BEAR FAMILY
PRODUCTIONS 

INFO:

- Der Aufstieg des Rhythm 'n' Blues in Washington, D.C. – von der Swing-Ära bis zu den Anfängen des Soul in den 1960ern.
- Klassiker wie *Love Potion No. 9* (The Clovers), *Wedding Bells* (The Senators) und *Georgianna* (Lloyd Price), ergänzt durch lokale Hits, längst vergessene obskure Stücke und gesuchte Raritäten.
- Ein umfangreiches 352-seitiges gebundenes Buch im Format einer LP dokumentiert die spannende Geschichte der Musikszene in Washington von den 1940er bis zu den 60er Jahren – mit Hintergrundinformationen über die afro-amerikanische Presse, die Clubszene und das Nachtleben mit seinen Machern und Drahtziehern, basierend auf jahrelangen Recherchen und Interviews mit überlebenden Zeitzeugen.
- Hunderte von längst vergriffenen und schwer zu findenden Aufnahmen aus den besten verfügbaren Quellen, sorgfältig in der Reihenfolge ihrer Veröffentlichung geordnet, bilden einen umfassenden Überblick über die gesamte Aufnahmeszene. Dies ist nicht nur eine 'Greatest Hits'-Sammlung.
- Ausführliche Biographien lenken die Aufmerksamkeit auf lange übersehene Künstler wie The Griffin Brothers mit Margie Day, Delores 'Baby Dee' Spriggs, Billy Fair, TNT Tribble, Frank Motley Jr., The Three of Us Trio, The Crawford Brothers, Sam Hawkins oder Phil Flowers.
- Die Geschichte von Quality Records zeigt, wie dieses in Washington ansässige Label, das 1946 von Ahment Ertegun, Herb Abramson und Max Silverman gegründet wurde, zwei Jahre später zur Gründung von Atlantic Records führte.
- Die Geschichte von Lillian Claiborne und ihrem Unternehmen DC Records veranschaulicht ihre Rolle bei der Aufrechterhaltung von Washingtons Aufnahmeszene von 1947 bis in die frühen 1970er Jahre.
- Pionieraufnahmen von Gesangsgruppen wie The Progressive Four, The Cap-Tans, The Clovers, The Four Dots und The Heartbreakers zeigen Washingtons frühen Beitrag zum Aufstieg der R&B-Gesangsgruppen.
- Das Set enthält die 1951-52 bei RCA Victor aufgenommenen Sessions von TNT Tribble, Frank Motley, The Heartbreakers und Jimmy McPhail, die direkt von den Studiomastern stammen.
- Frühe Aufnahmen mit Billy Stewart, Don Covay und Marvin Gaye zeigen, wie sich diese Künstler aus der D.C. Vocal Group-Szene entwickelten.
- Hunderte von geheimnisvollen Fakten und unerwarteten Verbindungen aus zeitgenössischen Quellen und Künstlerinterviews geben einen neuen Einblick in Washingtons Rolle bei der Entwicklung des R&B.
- Recherchen und Interviews mit überlebenden Zeitzeugen.
- Illustriert mit seltenen Fotos aus privaten und städtischen Archiven!
- Alle Titel wurden sorgfältig neu gemastert von den besten Originalquellen, für einen authentischen und perfekten Hörgenuß.

BEAR FAMILY RECORDS

'R&B in DC 1940 - 1960' bietet eine umfangreiche Übersicht über den Aufstieg des Rhythm 'n' Blues in Washington D.C. von der Swing-Ära bis zu den Anfängen des Soul. Diese ausführliche Geschichte stellt die Musik von Künstlern, die mit der Gegend eng verbunden waren, in Zusammenhang mit der lokalen und nationalen Szene. In mehr als 120 Künstlerbiographien – von Gesangsquartetten an Straßenecken bis zu nationalen Stars, von Billy Eckstine, Baby Dee, TNT Tribble, und The Clovers bis zu Frank Motley, The Crawford Brothers, Lloyd Price und Don Covay – wird die Entwicklung des D.C.-Sounds geschildert.

Die ausführlich illustrierte Dokumentation des D.C.-Experten und Historikers Jay Bruder basiert auf umfangreichen Recherchen in zeitgenössischen Quellen und Interviews mit Zeitzeugen und liefert in dieser Deluxe-Ausgabe eine Chronologie samt Einblicken in die Geschichte der Schallplattenherstellung in Washington, der lokalen Plattenfirmen, der afro-amerikanischen Presse sowie der Rolle der Afro-Amerikaner in Radio und Fernsehen im Raum Washington. Veranschaulicht werden die Rolle von Schulen und Kirchen in Washington, die Amateur-Shows die als Sprungbrett für lokale Talente dienten, sowie die Club- und Theaterlandschaft von Washington – als die bedeutendsten Schauplätze der R&B-Szene. 472 Titel auf 16 CDs sowie ein illustriertes, 352-seitiges gebundenes Buch lassen diese längst in Vergessenheit geratene Musikszene wieder auferstehen.
