With 'Destination Hawaii', Bear Family Records® invites listeners on a musical dream journey across the Pacific – to a place where palm trees sway in the warm breeze, the ocean sparkles turquoise, and every sunset echoes with the spirit of "Aloha Oe." This extraordinary compilation brings together 33 rare and legendary recordings celebrating Hawaii, hula culture, and the timeless longing for the islands of the South Seas.

From Rock 'n' Roll and Country to Rhythm & Blues, exotic steel guitars, relaxed rockabilly rhythms, and romantic island ballads create the perfect soundtrack to an era when Hawaii represented the ultimate paradise destination. Songs such as *Blue Hawaii* by Bing Crosby, *Hawaiian Rock* by Tommy Sands, and *Hula Love* by Buddy Knox capture the excitement of travel and the magic of tropical nights. At the same time, tracks like *Me Rock-A-Hula* by Bill Haley and *Honolulu Rock And Roll* by Eartha Kitt reveal how deeply the Hawaiian craze of the 1950s and 1960s influenced popular culture.

'Destination Hawaii' is far more than a collection of exotic songs – it is a musical ticket to a world filled with adventure, wanderlust, and sun-soaked memories. The journey takes listeners from the beaches of Waikiki to lively hula parties and romantic farewells at sunset. The emotional finale comes with Webley Edwards' unforgettable Hawaiian farewell song *Aloha Oe*, filled with warmth, nostalgia, and island romance.

Featuring carefully researched rarities, outstanding remastering, and a beautifully designed booklet, this compilation is essential for collectors, exotica enthusiasts, Rock 'n' Roll fans, and everyone dreaming of sunshine, the ocean, and the spirit of the South Seas. Whether as the soundtrack for summer, the perfect companion for a road trip, or simply music to dream away with, 'Destination Hawaii' brings the magic of the Aloha Islands directly into your home.
