SALES NOTES

Tough guy Jack Scott also had a sensitive side which he let show with many of his biggest hits, including *What In The World's Come Over You*, *Burning Bridges*, *My True Love*, and many more! His unique vocal delivery, coupled with unusual productions and undeniable hooks, make these the ballads that even rockabilies will dig (even if they have to close the blinds so no one can see)! Contains material from his Carlton, Top Rank, Capitol and RCA/Groove periods! If you're in the right mood this is one of the greatest collections you'll ever hear.
