## SALES NOTES

For the very first time – exclusively on Bear Family Records – we present a compilation of Rolling Stones songs sung in German!

Many Stones classics...most from the 1960s...are here with German lyrics. Among the songs are (*I Can't Get No*) *Satisfaction*, *The Last Time*, *Paint It Black*, *Honky Tonk Women*, and *Sympathy For The Devil* as well as some of their most beautiful ballads, such as *Ruby Tuesday*, *As Tears Go By* and *You Can't Always Get What You Want*. There are also a few later tracks, including *Angie* and *Beast Of Burden*.

All these ditties are done by top German stars, like Trude Herr with Wolfgang Niedecken (BAP) and Udo Lindenberg, as well as by 'Schlager' singers (Bernd Apitz, Holger Thomas, Drafi Deutscher) and a few beat bands, including The Tonics, The Black Stars, Frankie Farian & Die Schatten and (from former East Germany) The Theo Schumann Combo whose version of *Satisfaction* got the thumbs down from the communist authorities at the time of release.

Guests from Switzerland include The Dorados, and from Austria there's Peter Schleicher and a group called Magic who did a hard-to-find single of the rarely covered *I Am Waiting* entitled *Feuerreiter*.

This compilation shouldn't be missed by either 'Schlager' fans or Rolling Stones collectors.
