<b>SPIELDAUER</b>	551:16

## INFORMATIONEN

**Gene Vincents** Leben war der **Rock 'n' Roll** – eine der berühmtesten Aufnahmen der gesamten 50er Jahre machte ihn unsterblich, **Be Bop A Lula**. Dieser Song machte ihn zum Star und war zugleich Auftakt für eine unglaubliche Achterbahn-Karriere, die für ein tragisches Ende beinahe vorbestimmt schien. Während dieser Fahrt spielte Vincent über 200 Titel ein, darunter diverse Rock 'n' Roll-Klassiker wie **Bluejean Bop**, **Lotta Lovin'** und **Dance To The Bop**. Besonders in Europa war er enorm einflußreich – wo seine schwarze Lederkluft, sein irrwitziger Lebensstil und die Brillanz seiner Bühnenshow unvergessen bleiben werden.

Erstmals haben wir auf acht CDs Genes sämtliche Studioaufnahmen aus den Jahren 1956 bis 1971 zusammengefaßt! In chronologischer Abfolge präsentiert diese Box seine kompletten Einspielungen für **Capitol**, **Columbia**, **Challenge**, **Forever/Playground**, **Dandelion**, **Kama Sutra** und **B&C** – darunter bislang unveröffentlichte Stereofassungen! Alles in allem ein gewaltiges Lebenswerk und eine phantastische Erinnerung an einen Künstler, mit dem es das Leben nicht immer gut gemeint hat. Natürlich gehört zum Set ein opulentes gebundenes Buch. Es enthält eine detaillierte Discographie und ist großzügig illustriert mit einer wahren Flut seltener, eindrucksvoller Fotos. Fazit: Diese Veröffentlichung wird dem Leben und Werk eines außergewöhnlichen Künstlers mehr als gerecht.

**Mehr Rock 'n' Roll geht nicht.**
