## SALES NOTES

We at **Bear Family** can honestly say that we've done more than anyone to keep the sound of the great original country duets alive. The **Blue Sky Boys**, the **Monroe Brothers**, **Darby & Tarlton**, **Sara & Maybelle Carter**, the **Louvin Brothers**, and even the **Everly Brothers** have all received the Bear Family treatment.

One of the greatest duet acts of all was Johnnie & Jack, and in a 1992 box, we collected absolutely every recording by **Johnnie & Jack**. The 6 CDs included all their **Apollo**, **King**, **RCA**, and **Decca** recordings made between their first session in 1947 and Jack's death in 1963. **Johnnie Wright** gives a session-by-session account of his career...his memory is incredible, and it amounts to a fifteen year history of country music. Also included are sensational photos from Johnnie Wright's personal photo library and fanatically detailed notes from Grand Ole Opry host **Eddie Stubbs**.

Copies of the 1992 Johnnie & Jack box have been changing hands for up to \$500 on auction sites! That's good news if you want it and you have five hundred spare dollars...but now there's good news for everyone else who didn't get it upon release. In the course of cleaning house, we found 500 books for the box. So we're re-pressing 500 copies of the box to go with the book. First come, first served. Don't wait and decide you want it after the price has gone back to \$500!
