| PLAYING TIME | 79:50 |

SALES NOTES

Inevitably, our top-selling ROCKS! series now turns to the man who literally epitomizes ROCK: Jerry Lee Lewis! There have been plenty of Jerry Lee compilations through the years (hey! we've even produced a few of them ourselves), but this is the first to feature an incredible 80 minutes (well, 79 minutes and 50 seconds) of wall-to-wall piano pounding rock 'n' roll. It's also the first to include songs from Jerry Lee's Sun and Mercury recordings. Twenty-one years in the life of Jerry Lee Lewis...and all the big rock hits you'd expect, like *Whole Lotta Shakin'*, *Great Balls Of Fire*, *High School Confidential*, *I'm On Fire*, *Chantilly Lace*, and *Me And Bobby McGee*, as well as rarities and obscurities like *Real Wild Child*, *House Of Blue Lights*, and *Don't Boogie Woogie When You Say Your Prayers Tonight*. This year marks the fiftieth anniversary of Jerry Lee's first record...and there'll be celebrations, but what better way to mark that anniversary than with 80 minutes (well, 79 minutes 50 seconds) of his very best rockers!

TRACK LISTING
