INFORMATION

Hultsfreed Hayride is without doubt the coolest rockabilly festival in Sweden (and probably also the coolest in whole Scandinavia). The atmosphere is simply unbeatable. Since 2002 rockabilly freaks from all over Europe have gathered deep in the Swedish woods for a weekend of the finest in music, dancing, cars and endless summer night fun. V8 engines roar while the world's most exciting rockabilly acts blast out their rocking beats. There are Tiki bars all over the place and the scent of hair pomade weighs thick in the air. Real cool cats and hot boppin' girls wearing petticoats are dancing frenetically to wild, savage 45s spun by top DJs. Even the local Swedish moose are having a total rockabilly ball during the Hultsfreed Hayride festival!!!

Hultsfreed Hayride is celebrating its 10th anniversary in 2012. BEAR FAMILY is the proud sponsor of the event, and what better way to celebrate than to release an anthology with some of the hottest acts that have appeared on the festival over the years. Included are the endlessly brilliant Fatboy, the truly uplifting British sounds of The Cezars, frantic surf music generated by The Barbwires and much more.
