INFORMATION

Last year BEAR FAMILY released 'More Than Countryfied,' the 3-CD collection of Dick Damron's early recordings. This is the 2nd collection, another 3-CD set that compiles all of Damron's excellent hard country recorded for RCA between 1978 and 1989.

Producer Joe Bob Barnhill came up with the formula: "*Not as hard driving as Waylon, not as laid-back as Don Williams.*" It was a formula that worked well for Damron's voice, and a series of excellent albums, all found here, was the result.

From the excellent honky-tonk of *The Ballad Of T.J.'s*, *Mid-Nite Flytes*, *If London Were A Lady*, and *Honky Tonk Angels And Good Ol' Boys* to love songs like *The Masquerade* and *The Lady*, this collection of RCA recordings covers all the bases of Damron's most successful commercial era.

As Damron says, "*I'm part of the Legend and the Legacy!*" Listen to this excellent box set and see why Dick Damron is one of Canada's best-loved and most-awarded country music legends.
