INFORMATION

This album was recorded by Rumble On The Beach at the legendary Sundance Studio, Bremen, Germany. One can hear that the band had much fun during the recording sessions. It's all sung in German language with the band's typical unique mix of Cow Punkabilly Rock 'n' Roll and German Schlager! Rumble's way into the 1990s! The last album release before their long break.

But BEAR FAMILY RECORDS is right on time and presents this new release to the upcoming Rumble Revenge Tour in Germany!
