SALES NOTES

It was inevitable that Bear Family's definitive rockabilly series, **THAT'LL FLAT GIT IT**, would turn its attention to Columbia Records before it ended. There will eventually be FOUR volumes devoted to the Columbia, and the first two are available now. With a strong presence in Nashville and Dallas, Columbia was a label of untold rockabilly riches...some documented on other CDs, and some revealed here for the first time on Bear Family. The artists include **CARL PERKINS, RONNIE SELF, THE COLLINS KIDS, JOHNNY HORTON, LEFTY FRIZZELL, THE MADDOX BROTHERS & ROSE**, and **MARTY ROBBINS**, as well as great unknowns like **JIMMY MURPHY, ONIE WHEELER, CLIFF JOHNSON, BILLY BROWN**, and many others.

The CDs are full with the shaking music newly transferred and remastered for incredible sound, and the booklets are full to the brim with detailed notes based on first-person accounts and previously unpublished photos.

We're near the end of this incredible series, but it just keeps getting better. It's the bop that truly doesn't stop.
