INFORMATION

In 2002, Bear Family started its highly acclaimed ROCKS! series featuring artists you'd expect (Bill Haley, Jerry Lee Lewis, Eddie Cochran, Gene Vincent... etc.) together with some artists you might not expect (Pat Boone, Bobby Darin, Roy Orbison, Charlie Rich... etc.). Showcasing the series' unbelievably high standard, Bear Family has created a sampler from across the full range of 36 CDs. Some of the artists might not leap to mind as rockers, but one thing is for sure: On this CD they ROCK! Listening to this CD is like listening to the world's greatest jukebox or the universe's best radio station. This is truly the bop that never stops!
