1979 einen Plattendeal mit United Artists besorgte. Für die Aufnahmen zum 'The Hawk' betitelten Album ging RONNIE HAWKINS zurück in seine alte Heimat Arkansas in den Staaten und scharte bald ein ansehnliches Arsenal von Musikern um sich herum, u.a. Elvis' Gitarrist James Burton, Sallen-As Waddy Wachtel, Band-Keyboards Garth Hudson, die hier für feinstes Rock-Repertoire mit Rockabilly- und Country-Anklängen sorgen.

IMPORTANT WORDS

CD RSR 027 €18.90

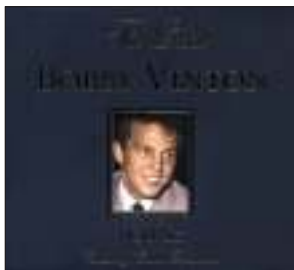

□ (2005/ROCKSTAR) 30 tracks (Hollywood & London sessions) In 1989 'Rockstar' released the vinyl LP 'Important Words' by Gene Vincent, which contained various studio out-takes, including false stars and dialogue. This important CD release contains all the songs from that album in this format for the first time, plus thirteen previously unissued versions. The additional tracks were recorded by Gene at the 'Capitol tower' in Hollywood and Abbey Road Studios in London, and showcase a variety of styles which were recorded during the period 1958-61. These tracks were supervised by the legendary producers Ken Nelson (USA) and Norrie Paramour (UK). The recordings highlight Gene's versatility, performing anything from Rock 'N' Roll standards, such as 'Maybelline' and 'Rip It Up', as well as ballads like 'You Are The One For Me' and 'Where Have You Been All My Life'. 'Spaceship To Mars' was featured by Gene in the UK movie 'It's Trad, Dad' released in 1962.

Jackson's rarer albums: Live sessions culled from his time on the
road plus his own Elvis tribute album. Gutsy and highly-emotive
stuff from a singer who had/had a magnetic onstage presence.
His Elvis tribute contains unique performances that are ranked as
the most sincere of this well known repertoire.**JAMES LAST**
