## SALES NOTES

Many years ago, Bear Family issued an LP of Leroy Pullins' Kapp recordings. Long out-of-print, that LP created a steady demand for his recordings on CD. To date, nothing has been released on CD, not even his 1966 pop and country smash hit *I'm A Nut*. Now Bear Family rectifies that situation, reissuing that original LP plus every other recording we could find by Pullins, including previously unissued sides. The success of Roger Miller in the mid-1960s led others to work in his style, but no one except Pullins really managed it. The same offbeat humor, the same undercurrent of darkness and weirdness and social commentary.

A minor classic.
