INFORMATIONEN

'The Last Time Around' beschließt das auf drei CD-Boxen verteilte Gesamtwerk von Rick Nelson. Das neue Set beginnt mit vier Alben, eingespielt mit der Stone Canyon Band: 'Rick Sings Nelson', 'Rudy The Fifth', 'Garden Party' und 'Windfall'. 'Garden Party' enthält selbstverständlich seinen letzten großen, gleichnamigen Hit – und Nelsons Ankündigung, daß er nicht zu einem 'Oldies-Act' werden wolle. Es geht weiter mit der für Epic eingespielten 'Intakes'-LP und mit dem CAPITOL-Album 'Playing To Win'. Damit nicht genug: BEAR FAMILY präsentiert erstmals zwei komplette, nie erschienene LPs: 'Back To Vienna' (in Hollywood produziert von Al Kooper und eingespielt mit herausragenden Sessionmusikern) sowie 'The Memphis Sessions', produziert von Larry Rogers und mit einer sehr ansprechenden Band, besetzt mit fast ausschließlich lokalen Studiogrößen. Weitere Höhepunkte: ein kompletter (nie zuvor veröffentlichter) Liveauftritt mit der zweiten Besetzung der Stone Canyon Band sowie reine Single-Tracks, zusätzliche Studiosessions und sogar einige Werbejingles.

Das 144-seitige Hardcover-Begleitbuch enthält dutzende Fotos und andere Abbildungen, eine vollständige Dokumentation aller Sessions und einen Karriereabriß (25000 Wörter) von Todd Everett, der schon die hochgelobten Begleittexte für die beiden ersten Boxen 'An American Dream' und 'For You' geschrieben hat. Die nicht zu toppenden Informationen aus erster Hand enthüllen, was bei den Studiosessions wirklich passierte.

Auch wenn Nelsons späte Einspielungen nicht mehr das kommerzielle Volumen seiner Frühwerke erreichten, sind sie ein Beweis dafür, daß sie sich qualitativ nicht davon unterscheiden. Kein Zweifel – Rick hat gerockt!
