- Incredibly, after all these years, there's still some prime unissued Western Swing to be heard... and BEAR FAMILY has it!
- Thirty-one previously unissued recordings by the giants of Western Swing's golden age: Bob Wills, Adolph Hofner, Roy Newman, and others!
- Some of these titles were probably withheld because they were too risqué! These days, they sound like the most fun ever had on record!

INFORMATION

Spanning 1935-42, this exciting collection brings together 31 previously unissued tracks from the Western Swing's greatest years. It features some of the music's biggest names, including Bob Wills & his Texas Playboys, Adolph Hofner, Al Dexter, Roy Newman & his Boys, Leon Selph & his Blue Ridge Playboys, the Hi-Flyers and Ocie Stockard & his Wanderers. Groups that defined Western Swing before it even had a name! Sidemen include country legends like Leon McAuliffe and Moon Mullican!

'Previously Unissued' often implies substandard recordings. Not so here! This is full top-notch Western Swing by some of the music's best-ever performers. Hot stuff on par with – or better than – issued performances! Songs include *You Ought To See My Fanny Dance*, *She Can't Be Satisfied*, *Fruit Wagon Gal*, *Around The Corner At Smokey Joe's*, *Who Comes In At My Back Door*, *Hash House Hattie*, and *Look Who's Squawkin'*. You get the idea!
