## SALES NOTES

Bear Family Records was the first company to do right by Lefty Frizzell. Our 14-LP set, 'His Life, His Music,' was issued back in 1984 when Lefty's reputation was known only to a few. He'd died in obscurity nine years earlier at the tragically early age of 47. The LP box together with the hugely improved 12-CD version, 'Life's Like Poetry,' issued in 1992 really set the stage for the Lefty Frizzell revival. Now he's almost always mentioned in the same breath as Hank Williams. He was honky tonk music personified, but he could rock hard when he wanted. This set includes all of his finest uptempo songs, including the fabulous *You're Humbuggin' Me*. It also includes one song, *Steppin' Out*, that we couldn't include on the box for legal reasons. Now it's here along with 32 other Lefty Frizzell uptempo classics.

Bear Family's 'Gonna Shake This Shack Tonight' series is establishing a reputation comparable to our definite rockabilly packages in the 'That'll Flat Git It' series. Definitive, perfectly compiled, exhaustively annotated, and fabulously illustrated. Plus Bear Family's trademark rich and beautifully engineered sound.
