SALES NOTES

If asked, Don Gibson wouldn't have said he was a rock 'n' roller or a rockabilly, but his career broke wide open at the dawn of the rock 'n' roll era, and he made some rock-flavored records with a very individualistic slant. This long-overdue collection assembles all of Don Gibson's uptempo sides, programmed for listenability and engineered for sonic perfection. In addition to Gibson's fabulous original versions of *Oh Lonesome Me*, *Blue Blue Day* and *Sea Of Heartbreak*, there are 30 other rockin', swingin' and shakin' uptempo songs. Gibson even rocks up some unusual songs like *Camptown Races* and *That Lonesome Valley*. His music speaks for itself.
