- The Queen of Rock 'n' Roll on an expertly chosen blend of big hits and lesser-known, blues-edged cuts all designed to appeal to listeners who like to rock.
- *Sweet Nothin's* is here of course along with all-time favourites like *Let's Jump The Broomstick*, *Dum Dum*, *Here Comes That Feeling* and the seasonal mega-hit, *Rockin' Around The Christmas Tree*.
- Also includes *Is It True*, the Mickie Most-produced UK hit which features Led Zeppelin's guitarist, Jimmy Page.
- 'Time Magazine' described her voice as "*Part whiskey, part black and all woman*". John Lennon put it simply: "*The greatest voice of the rock 'n' roll era*".

## INFORMATION

Unlike most child stars, there was nothing cloying or distasteful about Brenda Lee. She had tons of credibility from the very beginning, kick-starting her long career with *Bigelow 6-200* recorded in mid-1956 when she was only eleven years old. This comprehensive collection includes that rockabilly gem and the cream of her up-tempo DECCA recordings, showcasing the grittiest voice of the pre-Beatles era on a leather-lunged raft of scorching rockers like *Sweet Nothin's*, *Dynamite* and *Let's Jump The Broomstick*.

This then, is the story of Brenda Lee, rock'n'roller in excelsis. And because it's on BEAR FAMILY, it comes with a beautiful, picture-filled booklet and a total of 36 tracks which dwarfs any other compilation on the market.
