INFORMATION

Fans of hillbilly boogie and hot guitar are not complete without this collection of fantastic guitar and steel guitar duets from Speedy West and Jimmy Bryant, two of the finest players to ever touch a musical instrument. In addition to fantastic instrumental treats like *Stratosphere Boogie* and *Speedin' West*, you'll hear some of the recordings that Speedy and Jimmy did as session men for other singers such as 'Tennessee' Ernie Ford, Jean Shepard, and Spike Jones. As a bonus, you'll also hear both sides of Jimmy Bryant's first recording, the impossibly rare *Jelly Beans Daddy/Boogie Barn Dance* originally cut for MODERN RECORDS in 1949. If you don't already own the 'Flamin' Guitars' box set BEAR FAMILY put out on Speedy and Jimmy, this single-CD compilation is an absolute must! The usual BEAR FAMILY superb packaging, liner notes and sound mastering apply here – this is the finest these recordings have ever sounded.
