□ (2004/ACE)...Gospel Songs" 24 tracks Ace's second dip into the early 60s Hickory Catalogue of the 'King Of Country Music' combines his thematically linked fifth and sixth albums for the label. Both albums were originally released in 1963, and both feature Acuff in what, by common consensus among Acuff experts, is possibly the best voice of his long career. These album cover traditional American folk ballads and jubilee-style white gospel, with some of the most famous songs in both genres being featured along the way. Beautifully remastered from original first-generation Hickory Records master tapes, both albums are being reissued here on CD for the first time complete. More than 75% of the tracks have been unavailable for over 39 years.

MICHAEL BALLEW

I LOVE TEXAS BCD 15669 €15.34

YOU BETTER HOLD ON BCD 15896 €15.34

☐ Er macht das, was man 'Outlaw Music' nannte, Michael Ballew hat absolut nichts gemeinsam mit den singenden Ken und Barbie Puppen, die aus Nashville kommen. Dies ist startanisch unterproduzierte Musik, die es erlaubt, das Gewicht ganz auf die Songs zu legen. Die dreizehn Titel enthalten u.a. Damned Old Beer, Songs On The Radio, All Alone In San Antone und Where Are The Rangers. Making what they used to call 'outlaw' music, Michael Ballew has absolutely nothing in common with the singing Ken and Barbie dolls coming out of Nashville. This is spare, underproduced music that allows the focus to settle firmly on the songs. Thirteen titles include, Damned Old Beer, Songs On The Radio, All Alone In San Antone, and Where Are The Rangers.

LIVE AT GRUENE HALL BCD 16167 €15.34

☐ Nun, die ist Country', sagte ein Kritiker. 'Einige Burschen in einer texanischen Kneipe.' Ballew's Lieder sind ein Spiegelbild von Leben und Musik in Texas. Viel Country, etwas Swing, eine Prise Tex-Mex. Es ist der Klang warmer Nächte und kalten Biers. Unter den 18 Titeln sind Damned Ol' Beer, I Can't Drive Home, Texas Gal, I'm Leavin' These Honky Tonks, Sixteen Tons, The Cowboy And The Preacher und I Love Texas. Now this, said one reviewer, 'is country. Just a couple of guys in a Texas honky tonk.' Ballew's songs are a tapestry of Texas life and music. A lot of country, a little swing, a taste of Tex-Mex. It's the sound of warm nights and cold beer. The 18 titles include Damned Ol' Beer, I Can't Drive Home, Texas Gal, I'm Leavin' These Honky Tonks, Sixteen Tons, The Cowboy And The Preacher and I Love Texas.

NO PAIN CD NP 102 €15.34

☐ (2005/SOUL OF THE HEART) 18 tracks (63:40) I can say in all honesty... this is truly home grown music from the Heart of Texas, performed with the same musicians I work with night after night. It's so easy in this digital age for musicians to record their own CD. Good friends sitting in a circle, pouring their hearts out and having a party in the zero pressure atmosphere of my Hill Country home on the shores of Lake LBJ is exactly what I did with this collection of Texas music from me and my old friends. 'No Pain' is a compilation of 18 new and old songs I've written the years with the exception of one Honky Tonk standard written by my song writing hero, the late great Harlan Howard. The concept for this album is an idea I've been kicking around for some years

now and I hope you have as much fun listening and dancing around as we'd bring it to you. - Michael Ballew -

☐ Er war der Original-Outlaw, der Original Nashville Rebel und dies sind seine frühen, großartigen Songs. Nach dem Start bei

Capitol 1956 nahm Bobby All American Boy auf (veröffentlicht unter dem Namen von Bill Parsons) und unterschrieb dann bei RCA im Jahre 1962. Wir bringen die Geschichte bis 1965 voran, wir haben auch seine seltenen Aufnahmen in deutscher Sprache eingebunden ebenso wie all seine frühen Hits, darunter Detroit City, 500 Miles Away From Home, Miller's Cave und Four Strong

Winds. Sammler bemerken, daß alle Fraternity Songs dabei sind (inclusive des originalen All American Boy) ebenso wie sie super-seltenen Capitol und Challenge Singles, zudem alle RCA Singles und LPs bis 1965. Die großartigen und frühen Arbeiten von Bare! He was the original outlaw, the original Nashville Rebel, and these are his early and great recordings. After starting with Capitol in 1956, Bobby went on to cut All American Boy (issued under Bill Parsons' name), and then signed with RCA in 1962. We take the story up to 1965, and we've included his rare German language recordings as well as all the early hits like Detroit City, 500 Miles Away From Home, Miller's Cave, and Four Strong Winds. Collectors note that all the Fraternity recordings are here (including the original All American Boy), as

well as the super-rare Capitol and Challenge singles, and all the RCA singles and LPs 'til 1965. The great and early works of Bare!

☐ Kurz nachdem Bobby 1972 zu RCA zurückkehrte nahm er eine komplette LP mit Songs des legendären Songschreibers,

Cartoonisten und Humoristen Shel Silverstein auf. Das Album lieferte dreinHits, Daddy What If, Marie Laveau (Bobbys erster No. 1 Hit überhaupt) und The Winner. Zehn weitere Songs sind geprägt von Silversteins verrückter und oft ironischer Ader für Country Songs. Viele sehen dieses als Bobbys bestes Album überhaupt an. Soon after Bobby returned to RCA in 1972, he recorded an

entire LP of songs by the legendary songwriter, cartoonist and humorist Shel Silverstein. The album yielded three hits, Daddy What If, Marie Laveau (Bobby's first ever #1 hit) and The Winner. Ten other songs feature Silverstein's weird and often ironic twist on the country song. This is regarded by many as Bobby's best-ever album!

Way Ticket To The Blues- Alone At A Table For- Hearts Later- Four Walls- Five Fingers To Spare- Whiskey Six Years Old- Seven Lonely Days- Eight Weeks In A Barroom- Apartment #9- Ten Minutes- A-11- The Twelfth Of Never- Thirteen Steps Away

□ (2005/GOFFIN) 13 tracks This tiny Texas brunette beauty, with a power house voice, just happens to be my personal favorite of the new generation Rock-A-Billy singers.

However this collection of songs shows us her ability to handle Country ballads and toe tappers with equal ease. What a creative idea of having the song titles correspond with their numeral order. You will hear songs like 'One Way Ticket To The Blues', 'Four Walls', 'Whiskey Six Year Old', 'Apartment #9', 'The Twelfth' Of Never,' plus eight others. All of the songs have fantastic music harmonies; then you add Marti's fine voice and here is an album that is to sure to become a favorite of mine and yours, so enjoy. - Marti's friend always...WANDA JACKSON A wonderful CD that no true blue country fan should be without... - (2004 'Telarc') (54:21/12) Texas Country Music. Die satte Bassstimme und seine Doppelhalsgitarre (eine Spezialanfertigung und Kombination aus 6-saitiger- und Lapsteel-Gitarre) sind seine Markenzeichen. Live ist er jedoch dafür bekannt, im Zugabenteil seine gepflegte Country-Attitüde zusammen mit seinem Jacket abzulegen und begleitet nur von Snare Drum und akustischer Gitarre bei minutenlangen Solopassagen Jim Hendrix in den Schatten zu stellen. Einen Eindruck davon vermittelt hier 'Foxy Lady' und ein 10-minütiger Slowblues. Crazy, dieser Typ! / Texas Country Music. Junior Brown is famous for his deep baritone vocals and the doubleneck guitar, a custom made twin-set of a regular electric 6-string with a lapsteel guitar. Live, he's famous for his Hendrix feature during the encores. Backed only by acoustic guitar and snare drums, he'll turn loose, taking off his jacket and playing some of the meanest Hendrix-style guitar ever heard! You'll get the idea when listening to 'Foxy Lady' on his first album for the Telarc company.

LIVE AT THE CONTINENTAL CLUB

- CLUB CD TLR 83637 €18.90
- (2005 'Telarc') (52:36/12) Recorded live at the Continental Club, Austin, Texas, April 3 & 4, 2005 - 1987 engagierte Steve

Wertheimer, Besitzer von Austins berühmten Club, einen unbekanntem Countrysänger und -gitarristen. Von nun an spielte Junior Brown jeden Sonntagabend im Continental Club, anfangs vor leeren Rängen, dann vor vereinzelt Fans und schließlich vollem Haus.

Nach Unterzeichnung eines Plattenvertrages und damit verbundener Popularität standen jetzt Sonntagabends endlose Schlangen vor der Tür und begehrten Einlaß.

Ich habe Junior Brown 1991 dort gesehen — und war hin und weg. Begleitet lediglich von seiner Frau Tanya Rae auf der akustischen Gitarre spielte Brown zunächst einen langen Set Country Music. Seine Art, die spezielle Doppelhalsgitarre, seine Guilt-Steel zu spielen, war selbst bei konventioneller Cowboymucke beeindruckend. Absolut verrückt jedoch wurde es, als er seine elegante Anzugjacke auszog und begann, eine unglaubliche Version von 'Red House' hinzulegen. Wir alle im Publikum tobten und johlten. Für mich eine der nachhaltigsten Erinnerungen in 25 Jahren Musikgeschäft. Hendrix spielt er auf dieser Live-CD zwar nicht; doch sein 9-minütiger Rock'n'Roll-Medley hat auch was! Gutes Livealbum. Nur, wer ist der Schlagzeuger Ihn hat man im Booklet vergessen ... / For five years Junior Brown, country singer and (steel-)guitar player extraordinaire, from 1987-92, played Austin's Continental Club, every sunday night. Even when on the way to stardom he returned whenever possible. So it was a natural fact that he would record his first live album in Austin. Backed by bass, drums (who is that guy He's not mentioned on the booklet and tray card), and his wife Tanya Rae on rhythm guitar he plays a set of country music before starting his 9.30mins rock'n'roll medley, a fine showcase. Good live CD. JUNIOR BROWN - guit-steel gtr, TANYA RAE BROWN - gtr, JOHNNY PENNER - bass, unknown - drums.

PETER CAULTON

- HARD ROAD TOUGH COUNTRY BCD 16301 €15,34
 RAINING ON THE ROCK BCD 16392 €15,34

□ Hier ist die zweite Bear Family-Veröffentlichung von Peter Caulton, dem Grammy-nominierten Australier mit der grossen Stimme und starken Texten. In Melbourne, Australien aufgenommen, birgt dieses Album wunderschöne Melodien und Texte über den Outback, die Strasse, Eisenbahnromantik und Liebe. 'Raining On The Rock', mit diesem Lied ist natürlich der Ayers Rock gemeint. Sehr selten bekommt er Regen ab, aber wenn, dann erblühen die Wildblumen um ihn herum und es ist ein wunderschöner Anblick. 'Son Of The Southwind' ist ein Duet mit dem australischen Sänger Noel Watson, dessen grosse Stimme ihm bereits einige Preise eingebracht hat. 'Capricorn Rain' wird Ihre Seele beflügeln, 'This Wounded House' Ihr Herz brechen, 'Between The Saddle And The Ground' schlicht umhauen und schliesslich ruft Meisterdexter Joe Black mit 'The North Coast Mail' romantische Eisenbahnerinnerungen wach. Wenn Sie also demnächst mal wieder im Stau stehen und das ewige Top Hits- und Technogeplare an den Nerven zerrt, dann werfen Sie einfach diese CD ein und gewinnen Ihnen

Seelenfrieden wieder. Handgemachte Musik voll Hingabe, Seele und Zauber wird Sie aus dieser Welt entführen.

☐ Buck Owens hatte seine Schulden, Merle Haggard auch, deshalb muß es nun an der Zeit für Tommy Collins sein, etwas Anerkennung zu finden. Tommy war der Pate des Bakersfield Sound. Dieser Set ist das Ergebnis einer ganz persönlichen Suche von Bear Family, diese klassischen Aufnahmen wieder zugänglich zu machen. Jeder, der Gefallen an Buck'n Merle hat, kann dies mit absolutem Vertrauen kaufen. Wir hören Buck als Session Musiker bei

vier von Tommy's Aufnahmen, später nahm er ein Tribute Album an Tommy auf. Merle nahm Leonard als Tribut auf. Sie wußten wie großartig Tommy war und wie wichtig seine Platten, auch wenn sie jahrelang nicht erhältlich waren. Nun haben wir seine Morgan, Capitol und Columbia Aufnahmen dokumentiert, um ihm gerecht zu werden. Unter den 144 Aufnahmen sind High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine and If You Can't Bite Don't Growl. Buck Owens has got his due, Merle Haggard too, so surely it must be time for Tommy Collins to get some recognition. Tommy was the Godfather of the Bakersfield Sound, and this set is the result of a personal quest on the part of Bear Family to make his classic recordings available again. Anyone with a taste for Buck'n Merle can buy this with absolute confidence. In fact, we hear Buck as session picker on four years of Tommy's recordings, and he later cut a tribute album to Tommy. Merle cut Leonard in tribute. They knew how great Tommy was and how important his records were, even though they've been out-of-print for years. Now we've documented his Morgan, Capitol and Columbia sides to set the record straight. The 144 titles include High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine, and If You Can't Bite, Don't Growl.

 (So wie JESSE DAYTON macht sonst keiner Country Music. Der
 am Golf von Mexico aufgewachsene DAYTON hat eine
 musikalische Bandbreite, die vom klassischen Honky Tonk über
 den Rock des BIG BOPPER bis zum Blue Eyed Soul von COOKIE
 AND THE CUPCAKES reicht. Sein neues Album 'Country Soul
 Brother' (auf seinem eigenen Label veröffentlicht) beweist, was
 Unabhängigkeit und Freiheit für einen Künstler ausmachen
 können. Da trifft der erwähnte Blue Eyed Soul auf
 unberechenbaren Country, ganz im Stile von George Jones,
 Conway Twitty, Charlie Rich und Jerry Lee Lewis. JESSE DAYTON,
 den Johnny Cash voller Respekt als 'anders' bezeichnete, wird
 von den GROSSEN seiner Zeitfuge als Gastmusiker
 eingeladen. So hat ihn Waylon Jennings, die Picking Parts auf
 'Right For The Time' zu übernehmen, er zeigt sich
 mitverantwortlich für den Countryrock Klassiker 'Must've Been
 High' der SUPERSUCKERS und er spielte mit Willie Nelson, Mike
 Ness, Merle Haggard, Dwight Yoakam , Lucinda Williams und
 den The Dixie Chicks zusammen. Auf 'Country Soul Brother' hat
 DAYTON eine illustre Schar an Gästen versammelt, darunter
 Redd Volkaert, Gary Primich, Bradley Jaye Williams und Carolyn
 Wonderland, DB Harris sowie Eddie Spaghetti.

BALDEMAR HUERTA: EL RAY DEL

TEX-MEX CD CORA 059 €14.90
 ☐ (2003/CORAZONG) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr: 1 Hits - darunter 'Wasted Days And Wasted Nights' und 'Before The Next Teardrop Falls' - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahm, Augie Meyers und Flaco Jimenez die Tex-Mex Supergruppe 'Texas Tornados', die für Reprise drei Alben einspielte. Das vorliegende Album enthält 20 Songs, die Fender

-geborener Baldemar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

God Bless The Wine- One Woman's Life- Tennessee Whiskey- I've Never Loved Anyone More- Hole In The Universe- Pretty Little Panacea- Other Side Of Goodbye- Never Crossed A Bridge- Surrounded My My Own- Dreamin'- Pour It Out- I'll Live On
 □ (2005/PANACEA) 12 great new originals: This Florida-born true woman-child of the South recorded for Elektra, Capitol and RCA in the 1970's and released

independent gospel albums in the 80's. She was without peer or role model when she arrived in Nashville in 1970. There were no woman playing guitars on sessions, much less master sessions. There were less than a handful of woman songwriters. Within a year, Linda was playing on records with A-Team players and having her song recorded by major recording artists. She wrote #1 hits for George Jones- "Tennessee Whiskey" and Johnny Rodriguez- "Just get up and close the door" as well as other chart hits and award-winning songs for Olivia Newton-John, Lynn Anderson, Marty Robbins, Leon Russell, Michael Nesmith, Ernest Tubb, Tammy Wynette among many others. Diagnosed with leukemia in 1986, Linda underwent an experimental bone marrow transplant in 1990. She has just released this self-produced, self-engineered CD "One woman's life"- a semi-autobiographical chronicle of her incredible life and times.

EMMYLOU HARRIS

LUXURY LINER CD 27338 €13.90
 STUMBLE INTO GRACE (US) CD 79805 €21.50

□ While Harris has always sounded as if both earthly and spiritual grace were created with her in mind, when she sings, it seems she can no more stumble than a dolphin can be taught to walk on dry land. Stumble into Grace finds Harris following in the same creative path she began to pursue with Wrecking Ball and Red Dirt Girl, which isn't to say that the influence of her country-influenced material is more felt than heard as she dips her toes into the spectral and atmospheric accents of folk, indie pop, and world music. / Eine gelungene, wenn auch ungewöhnliche Mischung aus Country, Folk, Indie Pop und World Music. LIVIN' THE DREAM CD RAY 5776 €18.90
 □ (2004 'Rayman') 11 tracks Ray, vielen Fans bekannt als Mitglied der Herndon Brothers Band, begibt sich mit dieser Veröffentlichung auf Solo-Pfade. Aber solo heißt nicht, dass er allein auf Country-Entdeckungsreise ging. Nein, bei diesem Trip halfen ihm u. a. Jessi Colter, Clint Black und Lyle Lovett. Was man überdeutlich hört, denn das hier ist Americana, Roots und Rock vom Feinsten. Ein liebevolles Album, mit viel Liebe gemacht / Ray, well known as a member of the Herndon Brothers Band, goes solo with this twelve track country-gem. But solo doesn't mean he's rollin' alone on his new country-excursion. No, Ray has gathered a bunch of helping hands, such as Jessi Colter, Clint Black and Lyle Lovett among others. And it shows, because this is Americana, roots, country, rock (you name it) at it's best. A labour of love. (jg)

ANTHONY MICHAEL JAMES

OLD FRIENDS CD VT 1572 €17.50
 □ (2004 'V-Tone') 10 tracks O.K., mal wieder ein neues Gesicht am Countryrock-Firmament. Aber Anthony Michael James hat seine Lektionen gelernt, spielt und singt so gut, dass es selbst die alten Heroen wohlwollend grinsen lässt. Nicht zu vergessen seine Begleiter: u.a. Drummer Mike Kennedy (George Strait Band) und Fiddler extraordinäre Tim Crouch. - O.K., just another new face on the country music circuit. But Anthony Michael James knows his trade and plays and sings so good to make even the oldest dogs around smile. And notable are his sidekicks, such as drummer Mike Kennedy (George Strait Band)

and fiddler numero uno Tim Crouch. Ten heartwarmin' tracks from a guy with huge potential, a guy to reckon with. (Jg)

 □ The voice of Jeannie Kendall is one of the most memorable in country music, showcased here in a brilliant acoustic-based setting with support from some of the best players in the business, including Union Station (on four songs), Rob Ickes, Stuart Duncan and Ron Stewart. With guest vocals by country and bluegrass stars Steve Gulley, Alan Jackson, Alison Krauss, Allison Moorer, Ricky Skaggs and Rhonda Vincent, the supporting harmonies are sublime. As half of the Grammy-winning duo, The Kendalls (with her father, the late Royce Kendall), Jeannie struck gold with the number one country hits 'Heaven's Just A Sin Away', 'Sweet Desire' and 'Thank God For The Radio,' but her solo debut may be her most heartfelt and timeless recording yet. MOUNTAIN SOUL CD EK 85651 €19.90

ON YOUR WAY HOME (CD &
 BONUS DVD) CD EK 86620 €19.90

□ For On Your Way Home, Patty Loveless stays close to
 theacoustic arrangements that made her previous album, 2001's
 Mountain Soul, so compelling. But with the help of
 husband/producer Emory Gordy, she saddled some rhythmic
 drive and pungent electric guitar by way of rockabilly and
 traditional rock 'n' roll. Loveless rides the rockin' rhythm track with
 a frenetic reading that captures the intensity of these sensual
 pleasures the lyrics speak of. But nothing tops the
 emotional depth she brings to 'The Grandpa That I
 Know', a bittersweet
 reflection on the abyss left
 by a grandfather's
 passing. / For On Your
 Way Home, ebenfalls ein
 Akustikalbum, wie das
 2001er Mountain Soul
 Album, aber mit kerniger
 Rockabilly und Rock'n'Roll
 E-Gitarre, gespielt von
 ihrem Ehemann und
 Produzenten Emory Gordy.
 Loveless bewegt sich
 souverän durch die Lieder
 und ein besonderer
 Anspieltip ist The Grandpa
 That I Know!

ELENI MANDELL

- COUNTRY FOR TRUE LOVERS CD LIT 07 €17,90
 □ Der Titel sagt alles, hier kommt eine 100% amerikanische
 Country Platte auf dem Partnerlabel von VooDoo Rhythm Rec.
 Gut abgehangene Songs und sehnsüchtige Balladen von einer
 tollen Sängerin die auf diesem Album einen gelungenen
 Abstecher von ihrem sonst üblichen Stylish Neo-Lounge Sound
 macht. Diese Platte könnte den Durchbruch für Eleni bedeuten,
 eine der am meisten unterschätzten Musikerinnen im
 Business/100% American Country Music on the subsidiary of
 VooDoo Rhythm Records. Great songs including sensitive ballads
 far away from the usual stylish Neo-Lounge Sounds! This album
 could be her breakthrough! One of the most underestimated
 female artists in the music business!

- CD RCA 54207 €19,90
 □ It's been four years since Martina McBride released an all-new
 studio album, and on this eponymous long-player, she
 sounds energized by the message of female empowerment in her
 songs. The album's celebratory tone is aptly expressed in the
 infectious 'This One's for the Girls,' an homage to self-reliance
 and fearlessness in love that's driven by pounding drums and
 waves of heavy rock guitar. / Ihr erstes Studioalbum seit vier
 Jahren! Sie beschreibt das Erwachsenwerden eines Mädchen
 mit all den Vor- und Nachteilen, musikalisch durch kraftvollen

 SWEET TALK & GOOD LIES CD ROU 3179 €16.90
 □ With a voice that can be as rough or tender as the emotions she lays bare in her music, Heather Myles sings country music with honesty, deep feeling and plenty of honky tonk swagger. As Chet Flippo wrote, "Myles has more brass than a hardware store." With a nod to the independent spirit of forebears like Merle Haggard and Loretta Lynn, this set of Myles originals (as well as surprising covers of "By The Time I Get To Phoenix" and "Cry Me A River") presents a country music sound as vital as any you're likely to hear. Includes "Little Chapel," her duet with kindred soul Dwight Yoakam. - Highlight Album !

MOLLY O'DAY

CUMBERLAND MOUNTAIN
FOLKS 2-CD BCD 15565 €30.68
□ Man bezeichnete sie als den 'weiblichen Roy Acuff' wegen der
Art, in der sie reine Mountain Music auf voller Kehle sang. Ihre
Begleitung enthielt alle traditionellen Instrumente wie die Dobro
und Fiddle. Mac Wiseman und Carl Smith gehören zu den
Prominenten, die bei ihren Sessions mitwirkten. Diese 36 Titel
sind alles, was Molly für Columbia (1946-1951) aufnahm. Zu
den Songs gehören Tramp On The Street, When God Comes
And Gathers His Jewels, The Black Sheep Returned To The Fold,
The Tear Stained Letter, The First Fall Of Snow, Poor Ellen Smith,
Heaven's Radio, Don't Sell Daddy Any More. Whiskey ebenso
wie die ersten aufgenommenen Versionen von zwei Hank
Williams Songs: On The Evening Train and The Singing
Waterfall. Echte Mountain Music! They called her 'the female Roy
Acuff' for the way she sang pure mountain music in a
full-throated style. Her backings featured all traditional
instruments, like the dobro and fiddle. Mac Wiseman and Carl
Smith are among the luminaries who worked on her sessions.
These 36 titles are everything Molly recorded for Columbia
(1946-1951). Songs include 'Tramp On The Street, When God
Comes And Gathers His Jewels, The Black Sheep Returned To
The Fold, The Tear Stained Letter, The First Fall Of Snow, Poor

Ellen Smith, Heaven's Radio, Don't Sell Daddy Any More
Whiskey, as well the first recorded versions of two Hank Williams
songs, On The Evening Train and The Singing Waterfall. Pure
mountain music!

VERNON OXFORD

KEEPER OF THE FLAME 5-CD-BOX & 32-PAGE BOOK BCD 15774 €92.03

☐ Als Chet Atkins zuerst Vernon Oxford hörte, sagte er: 'Ich würde nicht, daß es solche Sänger noch gibt!' Die Ironie ist, daß er zu country für Country Music war. 1963 kam er nach Nashville, sang und spielte im alten Stil, er machte mit die beste Country Music der 60er und 70er Jahre. In Übersee mehr beachtet als daheim, hatte er nur einen Hit, Redneck. Er ist hier enthalten mit allen anderen RCA Aufnahmen sowie Singles, die er für kleine Labels wie Omni und Stop machte. Beinahe 140 Aufnahmen, darunter Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl sowie die Original Version von Brother Jukebox. Der Set wird abgerundet mit drei Super Rounder Alben und unserer alten Bear Family LP. Country Music gibt es nicht ausdrucksstärker und nicht stärker 'country' When Chet Atkins first heard Vernon Oxford, he said, 'I didn't know

there was any of them left.' The irony is that Vernon was too country for country music. He came to Nashville in 1963 playing and singing in the old way, and he made some of the best country music from the '60s and '70s. Recognized overseas more than at home, he only had one major hit, Redneck. It's here with all his RCA recordings, as well as singles he made for small labels like Omni and Stop. Nearly 140 titles including Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl, as well as the original version of Brother Jukebox. The set is rounded out with the three superlative Rounder albums and our vintage Bear Family LP. Country music comes no more soulful - and no more country!

A multiple award winner and the recipient (and recorder) of some of the most popular songs of the era, he was outwardly the personification of the early 70s 'Nashville Sound'. One of the greatest ever to grace any Nashville studio, Charlie's success was as well deserved as it was overdue, when it finally came. Having recorded for the Sun, RCA and Groove, Smash and Hi labels, he finally scored his first country hit 'Set Me Free' on Epic in early 1968. This set contains his first two Epic albums.

□ Am liebsten würde Marty Robbins wohl vergessen, dass er dieses Album niemals aufgenommen hat. Doch hier ist es, und diese berühmte und äußerst rare 10-Inch haben wir nun um all seine Rock'n'Roll-Aufnahmen, insgesamt 19 Tracks, erweitert. Zu den Highlights zählen u. a.: That's All Right, Maybellene, Pretty Mama, Tennessee Toddy, Singin' The Blues, Long Tall Sally, Knee Deep In The Blues und I Can't Quit. Marty's Herz hing nicht unbedingt am Rock'n'Roll, was aber nicht heißen soll, dass er's richtig krachen lassen konnte.

Known in the UK chiefly for his # 1 Pop hit, the truckin' tearjerker 'Teddy Bear', Sovine was a regular US country chart maker - where 'Teddy Bear' was not his biggest, or even his second biggest, hit - from the 1950s through to the early 1980s. This compilation kicks off with the first of his 60s hits 'Dream House For Sale' and ends with the two records that were released and charted after his untimely death in April 1980.

Diese 15 Tracks zeigen, was ihn so außergewöhnlich macht: Country-Rock zum Fingerlecken gut / Jeffrey Steele calls his new album

 SAD SONGS AND WALTZES CD ROU 0399 €16.90
 □ It Keith Whitley's legacy is a tree, casting an imposing shadow
 on all of country music, then these powerful 1982 recordings are
 his hard-country roots. Drenched in the echoes of classic
 hardcore honky-tonk influences (Frizzell, Junes, Haggard), the
 remarkable music on Sad Songs and Waltzes predates-and
 doubtlessly influenced-the acclaimed "New Traditionalist"
 movement that reinvigorated country music in the late 1980s.
 The performances here are the most resonant and emotional of
 Whitley's entire career: classic country imbued with Keith's own
 unique sense of twang and timing. Available on cd for the
 firsttime, they have been lovingly remixed and tastefully
 overdubbed for reissue by original producer JD Crowe. In
 addition to all of 1982's "Somewhere Between album - the
 record that first introduced Whitley as a honky-tonk singer
 beyond compare - "Sad Song" and "Waltzes" boasts 5
 previously unreleased cuts. Longtime Whitley admirer Alison
 Krauss contributes harmonies, as does noted writer/ performer
 Carl Jackson and Diamond Rio's Gene Johnson.

 □ 10 CD Box Set contains over 225 recordings including 53
 previously unissued. Limited Quantity Set to hit stores the month

of 75th Anniversary of Hank Williams Birth 'The Complete Hank Williams' 10 CD box set, produced in cooperation with Colin Escott and the Country Music Foundation, contains over 225 tracks including 53 previously unissued. The set will be released on September 22, initially as 10,000 numbered units, to coincide with the September 17, 1998, 75th anniversary of Williams' birth. It will include all of the MGM and Sterling Records session recordings and more than 130 non-session and radio/television recordings. This very special collection will include the legend's earliest session recordings from late 1946 until his last in September 1952, as well as previously unissued performances, and 14 never before released songs. A few of the very special tracks included on this project are duet of 'I Can't Help It If I'm Still In Love With You' with Anita Carter, a demo version of 'Kaw-Liga' (with two false starts) and a recording of Williams' debut performance of 'Lovesick Blues' on the Grand Ole Opry. Some demos which have only been released overdubbed prior to this box set are, 'Rockin' Chair Money', 'Cool Water', 'Tennessee Border', 'First Year Blues', and 'Dixie Cannonball'. The unissued recordings include: 'I'm So Tired Of It All', 'You Caused It All By Telling Lies', 'Ten Little Numbers', and 'Wild Side Of Life'. The package will also contain two booklets of 150+ pages with over 120 formerly unpublished and rare photos, Williams' handwritten lyrics, original ads, posters, charts, LP covers, photos of artifacts and original folk art. Also included is an essay by Daniel Cooper and comprehensive notes on the music by Williams aficionado Colin Escott.

□ (2005/MERCURY) 60 tracks (compiled by Colin Escott) Instead of dropping another greatest-hits anthology or an unsurprising set of leftover rarities, TURN BACK THE YEARS: THE ESSENTIAL HANK WILLIAMS COLLECTION, draws together sixty remarkable songs, surveyed by noted Hank Williams authority, Colin Escott, the way a museum curator would, gathering perspectives on the major themes - Love, God, and The Pursuit Of Happiness - that have always rambled through Hank's work. The resulting three-disc collection doesn't replace the excellent 2002 career overview HANK WILLIAMS: THE ULTIMATE COLLECTION. TURN BACK THE YEARS is less a comprehensive summation of his work than examination of the forces that shaped and ruled Hank's short and troubled life. / intelligente Zusammenstellung im aufwendigen 8-Seiten Digipack mit 30 Seiten Booklet - Highlight

□ Ted Daffan ist am besten bekannt als Komponist von Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night, usw.... wenig bekannt ist, daß er von 1955 bis 1971 dann und wann sein eigenes Label betrieb (meist inaktiv). Die meisten Künstler starten Label, um selbst Platten aufzunehmen, doch Daffan erschien nie auf Daffan außer als

Komponist. Er begann mit Jerry Jericho's Original Version von These Hands. Der bedauerlicherweise negierte Texas Honky Tonk King Jerry Irbj nahm regelmäßig für Daffan auf, ebenso Floyd Tillman und Laura Lee McBride. The Pickering Brothers, die mit Buddy Holly bei Oh Boy im Studio waren, haben fünf Songs auf diesem Set, die größte Überraschung aber ist Johnny Bundrick, der nach England ging, um mit Free, Bob Marley und anderen zu arbeiten. Hier ist er als junger und sehr guter Rock 'n Roll Pianist zu hören. Ted Daffan is best-known as the composer of Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night etc., and it's little-known that he operated his own label on and off (mostly off) from 1955 until 1971. Most artists start a label to record themselves, but Daffan never appeared on Daffan Records except as a composer. He started with Jerry Jericho's original version of These Hands. The sadly neglected Texas honky tonk king Jerry Irbj recorded prolifically for Daffan, as did Floyd Tillman and Laura Lee McBride. The Pickering Brothers, who recorded with Buddy Holly on Oh Boy have five songs on this set, but the biggest surprise is Johnny Bundrick, who went to England to work with Free, Bob Marley and others, but he's heard here as a young and very good rock 'n' roll pianist.

- JOHNNY'S BLUES - A TRIBUTE TO JOHNNY CASH CD NBM 017 €16.75
 □ (2003 'Northern Blues') (48:59/13) Das in eine der wenigen Tribute-CD, die Sinn machen: den "White Man's Blues" des Johnny Cash zum waschechten Blues zu machen ist wirklich gelungen und hörensenswert. Das sind alles Originalaufnahmen; stilistisch vielfältig und wirklich abwechslungsreich. Und wie sagt Harpspieler Paul Reddick so treffend: "Ich frage mich, wie die Dinge sich wohl entwickelt hätten, wenn Johnny Mississippi Fred McDowell als Gitarrist für die Tennessee Three engagiert hätte." Sehr zu empfehlen! Ein Muß für jeden Johnny Cash Fan! / this is one of only a few "Tribute"-CDs that make sense. Transforming Johnny Cash's "white man's blues" into the "real" blues is special. The results are fascinating, and entertaining. Original recordings presenting Johnny's tunes in a wide variety of styles. Harpplayer Paul Reddick brings it to the point: "... I have wondered how things might have been if Johnny had hired Mississippi Fred McDowell as the guitar player for The Tennessee Three". Highly recommended! A must for the serious Johnny Cash fan!

MIKE BARFIELD

LIVING STEREO - NEW RECORDINGS CD TT 0001 €17.75

□ (2002 'Tater Tot') (43:33/13) Seit Mitte der 90er Jahre sorgen The Hollisters aus Texas für Furore in der Country- und Roots-Szene. Mit ihrer auf die Ursprünge zurück geführten Musik gelangten sie in die Indie-Charts in den USA und waren Headliner auf europäischen und US-Festivals. Kopf der Gruppe: Mike Barfield. Er mochte schon immer die großen Country-Sänger gleichermaßen wie Big Joe Turner, Howlin' Wolf oder Elvis Presley. Dies ist seine erste Solo CD, aufgenommen in den Fort Horton Studios in Austin (wo u.a. auch die Lee McBee auf CrossCut entstand). Barfield covert Howlin' Wolf, Joe Tex, James Brown und Merle Haggard derart lässig, daß es eine Freude ist. Diese CD ist die perfekte Untermauerung für einen lauen Frühlingstag und eine willkommene Abwechslung für all jene, die gerne mal über den Tellerrand schauen / Mike Barfield was vocalist with The Hollisters, on the forefront of the "back to the roots" movements in the midst of the 1990s. The Hollisters from Texas made it big on the indie charts and were headlining festivals in the USA and Europe. With their bluesy approach to country music they made many fans. Barfield has now released his first solo record. As a critic said a "country meets soul tour de force". Barfield was influenced by singers like Howlin' Wolf, Big Joe Turner and Elvis Presley. This is good time music in the best sense, the perfect soundtrack for a sunny spring afternoon. Blues, soul, c&w - recorded the old fashioned way at Fort Horton studios in Austin, Texas. Highly entertaining, very satisfying. Recommended. A pure fun record! MIKE BARFIELD

-voc/hca/maracas, CHRIS MILLER - gtrs, DAVE BILLER - gtrs,
 PRESTON HUBBARD - bass, various drummers. Special guest:
 NICK CURRAN - gtr (1 track).

NINETY NINE TALES CD CLEM 0099 €19.50

OLD JOE CLARKS

NOVEMBER CD 19852 €18.50

□ Ursprünglich aus Kansas, dann Frisco, jetzt Portland, Oregon. Das 3. Album von Sänger/Songwriter Mike Coykendall und Mitglieder von Tin Hat Trio. Wählklang-Countryfolk zwischen Cowboy Junkies und Lambchop - mal frisch rockend, fast kammer-musikalischer Countrysoul, zeitlos.

TOWN OF TEEN CD TR 20372 €18.50

□ (2003/TROCADERO) 14 tracks - Digipack

PALADINS

EL MATADOR CD CBH 2007 €9.00

□ (2003 'Continental') (41:42/15) Neues Label, zurück zu den alten Wurzeln. Die Paladins, in den letzten Jahren auf CD arg country-lastig, sind umgedreht und präsentieren mit "El Matador" die von ihren Liveauftritten bekannte energetische Mischung aus Rock'n'Roll, Blues und Roots-Schmutz. Leider klingt das Album, als sei's ein Schnellschuß. Mit etwas mehr Muße hätte der eine oder andere Song ausgefeilter daher

kommen können. Insgesamt jedoch der Weg in die richtige Richtung. Solide / New label. Back to the roots. Blues, rock'n'roll and greasy roots rock. Almost no country schmalz. This album comes pretty close to their high-energy live performances. With a larger budget for studio time I am sure the results would have been even better. Some tracks sound like recorded in the greatest haste. Anyhow, the Paladins are back on the tracks again! DAVE GONZALES - grt/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums.

This extraordinary line-up creates an instrumental and vocal force that ranges from the dark and melancholy to fast paced foot stompers demonstrating their diverse array of country and bluegrass styles.

□ Superbes Concert mit eigenen Songs sowie Covern von Shaver, Earle und einer 16 Minuten Version von Led Zeppelin's "Whole Lotta Love" aus einem texanischen Honky Tonk! gefühlvolle Harp begleitet von einer eher zurückhaltenden Band. Nicht schlecht / black harp player and singer, backed by an

easily grooving band. Linton blows a rather simple mostly acoustic harp, but with a lot of soul. Not bad at all.

□ (2002/New West Records) 11 Tracks Originally released 1997 on Doolittle Records. Now on New West Records On Barrel Chested you can hear that Brent Best's songwriting is growing rapidly at this point in the same way the band's sound fuses Punk-Metal trappings with rootsy undercurrents. Auf Barrel Chested ist deutlich zu hören welch rapide Entwicklung das hervorragende Songwriting von Brent Best an diesem Punkt erreichte. Der Sound der Band verschnitzelt Punk-Metal Anleihen mit Roots Einflüssen zu einem druckvollen und kompromißlosem Rockalbum.

THE WALL AGAINST OUR BACK CD SRV 020 €15.90

□ (2004/SONIC RENDEVOUS) 13 tracks: TWO COW GARAGE legen ihr zweites Album 'The Wall Against Our Back' vor. Das von SLOBBERBONE Sänger und Gitarrist Brent Best produzierte und von Matt Pence von CENTRO-MATIC aufgenommene Album bietet brennenden, energetischen und

kraftvoll rockenden Americana. Die Songs, nach denen sich SLOBBERBONE- und DRIVE-BY TRUCKERS-Fans die Finger lecken werden, sind mächtig und doch mannigfaltig jedoch mit einem gemeinsamen Fokus. Allen Songs liegt eine greifbare, selbstsichere und unaufgesetzte Chemie innerhalb der Band zugrunde, die sich nur durch unablässiges Touren erreichen lässt.

☐ Blast of raw and loose country punk with a big ol'/heart from the LA-based septet. Wiskey Biscuit are a rock & roll band in the

tradition of, say, Uncle Tupelo or Slobberbone, so that means their aching country soul comes encased in an itchy hide of growling guitars and shit-kicking rhythms. -STEVIE CHICK

einer der wenigen Musiker in den USA, der es versteht, Blues, Country, Folk und Rock nebeneinander existieren zu lassen und das Ganze dennoch wie aus einem Guss zu interpretieren. Teils hat's extrem melancholische Töne in seinem Sprechgesang. Faszinierend und schlichtweg schön! / This really is a beautiful album. A meditative Dave Alvin... He's one of only a few American musicians who can equally perfect deliver their own interpretations of the various musical idioms. An album full of melancholy, simple and ... beautiful. THE LONG RIDE - CUT OUT CD HIGH 8107 €7.90

□ (1999/HIGHTONE) 13 tracks The Long Ride ist ein nahtloser Querschnitt durch die REAL AMERICAN MUSIC in ihrer ursprünglichen Form. Ramblin' Jack Elliott, der nun schon über 50 Jahre für uns spielt, verkörpert die Folkmusik wie kaum ein anderer. Unterstützt von einer Herde von Freunden wie Roy

Rogers, Dave Alvin, Tom Russel, Dave Van Ronk und Norton Buffalo, zeigt uns Elliott auf eine relaxte, authentische und direkte Weise wie diese Art von Musik gespielt werden sollte, was eigentlich viele könnten, aber nur ein Meister wie er es mit am besten macht. - - Nur solange der Vorrat reicht!!! Cross-ride through the REAL American music. 'Ramblin' Jack Elliott joins the business since 50 years

and still in top form! Accompanied by musicians and other artists like Roy Rogers, Dave Alvin, Tom Russell - a relaxed and authentic Folk album! While stocks last!!

RONNY ELLIOTT

HEP CD BHR 013 €18.50

□ (2003/BLUE HEART) 13 tracks Wieder einmal ist dem Mann aus Tampa Florida, der seit Mitte der 60s als Musiker in den unterschiedlichsten Gruppen und als Solokünstler Platten aufnimmt, mit seiner aktuellen CD HEP ein ganz großer Wurf gelungen. Americana at its best irgendwo zwischen Guy Clark und Townes Van Zandt. Große Songs, laid back und hochatmosphärisch eingespielt, über Helden und Verlierer, mal finster und ergreifend, mal respektlos und wankelmütig. Zeitlos gut./Another brilliant release from this man from Florida who recorded with several groups and did may solo projects since the 1960s. This album is Americana at its best - somewhere between Guy Clark and Townes Van Zandt!

VALENTINE ROADKILL CD BHR 113 €18.50

□ (BLUE HEART) 13 tracks - digipac The hillbilly soul singer from Tampa, Florida slips out a new one filled with thirteen new tales, mostly from the darker side of the heart. MOJO describes Ronny Elliott: '...craggy but literary blues like Jerry Lee Lewis if he were a beat poet or Townes Van Zandt if he had a Phd.'

□ (2003/REV-OLA) 18 tracks: Big players on the scene, future Byrds even, playing a kind-of semi-Cajun/R&B version of Bakerfield country, with the careless energy of garage punk, in an obscure club setting...before there was really such a thing as Country Rock...one can certainly hear what so impressed the likes of Gram Parsons and Glen Campbell in El Monte all those years ago, and understand why in 1987 Guitar Player magazine voted this recording into their 'Top 20 Country Guitar Albums'.

□ (2000 Island) (69:50/15) Überraschendes Album von
einem der populärsten amerikanischen Musiker, dem
Country-Giganten. Schon oft hat er musikalische Grenzen
überschritten und nun ein 'echtes' Bluesalbum herausgebracht.

Wie es seine Art ist, extrem lässig, nahezu schläfriger Gesang,
akustisches Picking und dazu eine Besetzungsliste allererster
Güte. Eine der schönsten Überraschungen des Neuen Jahres
bislang! / surprising release from one of the most popular acts in
the USA. Country music giant Willie Nelson with a 'real' blues
record. His music is very laid back, almost lazy, his vocals are his
trademark, and the music is easy-going with an acoustic feel.

And you'll hear an incredible list of guest artists. Recommended.

 Unabhängig, persönlich, hartnäckig, gerade und teils grimmig sind seine Schnappschüsse aus dem wahren Leben, die er in wunderbaren Songs erzählt. Sein Gesangsstil erinnert an den späten Bob Dylan, gepaart mit der Power eines Joe Ely und

erreicht dadurch eine ungeheure eigenständige Intensität. Ein ganz heißer Anwärter auf das Americana Album des Jahres. Für Fans von gutem Singer-Songwriting ein wahrer Edelstein!

Muss man noch mehr sagen / Keith Sykes says that this CD is connected with the one before, 'Don't Count On Us'. Amelia White's reizend zarte und in bestimmten Momenten angenehm aggressive Stimme schwebt über Popsongs die in einem Countryambiente zu außergewöhnlich schönen facetten reichen Songperlen wachsen, die nur schwer einem bestimmten Genre zu zuordnen sind. Besonders Empfehlenswert! A superb album from this Singer/Songwriter. Amelia's voice ranges from charming and sensitive up to aggressive but pleasant elements! Popsongs mixed with different Country styles lead to a wonderful album which is - just good music!!

CLARENCE WHITE

TUFF & STRINGY - THE SESSIONS 1966-68 CD WIKD 227 €17.75

□ Former Kentucky Colonel, future Byrd, and a true guitar legend, the guy that defined the Country-Rock guitar, much revered, oft imitated but never bettered. Clarence was later famous for the Singbender in the Byrds, but the playing here, showcased on Country/Folk-Rock sessions from 1966 to 1968 including super-rare singles, demos and his first recordings as a soloist, demonstrates Clarence's already unique style just prior to the Bender. Note also the inclusion of a recent, major find - previously unknown electrified demos by the Kentucky Colonels that are probably the earliest recordings extant of White playing electric guitar. This release also comes with the full blessing of the late guitarist's family, and the detailed notes include a wealth of new information upon this career. Byrdmaniax and fans of bluegrass/country guitar alike will jump for joy.

□ (2003/Compadre) 18 tracks Texas Outlaws is what the name suggests - a collection of songs by great Texas "Outlaw" songwriters. There are 18 songs on the record, some of which are live and others that are studio recordings, in addition to several previously unreleased tracks. They play together very well however, and all in all is a good album for your collection. Texas Outlaws ist wie der Name verspricht: eine Sammlung von Liedern gesungen von den großen Texas "Outlaw" Songschreibern, wie z.B. Pat Green, Robert Earl Keen, Billy Joe Shaver, Roger Creager und ebenso dabei ist auch ein überraschendes Rapduet mit Willie Nelson und Lil'Black. Insgesamt handelt es sich um 18 Stücke, die z.T. When he moved his operation to Bakersfield in 1967, maverick producer Paxton thumbed a nose at country convention and charled his own, heavily-experimental, course, installing a studio in a disused bank vault. He recorded country and rock acts night and day, ably abetted by his crack studio band the Reasons aka Nashville West, featuring Clarence White, Gib

Guilbeau and Gene Parsons. Paxton was recording country long before he moved to Bakersfield however, and from his Hollywood phase come several proto-country rock titles by Dee (aka Buddy) Mize, the Dudes and Paxton's sultry-voiced wife Jan. with an extensively illustrated booklet that draws on the recollections of many involved, 'Bakersfield Rebels' is a fascinating document of a unique period in the evolution of country rock.

MY RIFLE, MY PONY AND ME BCD 15625 €15.34

□ Mit dem Untertitel 'Film und Fernseh Soundtracks' liefert die

26 Song Sammlung den idealen Überblick über die besten und bekanntesten Melodien aus den grosssten Western und Nachkriegszeit. Es beginnt mit John Wayne, dessen Stimme Dean Martin und Ricky Nelson vorstellt. Die beiden singen den Titelsong dieser CD aus dem Klassiker 'Rio Bravo' von 1959. Von 1948 (Roy Rogers singt 'Don't Fence Me In') bis 1965 (James Stuart 'The Legend Of Shenandoah') wird der

Bogen gespannt mit Songs wie 'North To Alaska' (Johnny Horton), 'Rawhide' (Frankie Laine), 'The Rebel Johnny Yuma' (Johnny Cash) und Unerwartetes wie eine Gesangeinlage von Kirk Douglas. Die CD kommt mit einem 24-seitigen Begleitlebheftlein mit Impressionen jener Aera. Subtitled 'Movie And TV Soundtracks', this 26-song collection is the ultimate overview of songs that were memorable elements of the

post-War Westerns. Opening with the voice of John Wayne introducing Dean Martin and Ricky Nelson, who sing this collection's title track from the 1959 film, 'Rio Bravo', the selections span 1948 (Roy Rogers singing 'Don't Fence Me In') to 1965 (James Stewart's 'The Legend of Shenandoah'). Along with such 'hits' of the genre as Johnny Horton's 'North To Alaska', Frankie Laine's 'Rawhide', and Johnny Cash's 'The Rebel Johnny Yuma', there are such unexpected singing cowboys as Kirk Douglas crooning 'And The Moon Grew Brighter from the 1954 film, 'Man Without A Star'.

□ (2004/SUNDAZED) 12 tracks 1966 (Capitol T-2460) Hank Thompson created a distinctive and durable approach to honky tonk by fusing his vocals with buoyant, western swing-flavored accompaniment from his Brazos Valley Boys. On all but one number Hank's friend Merle Travis's electric guitar graces the recordings here. The title song was a Top 10 single for Hank in 1960. 12 tracks / Neuaufgabe der Capitol-LP 2460 von 1966. Hank Thompson entwickelte einen besonderen und dauerhaften

eigenen Honky Tonk Stil, indem er seinen Gesang mit den vom Western Swing beeinflussten Brazos Valley Boys verband. Elf Stuecke werden durch Merle Travis und seinen elektrische Gitarre aufgetret; der Titelsong war ein Top-10 Hit fuer Hank im Jahre 1960.

□ (2004/SUNDAZED) 12 tracks 1965 (Tower T-5005) Maine native Dick Curless had long recorded for regional labels when

songwriter Dan Fulkerson approached him with 'A Tombstone Every Mile,' the tale of a real-life stretch of Maine highway often lethal to truckers. Released nationally in 1965, the song became a #5 single for Curless and this, his first album for Tower Records, soon reached the Top 20 on Billboard's Top Country Albums chart. 12 Tracks / 1965 zunaechst auf Tower T-5005 veroeffentlicht. Dick Curless stammt aus Maine und machte dort zunaechst

Aufnahmen fuer kleine regionale Firmen. Der Songschreiber Dan Fulkerson bot ihm 'A Tombstone Every Mile' an, die Geschichte eines fuer Trucker oftmals toedlichen Highway-Abschnittes. Als dieser Song 1965 erschien, schoss er bis auf Position Nr.5 in den Charts. Das Album kam immerhin bis zur zwanzigsten Position in der Billboard-Notierung der erfolgreichsten Countryalben.

TRUCK DRIVIN' FOOL CD SC 9004 €16.62
 (2004/SUNDAZED) 12 tracks 1967 (Capitol ST 8-2691)
 Released in 1967, Red Simpson's Truck Drivin' Fool continued the focus of his debut album: examining the good and the treacherous, the amusing and sobering sides of trucker life. Today, Simpson, considered a Bakersfield legend, continues performing around his hometown. 12 Tacks / 1967 als Capitol ST-2691 auf LP erschienen. Mit dem Titel 'Truck Drivin' Fool' war klar, dass Simpson mit diesem Album an das Thema des Vorgaengerwerks anknuepfen wollte. Thema: das Leben des Truckers in all seinen Facetten, dramatisch, traurig, witzig und komisch. Simpson, der heute als eine der legendaeeren Figuren der Bakersfield-Szene gilt, tritt nach wie vor in der Umgebung seiner Heimatstadt auf.

Nashville, Tennessee (plus two bonus 1960s remakes of his 1950s biggies, 'Little Rosa' and 'Why Baby Why'). Known in the UK chiefly for his #1 Pop hit, the truckin' tearjerker 'Teddy Bear', Sovine was a regular US country chart maker - where 'Teddy Bear' was not his biggest, or even his second biggest, hit - from the 1950s through to the early 1980s. This compilation kicks off with the first of his 60s hits 'Dream House For Sale' and ends with the two records that were released and charted after his untimely death in April 1980.

□ Carter und Ralph Stanley waren Bill Monroe's erste Rivalen in den 40ern. In den 50ern war ihre Spielart des Bluegrass zu rasiermesserscharfer Perfektion gerefilt, ihre 46 Aufnahmen für das Mercury Label gehören zu den Bestmarken klassischen Bluegrass (selbst Ralph Stanley betrachtet sie als ihre beste Arbeit). Durch die Arbeit mit einigen der besten Musikern, darunter Fiddler Art Stamper und Mandolinist Bill Napier, klang die Gesangskunst der Stanley Brothers nie besser (ebenso wie Ralph Stanley's knallhartes Banjospiel). Die Sammlung aller Stanley Mercury Aufnahmen bietet ein zuvor unverfügbares Kleinod, A Lonesome Night ebenso wie andere (darunter Close

By) bis dahin nur auf japanischen Wiederveröffentlichungen aus den 70ern erhältliche. Gary Reid's fachkundige Anmerkungen rahmen das von der Musik gemalte Bild ein, zwei Aufnahmen von 1959 für das Blue Ridge Label runden den bemerkenswerten Set ab. Carter and Ralph Stanley were Bill Monroe's first rivals in the 1940s. By the 1950s, their version of bluegrass was honed to razor-sharp perfection, and their 46 recordings for the Mercury label are among the high watermarks of classic bluegrass (even Ralph Stanley considers them their best work). Working with a variety of fine supporting players, among them fiddler Art Stamper and mandolinist Bill Napier, the Stanley Brothers vocal artistry (as well as Ralph's hard-hitting banjo picking) never sounded better. This collection of the complete Stanley Mercury recordings offers a previously unissued gem, A Lonesome Night, as well as others (among them Close By) previously available only on Japanese reissues of the 1970s. Gary Reid's authoritative notes frame the picture painted by the music, and two 1959 recordings for the Blue Ridge label round off a remarkable set.

TRIBUTE TO BILL MONROE -

LEGEND LIVES ON 2-CD CD AUDI 8170 €21.90

□ (2003/Koch) 28 tracks In April of 1997, a barrelful of
contemporary Bluegrass hotshots and genuine legends
assembled at Nashville's Ryman Auditorium to celebrate and pay
tribute to the recently departed Bill Monroe. The performers
crank out fairly faithful renditions of Monroe's biggest "hits" and
the audience is suitably appreciative. Although the cleanly
crafted sounds of Ricky Skaggs, Marty Stuart, Tim O'Brien and
the Charlie Daniels Band tend to run together, there are some
great live performances by the Del McCoury Band, the dearly
missed John Hartford and a rare appearance by Jim & Jesse, a
group that seems to be sorely undervalued on the bluegrass
circuit. While the record offers no overwhelming revelations, it is
a fine document of the show that would make Monroe proud. Im
April 1997 traf sich ein Haufen zeitgenössischer
Bluegrasskünstler und echter Legenden im Nashville's Ryman
Auditorium, um dem kürzlich verstorbenen Bill Monroe Respekt
zu zollen. Dabei sind unter anderem Ricky Scaggs, Marty Stuart,
Tim O'Brien, die Charlie Daniels Band, die Del McCoury Band,
der bereits verstorbene John Hartford und ein extrem seltener
Auftritt von Jim & Jesse. Diese Veröffentlichung ist ein schönes
Dokument dieser Show und würde Bill Monroe sicher stolz
machen.

BAD LIVERS

HOGS ON THE HIGHWAY CD SH 3862 €18.50

A three member group from Austin that has attracted a punk following by playing bluegrass faster than any trash band. This release is a grand travelogue through Americana music. It's a trip to "Dallas, Texas" that goes "Shufflin' To Memphis" and all points in between.

BAD LIVERS

INDUSTRY AND THRIFT CD SH 3887 €18.50
 □ *The Bad Livers are one of the most eclectic and versatile bluegrass-based bands on the scene. This is their most eclectic album to date, and their best. Including tuba and drums with the traditional bluegrass banjo, the Bad Livers are going where many bluegrass bands fear to tread - and with great results...*

BLADERUNNERS

INTRODUCING THE BLADERUNNERS CD BLADE 4401 €18.90

□ *The Blade Runners create a unified ensemble sound without sacrificing clarity, and Reid and Dickey are formidable soloists. Dickey in particular is not afraid to take rhythmic chances, with what could perhaps be described as a signature device - one that would stress the technique of many other professional players - of shifting his notes to the off-beats on fast solos. Recording quality is excellent. This is a creative band that should please both traditionalists and those with newgrass leaning alike.*

J.D. CROWE & THE NEW SOUTH

MY HOME AIN'T IN THE HALL OF FAME CD ROU 0103 €16.90

□ *J.D. Crowe, one of the most progressive bluegrass bandleaders of the second generation, has always been known for his consummate taste in music and musicians. When top-class singer Keith Whitley joined the New South, Crowe built a new sound for his band, a sound that combined their love of bluegrass with classic honky-tonk and western swing influences. Specially re-mixed for CD release, this long-unavailable 1978 classic boasts a unique blend of American music that still sounds fresh today.*

□ (2004 'Moderne Shellac') 12 tracks Richard Bennett begann seine Karriere als Sessionmusiker anno 1968. Von da an begleitete der Gitarrist Stars wie Tennessee Ernie Ford, Billy Joel, The Ventures, Peggy Lee und Neil Diamond. 1985 zog er dann nach Nashville, wo er fortan als Produzent arbeitete. Zu seinen Klienten zählten Steve Earle, Emmylou Harris, Mark Knopfler und Jo-Ei Sonnier. Mit diesem Album beweist Bennett erneut, warum er solch ein gefragter Gitarrist und Produzent ist. Ohne den Mund zu voll zu nehmen, kann man das hier als „Kunst“ bezeichnen / Richard Bennett began his career as a session musician in 1968. □ (2005/SMITHONIAN FOLKWAYS) 26 tracks plus DVD & 36 page booklet: These milestone 1960s Folkways recordings of soul-searing Appalachian ballads brought new respect for the time-worn tradition of solo song. Their power to reach deep inside us with stories of love, betrayal and tragedy dispels the notion that ballad singers are detached and unemotional. An extraordinary bonus DVD of John Cohen's classic film The End Of An Old Song brings to life the earthy existence of Balladeer Dillard Chandler of Madison County, North Carolina, featured on 14 of the 26 tracks reissued here for the first time.

□ Vorbildhaft hat Trikont die Geschichte und Gegenwart dieser Musikkultur in dieser Reihe aufbereitet. (Neue Zeitung Für Musik) Der neue Stand der Sumpfmusiken (neben Cajun feiert auch die schwarze, durch Soul und Rockeinflüsse etwas urbanere Zydeco-Musik fröhliche Urständ) wird hier dokumentiert - ein kleines kulturgeschichtliches Ereignis. □ John Delafosse griff Anfang der 70er Jahre zu Akkordeon und Fidel und belebte dadurch einen fast vergessenen Stil ürtümlicher Zydecomusik. Boozoo Chavis, dessen 'Paper In My Shoe' bereits in den 50er Jahren ein Bestseller war, lautete mit seinem Comeback Anfang der 80er Jahre die heutige heisse Phase des Zydeco ein.

- VOL.8, SWAMP MUSIC - YOUNG ZYDECO DESPERADOS CD 0204 €14.90

□ Die Dancehalls brechen alle früheren Zuschauerrekorde, wenn die jungen Rebellen vom Schlag eines Beau Jockeum zum Tanz aufspielen. Anstatt schlapper Boogieklänge setzen sie auf hochenergetischen Rhythm'n Blues, Cajun Roots und afrikanische Monotonie.

- VOL.9, SWAMP MUSIC - NEW TRAIL RIDERS CD 0205 €14.90

□ Der Trail Ride, am ehesten aus einschlägigen Zydeco-Songs bekannt, ist heute eines der populärsten Freizeitvergnügen Südlouisianas. Zu Pferd und unter Begleitung von Musikern werden Sümpfe durchstreift, um schliesslich in einem ausgelassenen Barbecue und Tanzfest zu enden.

From Amade Ardoin's 1929 recording of 'Two Step De Eunice' to the up-to-the-minute sounds of Keith Frank and Beau Jockeum, this album offers both a historical overview and instant party. PONTY BONE

FANTASIZE CD LHR 2002 €17.50
 □ (2002/LOUDHOUSE) 12 tracks I've jammed with Ponty Bone several times on stage and off stage. It's always fun to do. His versatile style is always energetic and precise. Whenever we are both on stage people feel and recognize the similarity of his playing and my playing. People recognize right way the heart he puts in to his playing. I consider that is "Soul Accordion" playing. He can go from simple things to very progressive tunes. And with the blend of his accordion and his singing you can feel he is talking to his accordion and his accordion is responding to him. In other words, he and his accordion really communicate. I would consider him the Real McCoy of good accordion playing. Flaco Jimenez

BALDEMAR HUERTA: EL RAY DEL
TEX-MEX CD CORA 059 €14.90
 □ (2003/CORAZONG) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr.1 Hits - darunter "Wasted Days And Wasted Nights" und "Before The Next Teardrop Falls" - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahm, Augie Meyers und Flaco Jimenez die Tex-Mex Supergruppe "Texas Tornados", die für Reprise drei Alben einspielte. Das vorliegende Album enthält 20 Songs, die Fender - geborener Baldemar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

 □ (2003/CORAZONG) 20 tracks Obwohl es entlang der mexikanisch-texanischen Grenze zahlreiche Akkordeon-Talente gibt, gibt es keinen, der nur annähernd eine so schillernde Karriere gehabt hat wie Flaco. In den 60ern und 70ern spielte er zusammen mit Doug Sahm, Bob Dylan, David Lindley und Ry Cooder, auf dessen Album "Chicken Skin Music" er besondere

Akzente setzen konnte. Flacos Sound und Talent waren stets gefragt und so hat er über die Jahre mit so unterschiedlichen Künstlern wie The Rolling Stones, Carlos Santana, Willie Nelson, Los Labos, Emmylou Harris, Linda Ronstadt und Bryan Ferry (!) gearbeitet - um nur wenige zu nennen. In den 90ern tat er sich mit Doug Sahm, Freddy Fender und Augie Meyers zusammen, um die Tex-Mex Supergruppe Texas Tornados zu gründen. Für seine Aufnahmen und Performances wurde Flaco Jimenez bislang mit fünf Grammys ausgezeichnet - eine unglaubliche Leistung! Das vorliegende Album vereint 20 Tracks, die Flaco über die Jahre für kleine, texanische Labels eingespielt hat, und die hiermit zum ersten mal gesammelt erscheinen.

Baez recorded for Vanguard for 12 years - from 1960 until 1972. This compilation includes all her hits, both British and American, from that period.

Straight To Watts – The Central Avenue Scene
1951-54, Vol.1

CD CHD 868 EUR 17.75

Straight To Watts is a stunnish compilation of jumpin' hot West Coast R'n'B music, recorded in Los Angeles for Jake Porter's Combo label. Featured are well known artists like Chuck 'Motorhead Baby' Higgins – here with a previously unreleased take of his *Motorhead Baby* Rocker, Johnny Moore & his Three Blazers together with

Floyd Dixon doin' the vocals and Ernie Fields, who later became pretty popular with his Imperial recordings and rockin' instrumental interpretations of older tunes, mostly from the jazzy section, like Glenn Miller's *In The Mood* which bombed Fields right up to Billboard's Top Ten in 1959! One of the less knowns on this disc is Jake Porter the Combo label owner who also had his own band and backed up many of the Combo recording artists. He also had some single releases under his name and three pieces of his musical output are included here on this splatter platter plus tons of other unknowns like Brother Woodman doin' *Hi Ho Silver*, Frustrated Betty Hall Jones, an artist called Palmer with an unbelievable version of *Hot Dog! That Made Him Mad!*, which later got some popularity after Wanda Jackson recorded it as a Rockabilly song in 1956. This groovy jumpin' and houseshakin' silverplate is an unavoidable thang for all black Rock 'n' Roll lovers and R'n'B collectors who look for something special!

Straight To Watts ist eine hammerharte musikalische Zusammenstellung von heisser Jump R'n'B Musik, aufgenommen in Los Angeles für Jake Porter's Combo Label. Vertreten sind einige bekanntere Interpreten, wie z.B. Chuck 'Motorhead Baby' Higgins – hier mit einem Outtake seines groovenden *Motorhead Baby* Rockers, Johnny Moore & his Three Blazers zusammen mit Floyd Dixon am Gesang und Ernie Fields, der Ende der 50er Jahre für das Imperial Label rockige Instrumental Interpretationen von meist älteren Jazz Songs machte und es u.a. mit Glenn Miller's *In The Mood* bis in die Top Ten der Billboard Charts schaffte. Einer der unbekannteren Interpreten ist Jake Porter, dem das Combo Label gehörte, der aber auch unter seinem Namen Platten aufnahm und ansonsten auch andere Interpreten mit seiner Band bei ihren Aufnahmen unterstützte. Drei seiner Songs sind auf der Scheibe enthalte, plus einer Menge anderer „Unknowns“, wie Brother Woodman mit *Hi Ho Silver*, Betty Hall mit *Frustration*, *Frustration*, und eine Sängerin mit dem Namen Palmer, über diese nichts bekannt ist, die hier aber eine Klasse Version von *Hot Dog! That Made Him Mad!* hinlegt, das den Rock'n'Rollern gerade durch Wanda Jackson's Rockabilly Version ein Begriff sein müsste. Diese silberne Teil ist unumgänglich für alle Black Rock'n'Roll Liebhaber und

Rhythm 'n' Blues Sammler, die nach etwas wirklich Besonderem Ausschau halten.

Central Rocks! The Central Avenue Scene
1951-58, Vol.2

CD CHD 1037 EUR 17.75

This is the fuckin' second volume of these hipshakin, housebreakin' and neckbrackin' Combo Rockers! Also fully packed with tons of hot 1950s R'n'B stew which will make your fresh boiled hot

coffee tasting like a glass of cold flat water! Man, this stuff will definitely kill you and if you should forget to throw in your high blood pressure pills into your blabbering mouth BEFORE you turn up the volume I guarantee that your wife will think that she's married to an out of control come jackhammer and the next time you'll meet her will be at the divorce court, man! Is it that what you want? Is the straightjacket the latest style you'd like to wear? Do you wanna lose all your records, your music, your heartblood? Think about the maintenance payments!!! Man, I understand that you'd like to get out of control while you're listenin' to these tunes! But please let the furniture be where it is, and stop doin' the Limbo dance with the walking stick of your mother-in-law! She will hate you and you can forget the legacy! No need acting like that, ok? Again 24 tracks, artists like Ernie Fields, The Great Gates, Jack McVea, Brother Woodman, Rozelle Gayle and Mamie Ree together with the Young Wolf!! You can find the unemotional information in the review of *Straight To Watts* but if you call yourself a wildcat you'll understand what I mean! And see that you get BOTH volumes, because we don't dig imperfect stuff! Got me?

Das ist die zweite Scheibe vollgepackt mit weiteren Rockern, aufgenommen für das Combo Label in Los Angeles. Ja vollgepackt! Vollgepackt mit 24 weiteren heißen 50s Rhythm'n'Blues Knallern die deinen gerade frisch gebrühten Tengelmann Kaffee wie ein kaltes schales Glas Wasser schmecken lassen werden! Und vergiss' nicht deine Blutdruckpillen einzuschmeißen, BEVOR du den Lautstärkereger hochreiss! Ansonsten wird deine Göttergattin denken, sie sei mit einem außer Kontrolle geratenen Presslufthammer verheiratet und das nächste Mal, wo ihr euch sehen werdet, wird das Scheidungsgericht sein. Ist es das was Du Willst? Soll die Zwangsjacke der letzte Modeschrei in deinem Leben sein? Willst du deine ganzen Scheiben verlieren, deine Musik, dein Herzblut? Mann, denk über die Unterhaltszahlungen nach!!! Und all das nur,

weil du die Möbel nicht an ihrem Platz hast stehen lassen und die Gehilfe deiner Schwiegermutter zum Limbotanzen benutzt hast und sie dadurch den Musikantenstadl verpasst hat? Sie wird dich berechtigt hassen – und das Erbe kannst du dir, neben deiner Pomade, in die letzten drei Haare schmieren! Also nicht übertreiben und runterkommen, auch wenn wir deine Reaktionen verstehen können! Alle die diese emotionale Besprechung nicht verstehen, können den emotionslosen Part in der *Straight To Watts* Besprechung lesen. Die Dinger werden euch so oder so von den Hockern fegen und denkt dran es gibt zwei Volumes (CD CHD 868 und CD CHD 1036)! Wir mögen keine halben Sachen und ihr braucht den ganzen Stoff! Peace, Bruder!

RAYBURN ANTHONY

My Baby's Car Crazy

CD RBR 5626 EUR 15.34

This is one of the latest Rhythm Bomb Records releases and it features one of today's best 1950s recording artists – the Sun label Rocker Rayburn Anthony. Rayburn recorded three 45rpm records for Sam Phillips' legendary Sun label between 1959 and 1962 and his most known songs are *Alice Blue Gown* and his version of the *St. Louis Blues*. This man still has a very strong and very

clear voice which reminds me a lot to the great Johnny Cash. Rayburn wrote all songs on this album and really proves that he's also a brilliant songwriter. Some of the real cool songwriting examples are *Invisible Man*, *Somebody Hurt Her Bad*, *Absolutely Positively Gone* and *Yesterdays Blues!* Anthony really is the only rocking storyteller I know! Grown-up music, perfectly recorded, fantastic Back-up Band, great songwriting and an AAAA+ voice – it's a pleasure to listen to him! All lyrics are included in the CD booklet – just for the case if you want to sing along with him but if your voice sounds like rusty watering can, you better let him takin' the song part! We are sure that you'll enjoy this Rhythm Bomb release and are proud to present this musical high quality output!

Diese Scheibe ist eine der aktuellsten Rhythm Bomb Veröffentlichungen und mit dem Sun Rocker Rayburn Anthony wieder einmal ein 100%iger Treffer. Rayburn nahm zwischen 1959 und 1962 der 45rpm Singles für Sam Phillips' legendäres Sun Label auf und seine bekanntesten Songs sind wohl *Alice Blue Gown* und seine Version vom *St. Louis Blues*. Unglaublich was für eine klare und feste Stimme dieser Mann noch hat, welche sehr an den großen Johnny Cash erinnert. Rayburn hat ausschließlich alle Songs auf diesem Album selbst geschrieben und beweist damit, dass er auch ein sehr guter Songwriter ist, wie z.B. Songs wie *Invisible Man*, *Absolutely Positively Gone*, *Somebody Hurt Her Bad* und *Yesterdays Blues* beweisen! Für mich der beste rockige Storyteller dieses Planeten! Erwachsene Rock'n'Roll

Mucke, perfekt aufgenommen, fantastische Band, super Songwriting und eine 1A Stimme – es macht Spaß ihm zuzuhören! Alle Texte sind im Booklet abgedruckt, falls ihr mitsingen wollt, aber sollten eure Stimmen wie Katzen klingen, denen man auf den Schwanz getreten ist, überlasst den Part, dem der es kann! Wir sind sicher, dass ihr diese Rhythm Bomb Scheibe mögen werdet und sind stolz darauf euch dieses musikalische Kleinod präsentieren zu dürfen.

THE REVENANTS

Artists And Whores – 14 Fabulous Hits

CD EP 1019 EUR 16.90

The Revenants are an impressive example of best Americana music, recorded in 1998 in Tempe, the heart of Arizona. The reasons why we feature this great musical work is, because nobody here in Europe knew about the band which definitely was one of the firsts who started the Americana boom which got more and more

popular with bands like Uncle Tupelo and Lucinda Williams. 13 of the 14 songs on this album are written by Bruce Cannole, who also does the vocals and who also is an extremely good songwriter, which really is necessary for the Americana music. A mixture of hot and groovy desert sounds like *Dead And Gone*, *That Girl Is Insane* and *Every Single Minute* and melancholy sounds like *Prodigal Son*, Jody Reynold's *Endless Sleep* and *Flower On My Grave*. Guest musicians on this silverplate are some of the Cream of Arizona music like Al Casey, Ken Skaggs and Clarke Rigsby. If you like Lucinda Williams, Loretta Lynn's Van Lear Rose, Calexico, Los Lobos, Uncle Tupelo or the Seatonsniffers, this is something you definitely need. Highly recommended!

Die Revenants sind ein beeindruckendes Beispiel bester Americana Musik, aufgenommen 1998 in Tempe, dem Herzen Arizonas. Der Grund warum wir diese CD jetzt erst besprechen, ist ganz einfach: niemand hier in Europa hat das je getan, weil niemand um diese Band wusste, die eine der ersten Americana Bands waren und in einem Zuge zusammen mit Lucinda Williams und Uncle Tupelo genannt werden müssten. 13 der 14 Songs sind von Bruce Cannole geschrieben, der auch der Frontmann der Band ist. Das Songwriting ist gerade bei der Americana elementar und Cannole beweist durch die Bank weg, daß er es drauf hat. Groovige uttempo Desert Sounds wie *Dead And Gone*, *That Girl's Insane* und *Every Single Minute* sind neben den melancholischen stimmungsvollen Balladen wie *Flower On My Grave*, Jody Reynold's *Endless Sleep* oder *Prodigal Son* vertreten. Als Gastmusiker finden wir einige der Creme de la Creme der Arizona Musik Szene wie Al Casey, Ken Skaggs und Clarke Rigsby. Wenn ihr auf Lucinda Williams, Uncle Tupelo, die Seatonsniffers, Calexico, Loretta Lynn's Van Lear Rose und Los Lobos steht, sind die Revenants unumgänglich.

This historic CD release up-dates that long-deleted album, which features nineteen additional tracks, including two more stereo versions, together with an assortment of rare and previously unissued cuts, amongst them 'Think Of Me', 'Nervous Breakdown' and out-takes of 'Teenage Cutie'. FEAT. JAMES BURTON)

CD CAP 35993 €10.90

□ (2005/CAPITOL) 10 tracks 1979 (UA-LA 968) - digital remastered Eine echte Perle, die da aus den Untiefen des Katalog-Repertoires ausgegraben wurde: RONNIE HAWKINS war nicht nur ein höchst dynamischer Rock 'N' Roller der späten 50er und 60er Jahre (Bob Dylan nannte ihn 'my idol', für John Lennon war er 'Sir Ronnie'), er leistete indirekt auch einen wichtigen Beitrag zur Entwicklung der nordamerikanischen Rockmusik - aus seiner Begleitcombo THE HAWKS erwuchs zuerst die Backing Band von Bob Dylan und daraus dann die Rock-Legende THE BAND (parallel erscheint gerade die 5 CD/1 DVD-Box 'A Musical History'). Band-Gitarist Robbie Robertson war es auch, der dem Wahl-Kanadier 1979 einen Plattendeal mit United Artists besorgte. Für die Aufnahmen zum 'The Hawk' betitelten Album ging RONNIE HAWKINS zurück in seine alte Heimat Arkansas in den Staaten und scharte bald ein ansehnliches Arsenal von Musikern um sich herum, u.a. Elvis' Gitarrist James Burton, Sallen-As Waddy Wachtel, Band-Keyboards Garth Hudson, die hier für feinstes Rock-Repertoire mit Rockabilly- und Country-Anklängen sorgen.

IMPORTANT WORDS

CD RSR 027 €18.90

□ (2005/ROCKSTAR) 30 tracks (Hollywood & London sessions) In 1989 'Rockstar' released the vinyl LP 'Important Words' by Gene Vincent, which contained various studio out-takes, including false stars and dialogue. This important CD release contains all the songs from that album in this format for the first time, plus thirteen previously unissued versions. The additional tracks were recorded by Gene at the 'Capitol tower' in Hollywood and Abbey Road Studios in London, and showcase a variety of styles which were recorded during the period 1958-61. These tracks were supervised by the legendary producers Ken Nelson (USA) and Norrie Paramour (UK). The recordings highlight Gene's versatility, performing anything from Rock 'N' Roll standards, such as 'Maybelline' and 'Rip It Up', as well as ballads like 'You Are The One For Me' and 'Where Have You Been All My Life'. 'Spaceship To Mars' was featured by Gene in the UK movie 'It's Trad, Dad' released in 1962.

Captured here on Law of the Jungle: the '64 Swan Demos are 15 deadly studio recordings waxed at Ray Vernon's studio in mid-'64 inexplicably, these recordings remained shelved for decades. We're always proud to present more amp-melting guitar mayhem from Link Wray, the undisputed king of the six-string crunch!

 Horrible hipicks from the ghoul-den era of Rock & Roll - Highlight! The market for old-style 'Hammer Horror'/Halloween novelty rock just won't quit. Folks out there just can't get enough of the stuff. Yet, for all that, there's never been a truly satisfying compilation of this type, just a series of ragbag bootlegs that have wetted the appetite until the real deal came along. Nearly half of the content new to CD including several never-before-released Bobby 'Borris' Pickett radio station plugs from 1962. - be afraid - be very afraid

OOP SHOOP - THE FLAIR AND MODERN RECORDINGS CD CHD 1082 €17.75

□ (2005/ACE) 26 tracks 1953-1957 with 12 page booklet Shirley and The Queens are generally considered to be among the first female R&B groups, and pivotal to the 'girl group' sound that was soon to be embellished by the likes of the Shirelles, Marvelettes etc. Her later work with her brother Cornel's group, The Flairs, represents the apex of 1950s west coast rhythm & blues. This collection features every single recording that Shirley made for Modern and Flair - and, two later singles notwithstanding, pretty much represents her recording career in total. Almost 70% of these tracks have never been reissued on CD - four have never been issued at all.

Während den meisten noch die Windeln gewechselt wurden, spielten CANNIBAL & THE HEADHUNTERS schon auf den gleichen Bühnen mit den STONES und den BEATLES. Der grossartige "na-nananana"-Part ihres "Land Of The 1000 Dances" machte sie berühmt und sämtliche US-Charts unsicher. Die Mitglieder des Vocal-Quartetts aus East L.A. waren erst 15, 16, 17, und 18, als die Band Anfragen für Touren mit THE MOTOWN REVUE, THE BEATLES, THE ROLLING STONES und THE RIGHTIOUS BROS bekam. Diese Anthologie versammelt nicht nur die Radioversion der "Land Of The 1000 Dances"-Single, sondern auch die verloren geglaubte Unedited Version und eine Liveversion, die zeigt, was die Jungs damals konnten. Der Style von CANNIBAL & THE HEADHUNTERS zeugte vom Einfluss der Motown A Cappella-Gruppen der 60s. Mexikanisch-amerikanischen Gruppen aus East L.A. erhielten durch C&TH einen Zugang zu dieser Art der Musik und bildeten eine eigene Musikszene, die später unter dem Namen East Side Sound bekannt wurde.

 □ (2003 Aloha Records') (38:57/14) Rhyth'm/Blues und
 Blues aus Austin, Texas. Die Combo um Gitarrist/Sänger Ben
 Peters lässt musikalische Erinnerungen an die 50er Jahre wach
 werden. Außerst authentisch klingen diese Aufnahmen, die - wie
 u.a. die Alben von Nick Curran - in den Fort Horton Studios
 aufgenommen wurden und vor Spielfreude nur so sprühen.
 Hervorragende Musiker, wenig eigens Material, dafür Cover
 obskurer Titel. Ausgezeichnet! / 1950s style r&b and southern
 blues, recorded at Austin's Fort Horton studios. Nick Curran
 opened the doors, and combos like this one led by
 guitarist/vocalist Ben Peters are sailing through. Re-makes of
 mostly obscure stuff by Ray Agee, Pee Wee Crayton, Jimmy
 Liggins, Clarence Garlow or King Karl. Super musicianship, great
 authentic sound. Recommended. BEN PETERS - gtr/voc.
 JOHNNY MOELLER - gtr, NICK CURRAN - gtr/drums, MATT
 FARRELL - pno, T.D. MÖTYCHA - sax, PRESTON HUBBARD
 (ex-FABULOUS THUNDERBIRDS) - bass, JAY MOELLER - drums.

SINGS...HEARTACHE NUMBERS CD GR 6704 €15.34
 Way Ticket To The Blues- Alone At A Table For- Hearts Later- Four
 Walls- Five Fingers To Spare- Whiskey Six Years Old- Seven Lonely
 Days- Eight Weeks In A Barroom- Apartment #9- Ten Minutes-
 A-11- The Twelfth Of Never- Thirteen Steps Away

□ (2005/GOFFIN) 13 tracks This tiny Texas brunnet beauty,
 with a power house voice, just happens to be my personal
 favorite of the new generation Rock-A-Billy singers. However this
 collection of songs shows us her ability to handle Country
 ballads and toe tappers with equal ease. What a creative idea of
 having the song titles correspond with their numerical order. You
 will hear songs like 'One Way Ticket To The Blues', 'Four Walls',
 'Whiskey Six Year Old', 'Apartment #9', 'The Twelfth Of Never',
 plus eight others. All of the songs have fantastic music
 harmonies; then you add Marti's fine voice and here is an album
 that is to sure to become a favorite of mine and yours, so enjoy -
 Marti's friend always... WANDA JACKSON A wonderful CD that
 no true blue country fan should be without... CRAIG BAGULEY

ORSON WELLES

WAR OF THE WORLDS - RADIO
 ✕ BROADCAST CD COL 8544 €7.90
 □ (2005/COL) 60 minutes 1938 - Original Radio Horspiel das
 Amerika in Panik versetzte und Orson Welles berühmt machte.
 digitally restored and remastered On October 30th, 1938,
 America was gripped with terror as regular radio programming
 was seemingly interrupted by reports of a Martian invasion in the

wilds of New Jersey. Total alien conquest seems a certainty, as
 one terrorized radio reporter risks his life to broadcast eyewitness
 accounts of the mind-numbing horror to a world that may
 already be beyond hope. In 1938, radio was still a relatively new
 medium and American listeners were definitely not as
 media-savvy as they are today. So when Orson Welles
 deliberately blurred the lines between reality and fantasy with his
 daring radio adaptation of H.G. Wells classic science fiction
 novel, it wasn't too surprising that a real space invasion panic
 ensued. This historic broadcast made the 23 year-old Welles an
 overnight national celebrity and showed the world how powerful
 a force radio could be. Listen to the original uncut one hour
 broadcast and relive the night America fled in terror from an
 all-out 'invasion' from space.

JOE DASSIN

DIESER SÄNGER BRAUCHT NUR

EIN CHANSON 2-CD CD 36592 €21.90

□ (2005/SONY/BMG) 35 tracks - original master recordings

1969-77 Am 20. August vor 25 Jahren starb Joe Dassin. Er
 wurde nur 42 Jahre alt. WDR 4 hat dieses Datum zum Anlass
 genommen, den Ausnahmekünstler, der in Deutschland zu den
 bekanntesten Vertretern des französischen Chansons gehört, mit
 diesem Doppelalbum zu würdigen. Beide CDs spiegeln die
 Vielfältigkeit seines künstlerischen Schaffens wieder, das mal
 lebensfroh, mal melancholisch, mal nachdenklich und dann
 wieder fast komödiantisch daherkommt. Reminiszenzen an seine
 grossen Erfolge fanden ebenso Eingang wie Kabinettstücken,
 von denen man gar nicht erwartet, dass Joe Dassin sie gesungen
 hat. Darüber hinaus hören Sie weltbekannte Lieder, die von Joe
 Dassin in französisch nachgesungen wurden. Neben seinen
 eigenen grossen Erfolge wie 'Le petit pain au chocolat', 'Les
 Champs-Élysées' und 'Fais la bise à la maman' begegnen Sie
 Joe Dassin's Versionen von Christies 'Yellow River', Rod Stewart
 'Sailing' sowie dem Klassiker 'Guantanamo'. Selbstverständlich
 wurden auch seine deutschsprachigen Erfolge berücksichtigt wie
 'Es gibt Mädchen so zum Träumen', Dieser Sänger braucht nur
 ein Chanson' und viele mehr, darunter auch eine französische
 Version von Peter Alexanders Evergreen 'Die kleine Kneipe'.
 Freuen Sie sich also auf ein besonderes Stück
 abwechslungsreicher und erinnerungsträchtiger Unterhaltung mit
 Joe Dassin.

KURT TUCHOLSKY
**KABARETTGESCHICHTE(N) -
DOKUMENTATION** CDA HR 134 €15.50
 □ Ein Portrait von Karin Köbernick - 78 Minuten: Kurt Tucholskys
 atemberaubendes Gesamtwerk lässt Vollständigkeit in der
 Porträtreihe 'Kabarettgeschichte(n)' nicht zu, wohl aber die
 Chance, hier 'seinen' Tucholsky zu finden: den Texter frecher
 Kabarettlieder, politisch-agitatorischer Songs und den Autor
 zart-ironischer Liebesgedichte. In der Vertonung von Friedrich
 Hollaender und Hanns Eisler sind seine Chansons eng mit dem
 Berliner Kabarett der Weimarer Republik verknüpft. Es ist die Zeit,
 die ihm die Kraft gibt, Wahrheiten auch da auszusprechen, wo
 sie unbeliebt und unbequem sind und sei es für ihn selbst. Es ist
 die Zeit, an deren Widersprüchen er zerbricht.

 □ (2004/MOTORBOOKS) paperback, english, 15x22.5 cm, 244 pages; Illustriertes Hot Rod Wörterbuch (was ist ein NOSEBLEEDER, GOAT, BRICK oder BRODIE ?) - ideale Lektüre fürs Fachgespräch beim illegalen Rennen am Samstag: Few lexicons are as rich, as varied, or as unique as that which the hot rodding community has developed over the last 60-plus years. Sure to appeal to veteran enthusiasts as well as those still wet behind the ears, 'The Ultimate Hot Rod Dictionary' features painstakingly researched definitions for more than 1,600 terms and phrases. Described within are the technologies, designs, styles, vehicles, and phenomena associated not just with hot rods, but also with muscle cars, drag racing, custom cars, and lowriders. In addition to cross-referencing terms that appear elsewhere in the book, author Jeff Breitenstein offers etymologies as well as usage examples and pronunciations where appropriate. The resulting long-overdue study which is accompanied by more than 225 exclusive line-art illustrations, is a must for anyone interested in more than a half-century of hot roding, automotive, and motorsport history and its cultural implications.

ROCKLEXIKON DEUTSCHLAND

CHRISTIAN GRAF 0041 596 €24.90
 □ Deutsch/German, Broschur, 16.5x23 cm, 446 Seiten plus 60
Farbtafeln mit Fotografien von Didi Zill: Mehr als 700 Bands und
Musiker werden in dieser Bestandsaufnahme der deutschen
Rockszene erfasst. Allein diese stattliche Zahl dokumentiert die
Lebendigkeit und den Stellenwert der heimischen Szene, die
immerhin den drittgrößten Tonträgermarkt der Welt repräsentiert.
Deutscher Rock in seinen zahlreichen Facetten und
Schattierungen ist gesellschaftsfähig und international
konkurrenzfähig geworden. Das Spektrum reicht von der
sogenannten (elektronischen) Berliner Schule über den
seinerseits belächelten Krautrock, Jazzrock, Blues, die ersten
Gehversuche mit deutschen Texten und dem daraus folgenden

Mundart-Rock bis hin zum Heavy Metal und wavigen Klängen.
Die Hamburger Szene spielt eine gewichtige Rolle, die
Düsseldorfer Punker natürlich auch und nicht zu vergessen der
niedersächsische Hard & Heavy-Clan. Das "Rocklexikon
Deutschland" greift die Idee des Buches "Rock in Deutschland"
von Günter Ehnert, das letztmalig 1984 erschienen ist, wieder
auf, erfasst dabei mehr als 5000 Alben und legt einen
besonderen Schwerpunkt auf die Geschehnisse der 90er Jahre
und den Beginn des neuen Jahrtausends. Das Werk ist eine
Standortbestimmung, die das gewachsene Selbstbewusstsein des
deutschen Rock und seine vielfältigen individuellen
Entwicklungen dokumentiert. Dieses neue "Rocklexikon
Deutschland" ist 'das' Buch für jeden Fan der deutschen Rock-
und Popmusik.

This phenomenon reached its high-point as ABBA conducted an
enormously successful tour 'down under' in March 1977. The
feverish madness of the tour was captured on film in director
Lasse Hallstrom's ABBA - The Movie, which remains as one of
precious few opportunities to experience ABBA live onstage. In
the film, we follow radio disc jockey Ashley Wallace as he tries to
hunt down the group for an exclusive, in-depth interview. Will he
make it or not...? Experience the excitement of ABBA's music and
the mania that surrounded them in this very first DVD release of

LIVE AT THE BIRMINGHAM

ODEON 1979 (0) DVD MRA 0666 €9.90

□ (2005/MRA) PAL, 12 tracks - bescheidene Qualität ! Bill Haley & The Comets - one of the pioneers of Rock 'N' Roll had enjoyed numerous Rockabilly revivals by the time they recorded this gig at the Birmingham Odeon in the UK in 1979. The latest Rockabilly craze (the Teds, greasers, brothel creepers, ducktail haircuts) was in full swing in the UK in 1979 and would also see the revival of the Mod phenomenon (similar Beach side clashes between the Mods and Rockers would ensue). Although the quality of the recording is quite primitive this DVD has been released primarily for historical value as it was the last ever professional performance by Bill Haley outside of the USA.

Die DVD ist also gleichsam akribisch erarbeiteter Beitrag zur Popmusikarchäologie und exklusives Fanitem. Mit dem STAR CLUB kamen die ersten Erfolge und die erste England-Tournee mit den Rolling Stones, die im Vorprogramm der RATTLLES spielten, die BRAVO-Tournee 1966 mit den Beatles - die hier erstmalig auf DVD zu sehen ist, und diverse Umbesetzungen der Band, die in dem Riesenhit 'The Witch' gipfelten. Mitte der 50er kam es in Amerika zu einer gewaltigen Revolution, die zwar friedlich verlief, aber vielen Weissen den Angstschweiß auf die Stirn trieb: die Jugend entdeckte den Rock And Roll. Sein Vater war Alan Fred, der als erster weisser DJ die verpönte 'Negermusik' über den Äther verbreitete und sich damit viele Feinde schuf, aber zum Superstar bei den Teenagern wurde. Leider vertraute er den falschen Leuten und seine nicht so ganz

legalen Deals mit der Mafia setzten seiner Karriere ein abruptes und dramatisches Ende. Die Musik aber, für die er gekämpft hatte, setzte ihren rassen- und grenzübergreifenden Siegeszug um die Welt fort. Bio- und Filmografien der beiden Hauptdarsteller (Judd Nelson & Mädchen Amick), Alan Freed Biografie, Künstlerportraits der gezeigten Rock-Stars (Jerry Lee Lewis, Little Richard, Buddy Holly, Bo Diddley, Frankie Lymon, Bill Haley, Jackie Wilson), nicht identisch mit dem 50er Jahre Film Mister Rock & Roll (HF 1007)
