KEY SELLING POINTS

- The original 'Honky Tonk Man!'
- The first-ever CD by a true legend of Texas beerhall music, and the writer of some of Johnny Horton's biggest hits.
- Fans of Johnny Horton and gritty Johnny Cash-styled singing will love this record. Just one of these ultra-rare singles costs more at auction than this entire CD. Plus there are 13 previously unissued songs!

SALES NOTES

He didn't have many hits as a singer, but Howard Crockett wrote *Honky Tonk Man*, *Ole Slew Foot*, *Whispering Pines*, and *All Grown Up*. All Johnny Horton hits. On the strength of *Honky Tonk Man*, he signed a contract with Dot Records, and this CD includes all his Dot/Hamilton recordings together with the legendarily rare Manco singles, as well as the never-reissued-until-now Smash recordings.

Serious rockabilly collectors have long been aware of Howard Crockett. With this CD, everyone can now appreciate a true original talent in the same vein as Johnny Horton and Johnny Cash but with a style all his own.
