SALES NOTES

Bear Family is not a 'greatest hits' label, and we're proud of it...even if our accountants aren't. Throughout our thirty three years, we've gone out of our way to reissue the finest music in the highest possible quality packages, regardless of commerce. Some of the music is admittedly a little obscure, and fans are understandably wary of buying something they don't know. Hence Bear Family's 33 1/3 promotion. To celebrate our 33rd birthday, we've assembled three 33-song CDs at a special price

33 1/3 is the JUKE JOINT BOOGIE (April)

33 2/3 is R&B CLASSICS (August)

and 33 3/3 is COUNTRY, BLUEGRASS AND INSTRUMENTAL CLASSICS (November)

All of these recordings are just from Bear Family's extensive catalog of rockabilly and rockin' country music. Some of these songs aren't very familiar; in fact, some of the artists aren't very familiar, but this is a jumpin' little record. For every well-known song, like Sanford Clark's *The Fool*, there's half-a-dozen gloriously obscure tracks, like *Pistolero* from Dean Reed, the Red Elvis. This is a true alternative history of rock 'n' roll. Thirty-three flashes from the archives of oblivion, courtesy of Bear Family!

Bear Family is a different kind of record company. Sure, fans can buy CDs on out-of-copyright labels for next to nothing or download songs for a few cents, but that's not why they became fans. They want to know about the artists, see rare and unpublished photos, want the very best sound quality, and want to go beyond the greatest hits. Bear Family caters to the fan in all of us!
