- First-ever single CD reissue of his highly-acclaimed 'Tales Of The Yukon'

INFORMATION

Hank Snow pioneered the country concept LP as far back as the early 1950s. In 1967, he released 'Christmas With Hank Snow' and the following year he released 'Tales Of The Yukon' based on the popular poems of Robert Service that he had learned as a child in Canada.

Who better than Canada's biggest-ever country star to set Robert Service's poems about the Yukon to music?

TRACK LISTING

The Face On The Barroom Floor • The Shooting Of Dan McGrew • The Cremation Of Sam McGee • The Spell Of The Yukon • The Ballad Of One-Eyed Mike • The Ballad Of Hard Luck Henry • My Friends
