SALES NOTES

Bear Family's first Pat Boone boxed set – 'The Fifties Complete' – covers Pat's recordings for Dot and Republic Records from 1953-1959. This volume continues with 6 CDs, comprising all of Pat's non-religious Dot recordings from 1960-1962. There's an astonishing variety of material... from pop standards to country, rock 'n' roll, novelty songs, and even a Jimmy Reed blues! Plus we've included Pat's soundtrack recordings for the films 'All Hands On Deck' and 'The Main Attraction' (previously available only on rare extended-play albums) as well as his songs from the 'State Fair' soundtrack. Among the original Dot LPs featured complete here are 'Moonglow,' 'Moody River,' 'I'll See You In My Dreams,' and his duet album with his wife, Shirley, 'I Love You Truly.' In addition, we've included songs from the era scattered on other albums through the years, and of course all the hit singles, including *Delia Gone*, *Dear John*, *The Exodus Song*, *Moody River*, *Big Cold Wind*, *Johnny Will*, *Ten Lonely Guys*, *Speedy Gonzales*, and several more.

In addition, this exclusive set includes 46 previously unissued recordings, plus a ???-page hardcover book with an essay by Todd Everett that includes new interviews with Pat and several of the people behind the records, as well as a complete discography and many previously unpublished photos.

One of the biggest-selling artists of all time, Pat Boone has long deserved the Bear Family treatment! This is Part Two of Bear Family's ultimate Pat Boone collection!
