A very important part of the Everly Brothers' musical heritage was created between 1957 and 1960 for Archie Bleyer's Cadence label. And now fans of the Everly Brothers can take a look behind the scenes to see how those legendary recordings came about. We've compiled only Cadence outtakes for you, 34 working versions and musical sketches from this magical era. The most famous songs of the Everly Brothers can thus be viewed from a new perspective. This ranges from the first takes of hits like *Bye Bye Love*, *Wake Up Little Susie* and *Bird Dog* to alternative runs of classics like *Claudette* and *All I Have To Do Is Dream* - a packed CD album with stunning musical discoveries.
